To all that have come before,

Thank you!

All praises first to the Most High, the author of all creation, for waking me up with the truth of who I am. Without your mercy on me I would still be in the darkness.

To all the prophets that are back on this earth, pushing for the truth to the four corners, trying to revive the dead bones, I say,
Thank You.

Lastly, but not the least, I give double honors to my Elders, Deacon and all at the I.U.I.C for without your steadfast teachings and reproofs, this work would not be possible. I am honored and proud to walk this faith with my family THE ISRAELITES!

THE BEGINNING

“Who am I?”

If you are reading this then you were like me. You were searching for the lineage of your family, or maybe you were just looking for some truth. In this madness called life, you look for plenty of answers, but nothing satisfies your expectations. You look at this world today and as a black man, Hispanic man, Native American Man or a woman, you will realize that something is not in the right place.

You see this entire world as a wicked illusion of lies that has been growing like a weed that has never been put in check.

But that is soon to change.

By the time you finish with this knowledge, you shall be changed no matter what. With The Most Highs will, I can help lead you to a true path of “Who am I”. In order to understand, you need to start at the BEGINNING and yes, I mean the Book of Genesis.

Yes, the root of the truth. Trust me. When I say that it will not be easy to swallow what you are about to read, but through the power of the Most Highs will, I can break the armor of lies you and the society has covered you with.

There are a few things about this book that you must know before we move forward. This book is only valuable to you if you are truly wishing to wake up. If you wish to remain in the matrix, then please discard this book and go forth with your life of confusion, because this book is for those who really want the truth and are wondering WHY these things are happening.

If you've decided right now to stay until the end, then here's what you will need:

- A Bible (If you can get a King James Version with the Apocrypha, the entire better).
- Pen and Paper. (Also, if you see something in **RED**, know that this is something of pivotal paramount of importance).
- You need to Clear your worldly mind; meaning, do NOT bring the outside world understanding into this book. Your programing runs deep you need to start over. I am serious on this this includes what your preacher has "taught" you.
- We will endeavor to hit all the main blessings and curses that affect us today. If there is a duplicate curse, we will go past it. This is not a War and Peace novel. It will be easy to follow along and not too long winded. There are some chapters that are longer than the others to make more crucial points.

When you look at the world today, you see everything through a tinted glass of lies and oppression, but you cannot tell who or what to fight. You are afraid of your own brethren and you are afraid of the white man. You are afraid of what foods you can eat and you are afraid of life and death.

- You are tired of marching
- You know something is not right but you can't place it.
- You think to yourself that there has to be better than this!

We have been marching since before MLK and it's gotten us less than nothing. Don't bring up the argument of "Oh, we get to vote" either because where has that gotten us?

My brothers and sisters reading this, I can tell you now that you are not dreaming. The world is sick and has been for a very long time. I can also tell you that if you can take this journey with me till the end, you will no longer be afraid. As a matter of fact, I will promise you this.

John 8:32

*“And ye shall know the **truth**, and the truth shall make you free”.*

You have been called everything but a child of God in America and it's all planned because your ENEMIES know something about you that you do not. When you wake up in the morning and look in the mirror, you have no idea the incredible depths that we have fallen from.

You are more precious than pure Ophir Gold. You are the standard of greatness. You are the salt of the earth (everyone wants to be you) but yet you still, to this day, are trying to be like the heathens around you.

In the movie, The Matrix, the Oracle tells Neo that “everything that has a beginning has an end” and I am here to tell you with all the power within me that your time is NOW and **their** time is at an end.

The time of the gentiles as quoted from the Book of Matthew, is almost up and you need to know “Who I am.” Give praise to The Almighty that he has chosen you to see this great knowledge. Now you have a choice. Either you can stay on this path and change your life forevermore or, go watch other slanderous videos about Empire etc.

All I offer you is the path of the truth and I mean all the truth according to what The Most High has said. Either way, you will have made a choice to be what the heathen gentiles' calls you by words like, “Nigger (which is in the Bible Acts 13:1), Negro, porch monkey, African-American etc.

Or you can WAKE UP and learn that you are more precious.

The Most High Calls you which is an **ISRAELITE** and he said you are a king and a priest. Yeah, I said the same thing when I first heard that name there is power in that name and I love it and live it.

It is time for you to claim what has been taken away from you. The void of not knowing what was missing shall now be filled you will no longer be a slave.

Sisters and brothers your salvation is closer than you realize and I am honored to be able to show you what you have been missing.

The Most High has given me the spirit to bring this out to you with truth and vigor. I am a humble man and a child of the most high. I am not here to brag, boast or make you seem low.

I was where you are now grasping for a truth I could not see smell or touch. I knew it was there but just out of reach. I am here to tell you my beautiful family The Most High is calling his people back, he is calling YOU.

When you finish reading this you will have a choice to make.

Follow man and go back to sleep and be afraid, dependent and a victim.

Or.

Follow The Most High claim your heritage back and be empowered with what god promised you and you alone. Along with that, never be afraid again and be a ruler. Be a set apart people of the most high.

If you decide to wake up I ask of you only one thing. Give this to a family member and allow them the same choice. My goal with this book is to wake up one soul a day. I have placed everything I have into these pages.

I pray it's enough to free you, my brethren. Also, I pray this reaches you in haste because Jesus (Yahawashi) is coming soon, and I do not wish to see you sleeping when he returns.

Let Us Begin!

Breaking the Habit

“Reintroduction of You”

I am glad you decided to learn exactly who you are and to shed the light the lies that have been taught to you from the time you were a baby until now. Without further delay, let's bust the can of lies wide open once and for all!

We will combine what the Bible says and the scholars say to get the job done. So go dust off grandma's or mom's Bible get some coffee and learn what your nationality is.

This is what you are **NOT**

- **African-American** = According to the Bible you are what your father is so let's break this down in the simplest form. Open your Bible and go to Numbers 1:8 and you will see this.

“And they assembled all the congregation together on the first day of the second month, and they declared their pedigrees after their families, by the house of their **fathers**, according to the number of the names, from twenty years old and upward, by their polls.”

So as you can plainly see you count who you are by the seed of your father. In an easy to understand scenario if you plant an apple seed in china you will get an apple tree. If you plant an orange tree in the middle of Brooklyn it will make an orange tree.

The seed of the MAN dictates who you are. If a Black man has a child with a Filipina then that child will be whatever the man is. Now let's not get simple. YES the baby will have the mommy traits but the core is what the dad is.

If you are going to call yourself something you need to understand what it is you are calling yourself. The term [African-American](#) was coined by Jesse Jackson in 1980.

That right there should be a red flag..... But let's go on. If something was generated in 1980 that means it is a new thing in the earth and not something that the most high would not make you into.

The name African, I bet If you ask 10 people where that name comes from almost all of them will say it's the land mass where the “Africans live” but if you are indeed African then what country in Africa do you come from?

African wasn't even the name of the land in the beginning. It was the land of Ham

you know the son of Noah and the flood. You are probably asking yourself why this matters. One because the truth matters and 2 you are not African.

Here is Africa

This is who Africa is named after His name is [Scipio Africanus](#)

(Just click the picture if you want to read about this Idumea General.)

So now clearly we can see that you do not come from this guy at all. Now we have to deal with the other half of African-American which is (Drum Roll) AMERICA

This is who “discovered America” but when this murderous bastard the evil that was done to the natives is outrageous. This is [Amerigo Vespucci](#). So here is the verdict of who you are saying you are when you state that you are African-American.

You do not, cannot, and will NEVER come from 2 white men. Just the mere fact that you have lived till now calling yourself this should make you question everything and make your stomach turn.

As the Bible states in

Psalms 49:11

“Their inward thought is, that their houses shall continue forever, and their dwelling places to all generations; they call their lands after their own names.”

This is how Esau (the so called white man) gets down and he honestly believes in his core soul that God doesn't see what he does to God's chosen people.

He believes he can keep lying about who we are and the world not know, but you can only fool some of the people some of the time. The Rise of the Israelites is happening now and nothing can stop it.

Moving on, so you are not African-American. Neither are you “Black” Here is the definition of black

1. Of or belonging to a racial group having brown to black skin, especially one of African origin: the black population of South Africa.
2. **Of or belonging to an American ethnic group descended from African peoples having dark skin; African-American.** (We just learned about this one)
3. Very dark in color: rich black soil; black, wavy hair.
4. Being a trail, as for skiing, marked with a sign having a black diamond, indicating a high level of difficulty.
5. Soiled, as from soot; dirty: feet black from playing outdoors.
7. **Evil; wicked.**
8. Cheerless and depressing; gloomy: black thoughts.
9. **Being or characterized by morbid or grimly.**
10. Marked by anger or sullenness: gave me a black look.

Now let's take a moment and look at some of these definitions. I don't know about you but being called "wicked", "evil", or "morbid" does not sound positive and for sure does not make a nationality. Now you want to see something that will shock you? Let's look up White as a contrast.

1. **Morally pure; innocent.**

2. A person whose racial heritage is **Caucasian** (See Caucasus Mountains or Mount Seir)

3. [Favorable](#), [fortunate](#) <one of the *white* days of his life — Sir Walter Scott>

4. Pure Undefined

5. The color of **fresh snow: the opposite of black**

This is why words are important and they can program you into believing in something that can lead to harmful effects later. In the schools when a child is in the learning stage they are taught what these colors mean and if you lump yourself in a category like this the effects can be devastating later in life.

If they show "white" like in commercials and ads always being happy, fun, fortunate, favorable. Then show us "black people" as being evil, hateful and no good that has an impact when you spread that out over generations.

You do not see the Chinese walking around saying "yeah, I am Yellow" or a true Hamite African say "I am black". They usually will state their nationality with pride and with conviction. And probably can give you all the history of their lineage. But not us. The Bible said this will happen.

WOW! The Bible is a true book.

Jeremiah 17:4

"Thou, even thyself, shalt discontinue from thine heritage that I gave thee; and I will cause thee to serve thine enemies in the land which thou knowest not: for ye have kindled a fire in mine anger, which shall burn for ever."

You need 3 things to have a heritage Land, Language and Laws we do not own any of these because we are being punished as a Nation of People. Don't worry, we will get to that.

Since black is found in a Crayola box and not a nationality you can see now that you have been truly lost until now but we will clean all the lies out TODAY! Nevermore shall you be of the congregation of the dead.

There are many bywords we call ourselves along with the notions African-American, Black, Negro. These are just a few of them but they are all code for those "in the know".

They know you are a special, special people so much so that if they let the cat out of the bag and you turn back to who you really are and reclaim your power (Heritage) the world is ours again. Now let's deal with NEGROES

Some history of the word **Negro**

No matter what its origins, by the early 1800s, it was firmly recognized as a derogative name. In the 21st century, it remains a principal term of White racism, regardless of who is using it.

Social researchers agree that words like nigger, kike, spic, and wetback come from three groups: abusive nicknames (chink, dago, nigger); explicit class devaluations ("Jew him down" or "niggering the property"); and unnecessary ethnic names used as a mild slander

The term, nigger, carries with it much of the hate and disgust directed towards Africa- Americans. Historically, nigger is an inflammatory term that categorizes blacks as inferior, limited, never amount to nothing, and waste of breath.

It was a term of exclusion, a spoken reason for discrimination. Just the sound alone sparked malice and intense oppression. A stark reminder that the slaver (Oppressor) used to constantly remind you no matter your economic or social status, here is what you would be known as. **Very lazy, stupid, dirty, worthless no one, inferior, or to sum it all up in a code phrase "Nigger or Negro."**

No other American label carries as much purposeful polarizing harshness. The following shortlist is important information on the word's use and meaning.

Again all these terms they call you but they know who you are. You see that's the joke they laugh on when you are not looking. The Most High calls you the apple of his eye. You are an Israelite and your redeemer cometh!

Here is something to really ponder if we were truly African why after being here (still in slavery I might add) has no African country came to claim us?

They have the army they have a seat at the UN. That's because we aren't them and they aren't us. We look alike but we are NOT them. Take a look at this Sign and tell me if you can see what is "Off"

Can you see it? NEGROES for sale they knew who they were grabbing of the west coast of Africa and it wasn't Africans brothers and sisters. It was Israelites. Africans didn't sell Africans they sold Israelites. Here is another sign to further prove a point.

Yes they compared us to dogs when they are the dogs and heathens. Same with our Hispanic (Mexican) brothers and sisters we are all one family. This is basic stuff guys but we will keep it moving so let's recap to see what you are NOT.

You have been living a well-constructed lie of biblical Proportions and it has been funded by the same people who had you enslaved in 1611 until this present day in 2015 (or whenever you are reading this).

The Most High has blessed me to wake up in these final days and has instructed me to show my people their transgressions and show them the path home. Although I cannot walk it for you I can show you the direction but as the Bible says. You have 2 gates to choose from.

Matthew 7:13

“Enter ye in at the **strait gate**: for wide is the gate, and broad is the way, that leadeth to destruction, and many there be which go in there at:

14. Because strait is the gate, and narrow is the way, which leadeth unto life, and few there be that find it.”

As you can plainly see Jesus issued us a commandment and that is to go through the “strait” gate. That word means hard path or the road that has a tough way to go. That means a lot of different things.

Some of the hard things you will learn about on this site will cut you to the bone but it is necessary to find out who you are so you can be reborn.

To walk the strait path you need to have a firm grip on who you are, and where you are going. Because as you see in verse that the easy road leads to your demise.

I am not here to sugar coat the lies you been told and this site is not made to be politically correct. The Israelites are standing on their feet and soon you will be standing on your feet and know the Lord loves you and the kingdom is coming. You have never asked yourself why there are so many names for one nation of people?

Then if I am not African, Negro, or Black what am I?

Now that you have pondered in your mind what you just read and Googled xyz information I am sure you have more questions, but we will work through them all in due time. Let me show you what your enemy knows. This is from the Zondervan’s Bible Dictionary

Ham: The youngest son of Noah, born probably about 96 years before the Flood; and one of eight persons to live through the Flood. He became the progenitor of the dark races;

Not the Negroes, but the Egyptians, Ethiopians, Libyans and Canaanites.

Ok, OK! Pump the breaks! Did you see that? **NOT THE NEGROES.** The scholars around the world know this to be true and the Bible backs all this up. I am telling you in so many words you are an ISRAELITE.

You come from the line of **Shem** NOT HAM. As a matter of fact there are many scriptures in the Bible that states that the Israelites look just like Africans. One major one is the Apostle Paul when he was in Jail he was mistaken for an Egyptian.

Acts: 35-38

35 When he reached the stairs, he had to be carried by the soldiers because of the violence of the mob.

36 For the multitude of the people followed after, crying out, "Away with him!"

37 Then as Paul was about to be led into the barracks, he said to the commander, "May I speak to you?" He replied, "Can you speak Greek?**"**

38 Are you not the Egyptian who some time ago stirred up a rebellion and led the four thousand assassins out into the wilderness?"

Even better than that look at what The Most High Himself said about you!

Exodus 11:7

But against any of the children of Israel shall not a dog move his tongue, against man or beast: that ye may know how that the LORD doth put a **difference between the Egyptians and Israel.**

We look like them but like God said we are not and so much as a Dog shall not move its tongue against us this means the other nations AND literal dogs or beasts. Now I know what you are thinking about the word Israel.

It was a man before it was a landmass here is the scripture to let you know that I am not talking about those lying hook nosed imposter that occupies our land at the moment. (More about them later).

Genesis 32: 27-28

27 And he said unto him, what is thy name? And he said, Jacob.

28 And he said, Thy name shall be called no more Jacob, but Israel: for as a prince hast thou **power with God** and with men, and hast prevailed.

Jacob had 12 sons these 12 sons represent the 12 tribes of Israel. Maybe you have seen this chart below or maybe you haven't either way you need to take a good look at it and ask yourself where you fit.

On the right side is what the world calls you and on the left is what GOD calls you. It goes by your father. For an example if your father is "African-American" then you would come from Judah etc.

I know when I first heard these names on this chart a light went on in my head and finally a missing piece in my existence had been found. I had researched my history and I always ran into a roadblock when I got to the year 1619.

I could never go back past that era and for good reason. The white man covered

it up and I mean well. Think about it this way if you owned slaves would you ever tell them that they were one of the most precious things ever to be created and that they had power with god?

This is why they would not allow you or your descendants to read the penalty for a slave reading was death in most cases. I made a statement earlier that they KNEW who they were grabbing from the west coast of Africa.

You have to be asking yourself if we are from Israel how in the hell did we “migrate” to the west coast something had to happen. You would be right! Let’s start in the Bible because Jesus said this would happen. Here is some proof.

The Destruction of Jerusalem; Our Homeland

[Matthew 24:15-25](#); [Mark 13:14-23](#)

20 And when ye shall see Jerusalem compassed with armies, then know that the desolation thereof is nigh.

(This is talking about Rome)

21 Then let them which are in Judaea *flee to the mountains*; (Egypt) and let them which are in the midst of it depart out; and let not them that are in the countries enter thereinto.

22 For these be the days of vengeance, that all things which are written may be fulfilled.

23 But woe unto them that are with child, and to them that give suck, in those days! For there shall be great distress in the land, and wrath upon this people.

24 And they shall fall by the edge of the sword, and shall be *led away captive into all nations*: and Jerusalem shall be trodden down of the Gentiles, until the times of the *Gentiles be fulfilled*.

There is a lot of meat in that scripture but this prophecy happened in 70 AD the reason why this went down was because we broke god's law and we had to suffer the curses in Deut 28.

We will be going over an entire breakdown of what exactly we are currently going through with the curses and also what has passed.

We are not Gentiles no matter WHAT your pork chop blaspheming church tells you. We are the natural branches. The time of the true gentiles is coming to an end. You are in one of the most amazing times in history I am so excited for you. Now In 70AD an historic event happened that set events

in motion that still are happening today. This is from a scholar named Rudolph Windsor, the books name is From Babylon to Timbuktu

“In the year 65 BC the Roman armies under General Pompey captured Jerusalem. In 70 AD, General Vespasian and his son Titus put an end to the Jewish state, with a great slaughter...many outrages and atrocities were committed against the residue of the people.

During the period from Pompey to Julius, it has been estimated that over 1,000,000 Jews fled into Africa, fleeing from Roman persecution and slavery. The slave markets were full of black Jewish slaves.” (p. 84)

That ladies and gentlemen that was the core of your [trans-Atlantic slave trade](#), and your [Sub Saharan Slave trade](#). 1 million of us needed a new home and we ran SOUTH through Egypt.

We would not have run north because Rome attacked from that direction. Now to hammer home that the Bible is indeed a true book it was prophesied centuries before hand. Also god tells you later in this same chapter what he plans to do with these nations that sold us like cattle to the white man (Esau).

Joel 3 – 6

3 And they have cast lots for my people; and have given a boy for a harlot, and sold a girl for wine, that they might drink.

4 Yea, and what have ye to do with me, O Tyre, and Zidon, and all the coasts of Palestine? Will ye render me a recompense? And if ye recompense me, swiftly and speedily will I return your recompense upon your own head;

5 Because ye have taken my silver and my gold, and have carried into your temples my goodly pleasant things:

6 The children also of Judah and the children of Jerusalem have ye sold unto the Grecians, that ye might remove them far from their border.

7 Behold, I will raise them out of the place whither ye have sold them, and will return your recompense upon your own head:

8 And I will sell your sons and your daughters into the hand of the children of Judah, and they shall sell them to the Sabeans, to a people far off: for the LORD hath spoken it.

What? Wait a moment who is the Grecians? That would be the white man (Esau, Idumea, Rome, Greeks, and Europeans etc.). As you can see The Most High is not too happy that his chosen people were treated the way they were.

They ALL will pay for the transgressions of their fathers. Casting lots means they sold us like cattle or products. On a side note we were the first commodity sold on the stock market.

When you look at yourself in the mirror I know what you see and you know something is missing. That sense of self that everyone who has a good life seems to have. You know the ones that look as though there is not a care in the world and they act like they are floating on a new drug called success.

But in contrast no matter how hard you try you cannot get past the starting gate? Or it seems that most days everyone looks at you as though you are not worth the air you breathe?

Now as I promised you I will show you who you are and put you on the road through the strait gate. You will be hurting angry and ready to throw your computer out of the nearest window but in the end after you calm down and realize who you are. You will be reborn with a new sense of self that only applies to you and the other tribes of Israel. The Most High has a plan to save his people as he did in Egypt. Its time you learn the greatest secret on this planet.

Blessings of the Most High

(Blessing & Curses of Deuteronomy 28)

Our epic story starts here we will endeavor together to shed some light on why we fell and what we left behind. In doing this you will know once and for all time who you and your family is according to God. This you will need to share with your family friends and children. You will learn the choice that changed us forever.

You see, you were supposed to be kings and priests, princesses. A special people set apart for God himself. Here is a scripture to back up what I am saying in the NEW TESTAMENT.

1 Peter 2:9

9But ye are a chosen generation, a royal priesthood, an holy nation, a peculiar people; that ye should shew forth the praises of him who hath called you out of darkness into his marvelous light.

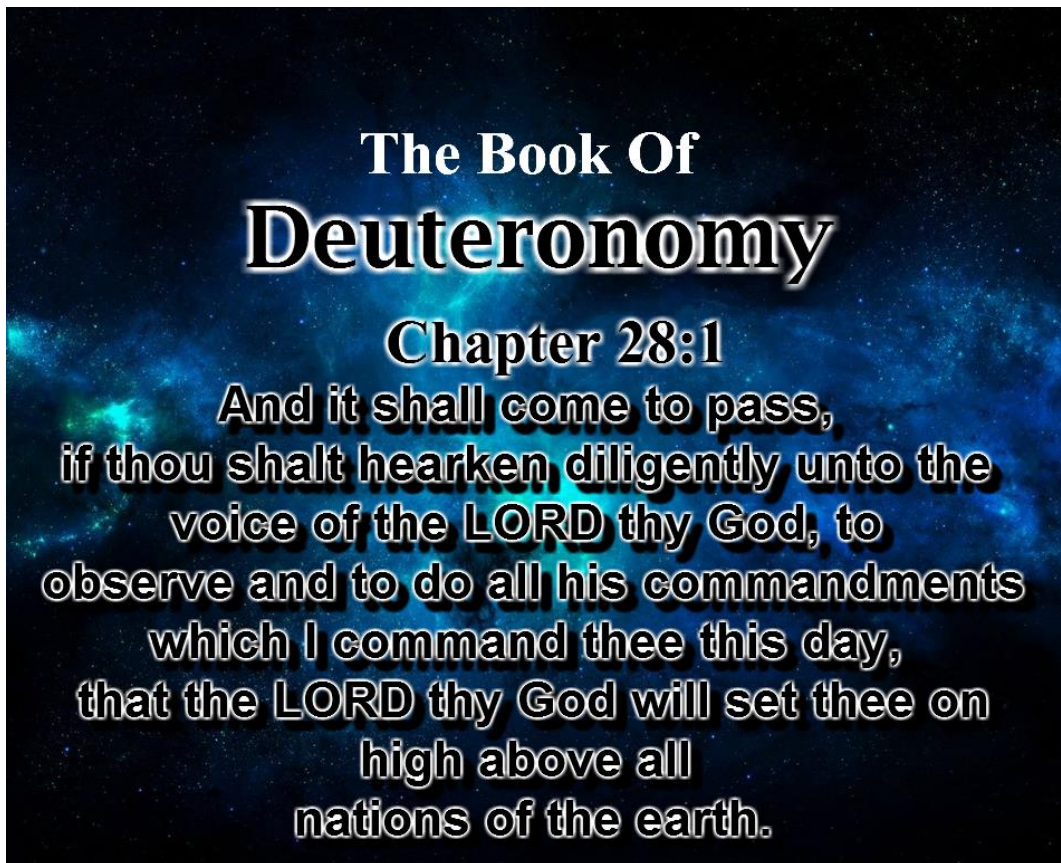

As you can see we are a chosen people to The Most High. A nation of royalty and we were supposed to praise him and not be like everyone else. You again have been called out of the darkness of the ghettos and the inner cities of sin to serve the most high once again.

You see not everyone was with Moses when he came down with the 10 commandments (See Deut 1:1) It was just us Israelites and the strangers that ran out with us when The Most High decided to free us from the clutches of Pharaoh.

We are under a new slave master now and a Pharaoh that doesn't have the standard chariots of old but now he has Drones and IBM missiles, We are under mental bondage also where everything you see touch smell is an abomination.

Don't believe me? Here are a few examples. GMO's, Engineered Race Specific Plagues (See Aids Ebola), Pork, Porn, brainwashing lying churches. The list goes on and on, King Solomon put it best there is no new thing under the sun. We are repeating history on a scale you can't imagine.

Open your Bible Yeah I mean actually OPEN it and do what the Bible commands, you to do and READ along with me. If it be the Most Highs Will you will wake up. There will be a verse by verse breakdown of the curses and the blessings.

Ok here we begin as you can plainly see God said if we listen to him we would be the top nation on the earth. Not only that we would be above ALL people on the earth.

If you look in the streets right now in any ghetto or even a suburb for every rich brother out there is almost double the amount of rich Edomites or other nations around doing much better and that is in every facet of life. We do not even own businesses in our own communities... It's safe to say that

we did not listen to the most high when it came to this simple commandment.

“On high” means ruling class political financial and social structures. We would write the programs for others to be on section 8, welfare,

W.I.C, etc. We would run this world in righteousness instead of the current Babylon the Great.

This is just the FIRST blessing, wait till you see the rest of these. This was promised to us. When Jesus (Yahawashi) returns there will be order once again. The reason why there is so much division and crime in our lives as black men in this society is this was NEVER our land. To further back up this point look what The Most High said about us earlier in the same chapter.

Deuteronomy 7:6

6For thou art holy people unto the LORD thy God: the LORD thy God hath chosen thee to be a special people unto himself, above all people that are upon the face of the earth.

I went to church for years and I never and I mean N E V E R heard this read. I always trusted the preacher to tell me what I need to know but I was fooled.

You see what I highlighted? It's there again ABOVE all nations, ladies and gentlemen that is not equality that is straight up raw favoritism and it's not the first time he's said it. God chose us he chose YOU to rule this earth.

We did not want it though. At every turn we burned the most high with our lusts to be like the heathens. We will hammer that in another section later but here is one more commandment god said for us NOT to do and we did it anyways.

Leviticus 18

1And the LORD spake unto Moses, saying,

2Speak unto the children of Israel, and say unto them, I am the LORD your God.

3After the doings of the land of Egypt, wherein ye dwelt, shall ye not do: and after the doings of the land of Canaan, whither I bring you, shall ye not do: neither shall ye walk in their ordinances.

4Ye shall do my judgments, and keep mine ordinances, to walk therein: I am the LORD your God.

5Ye shall therefore keep my statutes, and my judgments: which if a man do, he shall live in them: I am the LORD.

In Egypt they had over 360 Gods at that time not counting all the evil rituals they used to perform. They had laws that were made strictly against the Israelites. They ate just about every abomination known to man (we have a dietary law), and God told you (before the 10 commandments) do not follow their customs.

We were given laws by the most high and we were supposed to rule them. The Most High destroyed Pharaoh and his legion. You would think if the savior of the Israelites said to do something you would DO it. This was a COMMANDMENT!

Now let's bring this to today 2015.

The new Pharaoh (president) says it's ok to be Gay and for a man/man marriage and woman/woman marriage. As a matter of fact if a church says they will not marry the couples they would strip their government funding.

God said if a man lies with mankind as he does a woman both of them have committed an abomination they shall surely be put to death. But Egypt said it's an "Alternative Lifestyle". Here are just a few of the complications that lesbian women or gay men suffer.

- ⇒ **HIV**
- ⇒ **DEATH**
- ⇒ **Herpes, infections**
- ⇒ **Gonorrhea, chlamydia and syphilis.**

GOD warned you in:

Deuteronomy 28:61

“Also every sickness, and every plague, which is not written in the book of this law, them will the LORD bring upon thee, until thou be destroyed.”

You see your enemy makes unlawful laws to get you to sin. Because the LORD chose you and they know and are jealous. If you break the cycle and come back to the LORD he will do to Babylon the Great like he did Pharaoh. Choose ye this day whom you will serve, because no man or woman can serve 2 masters.

The Book Of Deuteronomy

Chapter 28:2-3

2. And all these blessings shall come on thee,
and overtake thee, if thou shalt hearken
unto the voice of the LORD thy God.

3. Blessed shalt thou be in the city,
and blessed shalt thou be in the field.

Overwhelming Blessings from God, “If” WE listened to Him!

This blessing might seem straightforward but look closely at the wording. It says these blessings will “over take you”. This means that you will have so much success in anything you try that it would be an overabundance. I will give you an example you can relate to today. You would have 1 million dollars and you play the lotto and win another 10 million.

Then while you are going to go get your winnings, you would stop at a gas station to fill up and you would buy a scratch off and win a new car. Then while walking out of the gas station you would get a call on your phone to

find out someone wants you to help with a new multiplex building and be partners.

Now you might say that is a little overboard but read the verse carefully it says the blessings would come at a furious pace.

Nowadays in 2015 most of us are struggling to even rub 2 quarters together much less get blessings like this. But see yet again we gave this up like we still do to this day to follow after customs that are not for us. We spend money we do not have and we waste the little we do have on things that do not profit us in the least.

One example like these pagan holidays we do every year. One good example of this is Christmas Jesus was not born at the winter solstice but you know who was? Nimrod and he was Hamite that was evil through and through. December 25 is HIS birthday.

You keep going to your enemy begging him for blessings when he is the one who put you in chains and has you in mental slavery today. Some of you are Catholics and you go bowing to a heathen that slaughtered millions in the name of the cross. The book of Joshua says how to be prosperous and it is quite simple.

Joshua 1:8

8 This book of the law shall not depart out of thy mouth; but thou shalt meditate therein day and night, that thou mayest observe to do according to all that is written therein: for then thou shalt make thy way prosperous, and then thou shalt have good success.

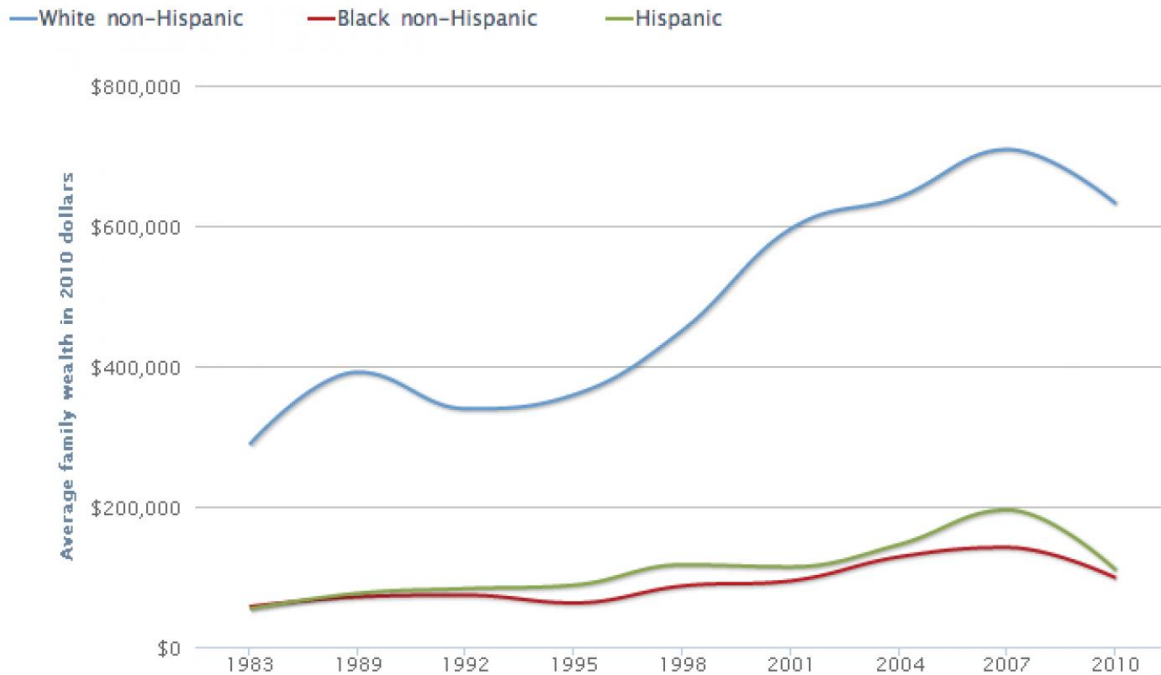

Do you see that? This is the one of the many blessings the lord promised us. We do not know what good success is now in this day and age. We think the mere idea of getting a 20 cent an hour raise is making it up the ladder. God said if you listen to me then will I make your life prosper.

Verse 3 is probably one of the shortest blessings but one of the most powerful. Jobs and business ownership has been and will keep getting worse for Blacks, Hispanics and Native Americans. Here is a chart and some stats.

"The wealth gap between minorities and whites has not improved over the past three decades," [reports](#) the Urban Institute. "From 1983 to 2010, average family wealth for whites has been about six times that of blacks and Hispanics — the gap in actual dollars growing as average wealth increased for both groups."

And the Great Recession exacerbated that gap, as blacks and Hispanics were hit especially hard.

AVERAGE FAMILY WEALTH BY RACE AND ETHNICITY, 1983–2010

Things have gotten worse not better since then and we still will not turn back to the most high. You were not supposed to be in the situation you are in. You were supposed to own the farms and agriculture etc. Most people in urban neighborhoods are more afraid of the average brother or sister that

looks like them. We oppress one another when we are all suffering the curses.

This blessing alone would have made life a lot easier and manageable. At one point we did have some communities with our own businesses (Like [Black Wall Street](#)). If you haven't heard the story it's a shame because roughly 60 years out of Jim Crow laws and into the depression we were blessed with a major business establishment and communities that were thriving.

The white communities got jealous and decided that we had too many nice things and decided to drop dynamite on houses and businesses via planes. Imagine that and you march with these people as though they support you in any way shape or form. God said trust in him, keep the commandments and you will own cities and fields of produce.

The Book Of Deuteronomy

Chapter 28: 4

**Blessed shall be the fruit of thy body
and the fruit of thy ground,
and the fruit of thy cattle
increase of thy kine, and the flocks
of thy sheep.**

Fruit of the Highest Blessings

This next blessing is deep because on the surface it looks pretty basic but if you dig deeper this is a major blessing. The fruit of your body is talking about your children would be insanely healthy. Let's remember who's giving these blessings and you are his "chosen". This means no diseases no cripples and absolutely no mental illnesses. For generations after generation.

If you look today more of our youth have little to no protection from certain ailments. In addition vaccine shots are a risky bet because those medical

cocktails can place unnatural properties in your body. Symptoms usually show up years down the line.

The Most High said I will bless your children and you can bet if god himself is doing it you would never need man made vaccines. Moses and the other prophets did not have this but most of them lived 100's of years or in some cases past 800.

There is a remnant of this blessing on the children of Israel now. Do you think it's just by chance anything we put our hands on we DOMINATE? Have you seen basketball before blacks started lacing up? Have you not heard of how this world would look if we did not invent half the things we take for granted on a daily basis? Again we are the salt of the earth.

- **We cook the best**
- **We run the fastest**
- **We workout less but have bodies people pay top dollar for**
- **Instead of catching skin cancer from the sun we turn it into vitamin D ([See Melanin](#))**
- **We fight the best with less training**
- **Everyone copies our music**

And this is a short list the most high has left a remnant of this on you to show the world who you are. This blessing also extended to your livestock and other farm animals. There would be no need for genetically modified poultry or abomination hybrids.

God made everything with a purpose and it was perfect in the beginning. They say that they do not do genetic modified meats "at the moment" but ask yourself if you already eat seedless grapes how long till chicken that tastes like pork?

Here is an article on the subject of the [GMO's of 2015](#). You will see for yourself where things are headed. God said we wouldn't ever need to use/eat foods that were not blessed by him. Along with this since we do not own any farms to speak of we are at the mercy of what's on the labels.

So we pray and hope for the best. I have recently started growing my own herbs and I tell you now it's one HELL of a different taste than store bought. God made things perfect the first time it took science to pervert his creations into things that are not meant to be.

Our kids were supposed to be perfect every last one of them. Even our livestock would have extra health benefits and this includes our crops. The Most High doesn't break promises blessings or curses.

The Book Of **Deuteronomy**

Chapter 28:5 - 6

5. Blessed shall be thy basket and thy store.

**6. Blessed shalt thou be when thou
comest in, and blessed
shalt thou be when thou goest out.**

Storehouse of Yah's

Blessings & Safety

Ok moving on with these amazing blessings the lord promised us. All these promises were told to us after we were given the commandments earlier in the chapter. Moses is speaking to the children of Israel only (See Deut 1:1).

All of us have felt the pinch when buying groceries nowadays and it will get worse. With prices rising and government programs being cut you can

imagine the chaos that is about to unfold. When people are starving the worst comes out due to hunger and depression from not being able to provide for yourself and your family.

I can only speak for myself on this one but sometimes I would go to Kroger when I lived in TX and would see people with jam packed carts and not blink an eye at the costs. It was always some ultra-rich superstar who lived in down in the Irving area or another exclusive area. They would pull out their wallets and they had more plastic than a Barbie factory. I used to get upset at that but now I understand it fully.

In chapter 5 and 6 this is basically saying you would have full baskets if you needed to buy anything and would have plenty to spare. Verse 5 is also again talking about your farms we used to of course pick our veggies and have mass abundances.

When we kept God's commandments he would bless us with baskets that had more surplus than we needed. In fact we had so much that we could give tithing to the Levites and not suffer one bit.

This allowed us to feed the poor and needy among us. We never were supposed to be struggling to place milk and food on the table.

Now today in 2015 we are dependent on our enemies for everything. Go to a soup kitchen or homeless shelter and look at the people that are in that line. Most of them are Israelites and do not know that ALL they have to do is repent and come back to The Most High.

The church is and was responsible for helping the weak and needy among us. They preaching communities make roughly 420 BILLION a year combined. The wickedness that they do shall be judged and none that destroy the church shall survive the return of the Savior.

Also verse 6 goes into personal safety because nowadays as I said before the crime rate in our cities is a nightmare and we get no breaks from the police either. Every day is a struggle to get to ends meet. GOD said trust in me, keep my commandments and you will be safe. As a matter of fact he said this

Proverbs 16:7

“When a man's ways please the LORD, he maketh even his enemies to be at peace with him”.

You see when we follow the lord's commandments the lord even makes our enemies leave us alone in peace. Are you not tired of turning on the news and seeing a new brother/sister gunned down? Did you even know that was in the Bible?

We would be under the protection of the Most High. In addition we would be prosperous in everything. We need this blessing back if nothing else we would not have fear of our own people. (Although we have been programmed to hate ourselves more on that later)

This is also a great blessing because we would be owners today of the Walmart's and Kroger's and major agricultural farms. We need to understand that we are at the bottom now and we have to buy everything. The Most High said that we would have enough farms and money to never have to want for anything.

Our father in this blessing said OUR stores would be blessed and through this the world would buy their supplies from us.

This blessing we sorely need today because this blessing would have cured us of any poverty. This blessing would have also been permanent as long as we followed his ways.

The Book Of Deuteronomy

Chapter 28: 7

7. The LORD shall cause thine enemies that rise up against thee to be smitten before thy face: they shall come out against thee one way, and flee before thee seven ways

Enemies Fear of the Chosen Seed;

Blessings of Ultimate Power

Imagine this you get attacked from behind in an alley and some fool thinks that he is going to rob you or worse. You turn to look at grab him by the throat and lift him off the floor. As he is gasping for air he is wondering why “Oh WHY did I pick on an Israelite?”

As he looks down at your face as you glow with a power of righteousness and fury of the Most High. You turn your head and realize that the idiot brought 5 other friends to help get the job done. As you smirk at those heathens with the smile of “You fools picked the wrong one today”!

They run from your presence as fast as their boots will move them, and all you reply is All Praises to The Most High. Now as you still got one heathen in your grasp you notice that the poor man has just had an “accident” in his pants and he is in need of some refreshing. You release him and the only thing you hear from him is crying and gnashing of teeth as he runs for his life. And all you reply is “pitiful”.

This is not fantasy this would be one of the blessings the Most High granted us our spiritual and Physical power. This was just you in this scenario imagine 10 or 100 of the same commandment keeping Juggernauts. Situations are like this all over the Bible including Elijah calling down huge amounts of fire. People did not mess with God’s Anointed people for GOOD reason. Here is a precept to help you to understand I am not making this up

Leviticus 26: 8

8 And five of you shall chase an hundred, and an hundred of you shall put ten thousand to flight: and your enemies shall fall before you by the sword.

Do you see what God said about the power you would yield? Do you not see how far we as a nation have fallen? We argue over street cred and fight one another for material possessions. The Most High said point blank your true enemies would run at the mere sight of 5 of us. Today in 2015 more and more men are becoming effeminate and very soft. Society and church says "Come as you are" the Bible doesn't say that at all.

Remember all of this is after the 10 commandments were heard (actually It was 613 but Moses had to take over). God says the Shepherd of my flock are MEN not men trying to be women. Who are you going to scare with some mascara on with a pink tee-shirt and a softer voice than Michael Jackson? As long as you keep listening to Pastor Pork chop Abomashrimp you will never receive this blessing.

I for one want to help you to understand that all these gifts and more are STILL on the table for you to receive but you need to know who you are. Let this blessing sit on your mind for a while and think to yourself.....wow. I for one am fighting to get this back.

The Book Of Deuteronomy

Chapter 28: 8

8. The LORD shall command the blessing upon thee in thy storehouses and in all that thou settest thine hand unto; and he shall bless thee in the land which the LORD thy God giveth thee.

Blessing Of Never Ending

Goods & Surplus

Are you starting to see a pattern here? For his chosen people (The Israelites) the most high destroyed Egypt and many others because he loved YOU! He would of gave more also that kind of love is not in the world today if you just wake up this earth will once again be ours! Now there is plenty of meat on this scripture. Your church will never go over this but the Most High lead you here to see.

It says your storehouses would be blessed by the LORD himself. How many grocery stores do we own? Do you know any mom and pop stores that are killing it? Yet again the heathen sell you everything and are getting filthy rich doing it. Tell me what business is a Korean in our neighborhood making better chicken than us? You need to open your ears and eyes and see the sickness around you. This is what the prophet Ezra (Esdras in the Apocrypha) and God said in a conversation with one another.

2 Esdras 6: 55-59

55. All this have I spoken before thee, O Lord, because thou madest the world for our sakes

56. As for the other people, which also come of Adam, thou hast said that they are nothing, but be like unto spittle: and hast likened the abundance of them unto a drop that falleth from a vessel.

57. And now, O Lord, behold, these heathen, which have ever been reputed as nothing, have begun to be lords over us, and to devour us.

58. But we thy people, whom thou hast called thy firstborn, thy only begotten, and thy fervent lover, are given into their hands.

59. If the world now be made for our sakes, why do we not possess an inheritance with the world? How long shall this endure?

Now you can get mad all you want to but the truth is the truth. This is one of those gut check time. The most high is not dealing with the other nations only us. There are many scriptures to clarify that point but bottom-line you see the WORLD was made for us. This will not and cannot be read in any church controlled by Satan because this will ruin their tithing money.

Just in case anyone gets simple minded the 1611 Bible had and currently has the Apocrypha in it. The Christian Protestant Church decided to remove it for verses like this. Here we do not run from the Bible we embrace ALL the word of the most high. Read on if you want to learn more.

Now Esdras asked a pivotal question of god that he needed to know. Don't take mine and Esdras word for it walk outside and don't say anything and watch. You have to ask yourself. If we own the world WTH is going on in 2015? Because we do not own a bucket of water or a window to throw it out of. Yeah the lord gave us land alright the ENTIRE planet is supposed be under our dominion and we are supposed to be able to pass it down throughout our generations forever.

Another part in Deuteronomy 28:8 is whatever we placed our hands to do the lord would bless us. Meaning you would never have to work hard to receive blessings and you would be successful no matter what you did. Now that is a prosperity gospel I can get behind. When I say work hard I don't mean shoveling dirt or hammering nails that work was for our "handmaids" and Servants".

The extent of our work would have been just checking on things and keeping order and people motivated. You ever see the CEO's that always are taking 5 star vacations with no worries on the cost?

That would be us and I can't wait till we can do this thing. Right now we work to eat and we don't have many choices to eat healthy because the price is so high. Again we would own it ALL. This is one blessing I can safely say would immediately change our entire dynamic as a people.

The Book Of Deuteronomy

Chapter 28: 9

9. The LORD shall establish thee an holy people unto himself, as he hath sworn unto thee, if thou shalt keep the commandments of the LORD thy God, and walk in his ways.

We Are United As Israelites under the Most High

Here is the next blessing the lord said he would grant us and in my opinion one of the most powerful. It's saying the lord would ESTABLISH us as a holy people. This is what Establish means.

Establish

- 1. to cause (someone or something) to be widely known and accepted***
- 2. to put (someone or something) in a position, role, etc., that will last for a long time***
- 3. to begin or create (something that is meant to last for a long time)***
- 4. to institute (as a law) permanently by enactment or agreement***

This is deep because one of the many definitions is that we would institute laws. We do not do that today with all the laws such as Stop and Frisk, also Stand Your Ground etc. We did not come up with these laws and they go against the Bible. These heathens make laws that benefit them and make it so we are afraid to even blink at a policeman.

GOD said if we follow his commandments we would make the laws we would make the other nations stand in line with the Bibles rules or be smashed. There would not be the shady back room deals to let guilty walk out of jail with not so much as a hand slap. People would come to us for judgment. Once again the Bible brings this out in plain sight look at this.

Zechariah 11-5

5. Whose possessors slay them, and hold themselves not guilty: and they that sell them say, Blessed be the LORD; for I am rich: and their own shepherds pity them not.

You see this is why the Bible is the strongest book on the planet. Look at what this is saying and think how many cases just in 2015 came out not guilty where a white man killed a black man and got off Scot free. We are STILL in the land of our captivity yes you are still here paying for what your forefathers did all those years ago when Moses talked with us.

Your enemies say blessed be the lord for I am rich. I want to hip you to something you probably already know. No one can rise above their people and that's a hard fact. Yes we have rich people among us and yes plenty of us look up to them for inspiration and hope but this is wrong. God said trust in me but plenty of us trust in man.

Although they are rich what have they done really to uplift our people? Remember they are still slaves to the ones cutting their checks. I've said this many times if all of our millionaires got together and said ENOUGH. We could buy enough land to start building our own empire. It will never happen due to greed this is another reason why the black messiah's return is so important. A righteous kingdom will be established once again.

Did you know Satan can also bless you with prosperity? I know I was shocked when I first heard it you need to read this scripture closely.

Luke 4:5 - 7

5 *And the devil, taking him up into a high mountain, shewed unto him all the kingdoms of the world in a moment of time.*

6 *And the devil said unto him, all this power will I give thee, and the glory of them: for that is delivered unto me; and to **whomsoever I will I give it.***

7 ***If thou therefore wilt worship me, all shall be thine***

I know you thought only God could give blessings but God gave the devil that ability also. Meaning if you are NOT keeping the commandments and getting blessings it can only come from one other source. Here is a script to hammer it home. Think of your entertainers today do you truly believe they are serving God?

1 John 3: 21- 22

21 *Beloved, if our heart condemn us not, then have we confidence toward God.*

22 *And whatsoever we ask, we receive of him, **because we keep his commandments,** and do those things that are pleasing in his sight.*

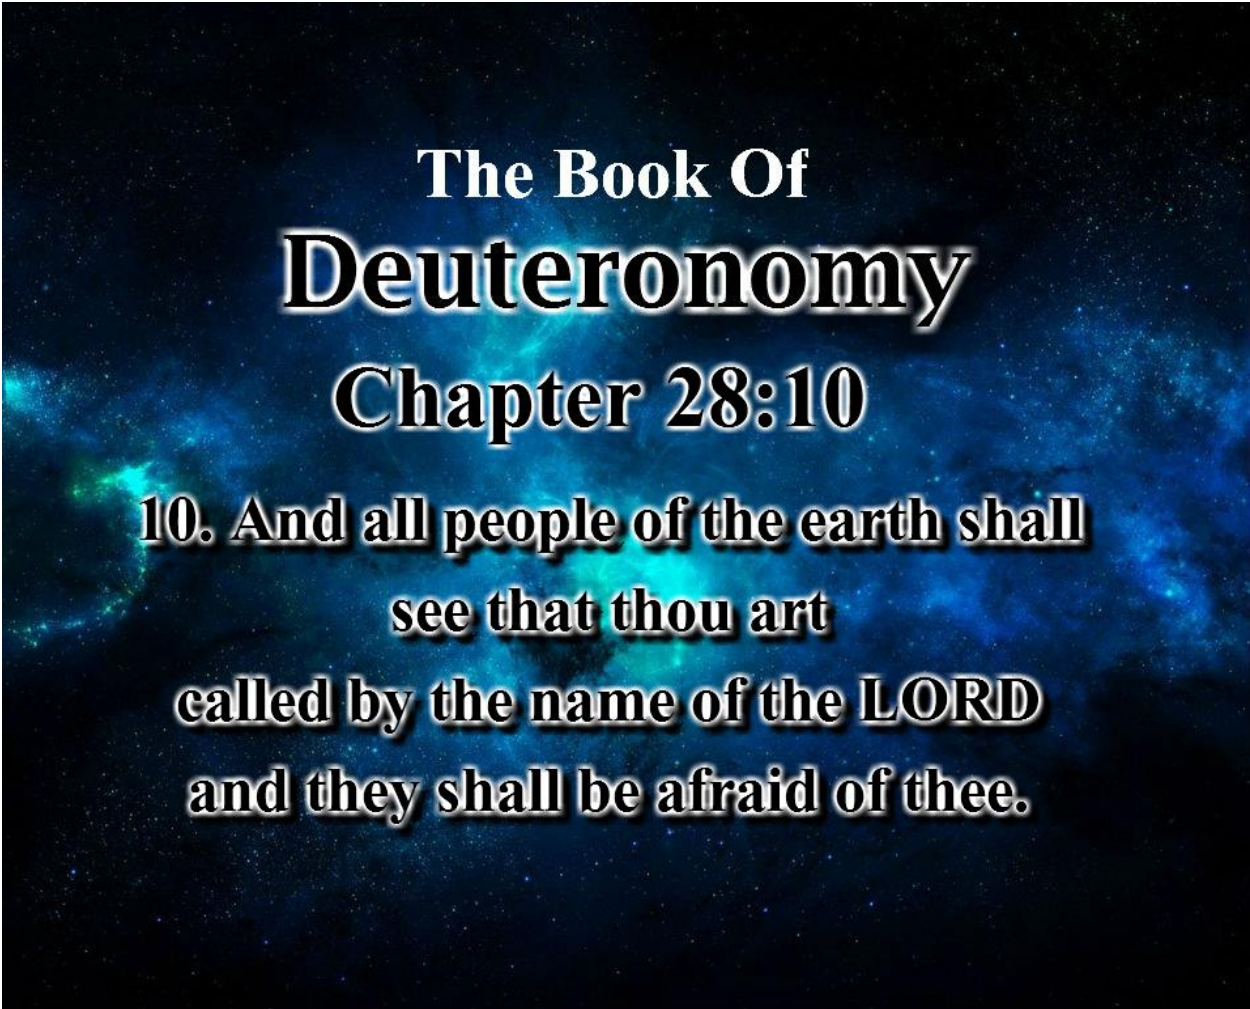

The rich establish wicked laws and policies and realize whom they serve. The Bible says none can serve 2 masters. God said if we kept his commandments we could ask him for anything and all the kingdoms of the earth would follow the righteous laws we set forth.

The last part of Zechariah says their shepherds pity them not. These preachers are leading you into a death snare and you cannot even see it. Whenever we get killed in the streets you can bet your local pork chop express pastor will be front and center trying to calm us down. (Look what happened in hurricane Katrina).

Or someone's momma gets slaughter by a psychopathic Edomite and has the nerve to go on to say "I forgive them". The brainwashing has to stop and hopefully for you it begins today. Then they had the gall to bring the

murderer to a Burger king because he was hungry from all the killing he just did.

These laws here are not established for us they are made against us. It has been this way since we decided not to listen to GOD. Every one of god's laws he gave to us so we can live but most of us choose death.

**The Book Of
Deuteronomy
Chapter 28:10**

**10. And all people of the earth shall
see that thou art
called by the name of the LORD
and they shall be afraid of thee.**

**Israel Prince's & The Kings of the
World**

Now we are on to another blessing that few know about. You are a child of Israel and God named you something special. Not Johnson, Smith, Nathan or any other slave name you wish to insert there. The Most High named you Israel Here is the Scripture to show you.

Genesis 35: 10 – 11

10 And God said unto him, *Thy name is Jacob: thy name shall not be called any more Jacob, but **Israel** shall be thy name: and he called his name Israel.*

11 And God said unto him, *I am God Almighty: be fruitful and multiply; **a nation** and a company of nations shall be of thee, and **kings** shall come out of thy loins;*

See there that is plain so Jacob got his name changed from Jacob to Israel to be a man before it was a landmass. It says he would give birth to a nation these were ISRAELITES. Jacob had 12 sons as you seen from the other chart.

Right now in America or wherever you are reading this from you got more names than we can count but at that time we were called Israelites. We are waking up now in these last days and your enemies know it. They changed ALL of our last names to brand us as property and you still carry that badge to this very day.

What's worse is an evil heathen has stolen your legacy and called themselves you! Israelis are NOT Israelites. When you think Israel you think white but that's not right. Israel is brown to the ground. (More on that later)

We were supposed to be a wise and brilliant nation and want for nothing. Nowadays all we know is the streets. We used to chart the stars planets and knew amazing secrets to us was common knowledge. Now knowledge is not that common.

The nations fear one thing only and that is The Rise of the Israelites. Because once 144,000 of us wake up it's a WRAP for these oppressors. Once the laws are sealed in our heads and we become a nation again we get to go home again. The Angels and all the souls that have sacrificed themselves for this truth are waiting. Look for yourself

Revelations 7: 1-8

2And I saw another angel ascending from the east, having the seal of the living God: and he cried with a loud voice to the four angels, to whom it was given to **hurt the earth and the sea,**

3 Saying, Hurt not the earth, neither the sea, nor the trees, till we have sealed the servants of our God in their foreheads.

4And I heard the number of them which were sealed: and there were sealed an hundred and forty and four thousand of all the tribes of the children of Israel.

5Of the tribe of Judah were sealed twelve thousand.

Of the tribe of Reuben were sealed twelve thousand.

Of the tribe of Gad were sealed twelve thousand.

6Of the tribe of Asher were sealed twelve thousand.

Of the tribe of Nephtalim were sealed twelve thousand.

Of the tribe of Manasses were sealed twelve thousand.

7Of the tribe of Simeon were sealed twelve thousand.

Of the tribe of Levi were sealed twelve thousand.

Of the tribe of Issachar were sealed twelve thousand.

8Of the tribe of Zabulon were sealed twelve thousand.

Of the tribe of Joseph were sealed twelve thousand.

Of the tribe of Benjamin were sealed twelve thousand.

Now what was the thing that needed to be sealed in their foreheads and who are God's Servants? Here is the seal

Ezekiel 9:4

***4*And the LORD said unto him, Go through the midst of the city, through the midst of Jerusalem, and set a **mark upon the foreheads** of the men that sigh and that cry for all the abominations that be done in the midst thereof.**

And here is God's Holy Servants

Isaiah 44 1:2

1*Yet now hear, O Jacob ***my servant; and Israel, whom I have chosen:**

***2*Thus saith the LORD that made thee, and formed thee from the womb, which will help thee; Fear not, O **Jacob, my servant**; and thou, **Jesurun**, whom I have chosen.**

You see the angels are waiting for US to get right and return back to the Most High. All things will be set right for us and all these other nations shall see final who the real children of Israel and shall shake with fear. God will fight for us once again and the world will be refreshed. They shall see our transformation and see us stand as one with Jesus (Yahawashi) our king.

In addition they all at once shall look at one another and think to themselves ...we made a grievous error we enslaved God's chosen. They shall remember this verse

Revelations 13:9

9 *If any man have an ear, let him hear.*

10 *He that leadeth into captivity (Slavery) shall go into captivity: he that killeth with the sword must be killed with the sword. Here is the patience and the faith of the saints.*

This is why they never read this in church because this hasn't happened yet but it's coming soon. It says they MUST go into slavery it doesn't say maybe or could. Just in case you were wondering who the saints are (And no I am not talking about the New Orleans Saints).

Psalms 50: 5

5 *Gather my saints together unto me; those that have made a covenant with me by sacrifice.*

God's chosen Saints are Israelites because they are the only ones named by him and made special to him. Also they are the only ones that made a covenant by sacrifice **PERIOD.** God throughout the Bible is very possessive when it comes to his saints. This begs a question if the 12 tribes of the nation of Israel are supposed to be the priests or saints who are all these other preachers and who do they work for?

When we come back to the laws and commandments of God the nations shall fear us again..... Just ask around Egypt or Sodom and Gomorrah see if they ever recovered. America is called Sodom and Egypt hmm food for thought.

**The Book Of
Deuteronomy
Chapter 28:11-14
(Hot Points Of These Verses.)**

**.The Lord Promises you
Unlock His Treasure
. We shall Lend Cash to Many
Nations And More!**

**The Treasure Keepers of the Most
High**

We will summarize these last few verses of blessings and try to bring it up to today. When you get time you can read more carefully about these awesome blessings but we will take the hot points and go from there.

Deut: 28: 11-14

- **Verse 11** = and the LORD shall make thee plenteous in goods.
- **Verse 12** = The LORD shall open unto thee his good treasure. Bless all the work of thine hand: and thou shalt lend unto many nations, and thou shalt not borrow.
- **Verse 13** = And the LORD shall make thee the head, and not the tail; and thou shalt be above only, and thou shalt not be beneath
- **Verse 14** = And thou shalt not go aside from any of the words which I command thee this day, *to the right hand*, or *to the left*, to go after other God's to serve them.

Ok Now we are getting to the end of these blessings and you shall see what we were supposed to be versus what we have become. In verse 11 it is saying that we would be plenteous in in goods. That means products of all sorts and this includes inventions and new innovations to better the world. As it sits today some of the inventions and improvements that this planet has is due to our hard work and effort but we never got credit.

We have always been a smart and civilized nation It wasn't until the USA made us niggers and thugs did we forget who and what we were capable of. Now to show you some proof of what we were before the slavers got us. This is taken from Babylon to Timbuktu they did NOT grab dummies from the West Coast of Africa. Page 90

The black Jews had an advantage over the African tribes: they carried their culture, history, laws, and written records with them; this assured them a constant precedent for the development of a higher social organization. Because of the stability of the black Jewish culture, the Jews were not absorbed into the autochthonous population. In fact, the Jews absorbed some of the native tribes. The Jews made use of

every opportunity; they were an industrious and skillful people: In the Jewish Ghanaian states were found kings, princes, governors, generals, secretaries, treasurers, revenue agents, judges, architects, engineers, doctors, historians, language interpreters, mathematicians, jewelers, sculptors, masons, carpenters, painters of art, goldsmiths, leather-workers, potters, armorers, saddlers, blacksmiths, agriculturists, etcetera.

You see they killed the older aged first generations of slaves but they got these skills from us first. Then they made the young men into breeders and the women into harlots (Hoes).

They didn't take bone in the nose dodo chucking dish lipped Africans. I told you we were the salt of the earth. Now do you understand how within a short time the Americas became a superpower?

All this knowledge was ours to grow our community. Black Hebrew Jews had empires in Africa. We had plenteous society but again we messed up And I mean bad. There are fragments of these blessings here and there within our people but not like it is supposed to be. Not in nationhood. This blessing was one of the critical ones that would help our people. We don't as a nation have these skills like we used to.

On to the next blessing which is in verse 12 the lord shall open up his treasure. This could be a lot of different things but I do know there are secrets that have been lost with time due to us not following God's laws. Amazing secrets, and messages that was written in the stars. We had the ability to know what all herbs and medicines that would cure us and make us healthy. We never would have had a need for a pill cure that has more side effects than benefits. There are still precious minerals on this planet that we do not have access to.

We have depths of the sea that have not yet been seen. Just think of the higher knowledge that has been kept from us because we turned our back on the most high. God promised this blessing to us and we did not want it.

Revelation 21: 18 – 21

18And the building of the wall of it was of jasper: and the city was pure gold, like unto clear glass.

19And the foundations of the wall of the city were garnished with all manner of precious stones. The first foundation was jasper; the second, sapphire; the third, a chalcedony; the fourth, an emerald;

20The fifth, sardonyx; the sixth, sardius; the seventh, chrysolite; the eighth, beryl; the ninth, a topaz; the tenth, a chrysoprasus; the eleventh, a jacinth; the twelfth, an amethyst.

21And the twelve gates were twelve pearls; every several gate was of one pearl: and the street of the city was pure gold, as it were transparent glass.

This is a glimpse of what the kingdom will look like. You cannot even fathom what mysteries and treasures are there. This is what awaits those that keep the commandments and the faith of Christ. You are an Israelite and your gifts await you.

Now on to the next blessing which is Verse 13 this goes into eternal dominion on this earth. This means ultimate ruler ship. If you look at some of those old movies of the bigger than life mansions with all the servants and want for nothing ever that's what it's like. Today in 2015 you don't even rule your households with all the drama you can handle aren't you tired of that? Our people are being locked up faster than they are born. You enemies are ruling over you EVERYTHING is upside down. Your slave master knows this.

Every time you march with them or defend them they laugh inside and say "Haha we still got them!" You are marching with the same people that lynched you and persecuted you, if it was not for god's grace we would have been extinct. This is who you are marching with and asking justice from.

Here take a closer look at their faces!

They think this is funny they believe this is normal. You need to really “examine” their thought process. Becky doesn’t care about you. Now god said you would be the head forever. If you were the head and free would events like this happen? Now you might say that was a LONG time ago. Really? These are the descendants of those same people in those photos.

I am here to cry out lough and not spare your feelings. It’s like a truck coming to down the road to hit one of your young ones. Would you say in a whispering voice “hey look out” or MOVE YOUR ASS NOW! God made you to RULE not to be anyone’s fool and Coon. We are in the last days people wake up WAKE UP!!!!

Finally God said in verse 14 if you would but listen to him earth power glory and anything else I missed would be yours. Even those it’s obvious we did not listen to him. We are paying for the transgressions (breaking of god’s

laws all 613) that we made today and now you shall see the best kept secret ever.

We shall prove that you are an Israelite. I will not lie to you this next section will be hard to get through, but you must endure until the end. I cannot give you the kingdom everyone must search out their own salvation with fear and trembling.

When I first heard these curses they cut me to the core because it fits the gap in my legacy. I got pissed then I got tore up drunk and sad because of what had happened to our people. Then I realized that these curses were a blessing in disguise. What do I mean by that? I know it sounds maddening but I will let the scripture speak.

Deuteronomy 28: 46

46 And they shall be upon thee for a sign and for a wonder, and upon thy seed for ever.

I know we are jumping ahead but you need to read this carefully. When I read this at first I didn't fully get it, and the gravity. We will hammer this here. A sign shows you what something is like a label this is how you identify things today, or find something, or someone. God knew we would fall off in these last days so he said through Moses I would place these labels on the children of Israel forever.

This is when a light bulb went off in my head because I realized in order to be an Israelite you needed to fit these curses. If that is the case the blessings are still on the table because we never claimed them. Also this marker (Curses) would root out anyone claiming to be us.....

This means someone is lying on this planet, because the brothas I know never called themselves Jews or Israel. These in the photo are called Khazar Empire, Israelis, or “Jewish” for short. The suffix -ish means like or similar. Not the original just a copy. Jesus said this in Revelation

Revelation 2:9

9I know thy works, and tribulation, and poverty, (but thou art rich) and I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan.

Then Jesus said the same thing AGAIN because he knows that we are a stiff necked people, and need to hear or see something 2 times or more before we get it.

Revelations 3:9

9 Behold, I will make them of the synagogue of Satan, which say they are Jews, and are not, but do lie; behold, I will make them to come and worship before thy feet, and to know that I have loved thee.

Now do you see where they cannot be the real children of god? Either Jesus is lying or they are, I am going to side with Jesus. They are straight up lying about their pedigree. As we used to say “pull their card see if they are faking.” (History Of The Khazars.)

God knew these Talmud toting, hook nosed liars, of Satan would steal your identity. So God put a code in your DNA that is spiritual and physical.

Now that we got that out of the way, let's get you back on the road to the kingdom.

The Book Of Deuteronomy 28:15

15. But it shall come to pass, if thou wilt not hearken unto the voice of the LORD thy God, to observe to do all his commandments and his statutes which I command thee this day; that all these curses shall come upon thee, and overtake thee:

Disobedience Brings the Curse

We will now start to peel back the layers of lies you have been told by your church of through doctrines of devils. Here we start to make sense of what happened to us as a people. Now all your questions shall be answered and when we finish you should have a clear path on what to do. Open your Bible to Isaiah

Isaiah 1:3

3The ox knoweth his owner, and the ass his master's crib: but Israel doth not know, my people doth not consider.

Harsh but true the most high knows his creation and what he made. He is making a comparison to 2 dumb animals. He is telling you even an Ox knows who owns him. You got people today who still do not believe that god created everything.

The ass is dumb as a pile of bricks but at least it knows where it can find rest. We do not consider that our home has always been Israel. I started us

here because you are (like I said in the beginning) going to have to start over. Clean slate be reborn and it starts here.

Obviously if you look around the world today; we own nothing we product nothing and are barely getting by. Most of us rely on government programs to make ends meet. This is all part of these curses. God gave us an ultimatum and we reneged on it. We did not hold up our end of the deal.

Our creator told us straight if you do these things I ask of you what we would become was royalty, but of course We wanted to be like everyone else so yeah we are not even middle class. We are yet this day still cursed and still slaves. Out of 18 nations in the Bible he chose us to carry his standard and rule the earth but we wanted to be common. We broke all 613 laws we went into Idolatry and ate things that defiled our bodies. We copied the Canaanites and the Egyptians. Even after god freed us from bondage (slavery) we wanted to go back.

You today in 2015 are still on the plantation except now there is a slave master that has you so blind you think the whip is your friend now. You are like the dog who wore a leash all his life now when the leash is off you do not try to even go past your master. Now you might say man... you are coming off a little hard. YES I am because time is short and you need to snap out of it my brothers and sisters.

Everything and I do mean everything about our lives are in the pages of this Bible. You have been told this is a white man's book. Well let's look at that for a second. If we could not and were not allowed to read for 300+ years, who do you think taught us the Bible?

Because when we got off the boats and were sold we did NOT speak any English. We were taught it by our slave masters. The same thing with the Mexicans, Indians, ALL the tribes of Israel. Of course your slave master would not tell you that you are the greatest people walking the earth. Of course they would not tell you that god loved only you. What? You didn't know that? Here is the script to back that up.

Deuteronomy 7: 6 - 7

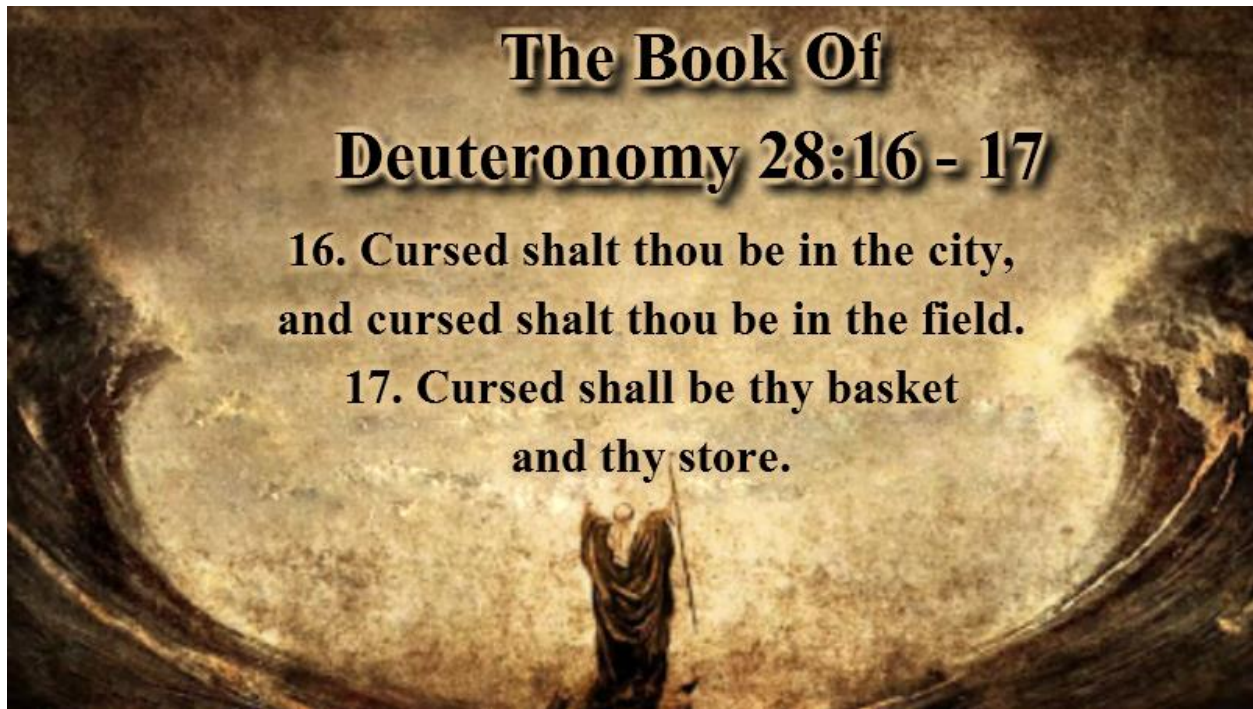

6For thou art an holy people unto the LORD thy God: the LORD thy God hath chosen thee to be a special people unto himself, above all people that are upon the face of the earth.

7The LORD did not set his love upon you, nor choose you, because ye were more in number than any people; for ye were the fewest of all people:

8But because the LORD loved you, and because he would keep the oath which he had sworn unto your fathers

There goes that doctrine that everyone is equal take it or leave it. God said it so there it is. You will never hear that in your Christian church because it will mess up pastor pork chops money. (Yeah you aren't supposed to be paying tithing either See Tithing Law).

God made it plain for us keep his commandments and rule the earth and the people but break them and suffer the curses. I bet you can guess what we picked.

Ok let's tackle this verse who is this talking about? Do you feel safe going into the inner city? If you answered YES then you are fooling yourself and you need to stop reading this. I told you this is no time for games. Black on Black crime is still growing in 2015 and it looks like it will be a record year again. There are many things that factor into this but one thing that is for sure its engineered by our enemies. They plan to keep you sleep and are doing a good job.

In our neighborhoods there is such a rampant amount of crime growing that they have a statistic for it and rating system. Guess where it's the strongest? Ghettos hoods etc. but no one is marching for that. Here is the link for [Top Crime Neighborhoods in the USA](#). This is a curse and I do mean literal. When we got off the boats if you remember in the other article we were not killers like this. We cared for one another and fought for one another. A strong pact was within us but when we were introduced to white Jesus all that changed.

We went through the worst slavery in documented history. God said this would be the worst physical/mental beat down in earth's history. Here is the proof

Daniel 9: 12 - 13

12 And he hath confirmed his words, which he spake against us, and against our judges that judged us, by bringing upon us a great evil: **for under the whole heaven hath not been done as hath been done upon Jerusalem.**

13 As it is written in the Law of Moses, **all this evil is come upon us: yet made we not our prayer before the LORD our God, that we might turn from our iniquities, and understand thy truth**

Are you starting to see a pattern yet? We went through the worst bondage ever. Later on this site you can read about each of them. Let me show you some pictures of what The Most High put us through.

Or who can forget this....

You see ladies and gentlemen we were supposed to be ruling not slaves. Here is your cursed shalt thou be in the field. If you apply this to 2015 most of us work like this today for little or no pay and then they have the nerve to tell you. If you want better work harder. We BUILT this country that they so proudly call their own.

Which it's not they stole it from our Native American brothers. We live this curse to this very day. The white man doesn't fit this curse. Do you see any Caucasians in this picture? OOOhh my bad here is your friendly neighborhood white man showing you how equal you are in his eyes.

Now some of you might get slick and say “Well hey that is them that’s not little Sam down the block or I hear, these white people are not like those ones in the past not in 2015 things are different.”

I’ll tell you how this works plain then we will get a scripture to back it up. They pass their hateful spiteful attitudes down to their wicked children down the generations. Their children are walking time bombs it’s not a matter of IF it will go off its when. Then in 2015 you have little boy named Dillan and he decides to walk into a church and kill everyone there and reloads 5 times.

Psalms 58: 3 – 4

3 The wicked are estranged from the womb: they go astray as soon as they be born, speaking lies.

4 Their poison is like the poison of a serpent: they are like the deaf adder that stoppeth her ear;

As you can see they are wicked like this before they are even born. Yes we had to get punished for breaking the most high laws but they took it to a level that has never been done before. This is what God said about their children.

Isaiah 14: 21-22

21 Prepare slaughter for his children for the iniquity of their fathers; that they do not rise, nor possess the land, nor fill the face of the world with cities.

22 For I will rise up against them, saith the LORD of hosts, and cut off from Babylon the name, and remnant, and son, and nephew, saith the LORD.

Now that Babylon is not talking about the OLD Babylon that is talking about Mystery Babylon the Great. Esau (The White Man) has never paid for their sins but that time is coming soon.

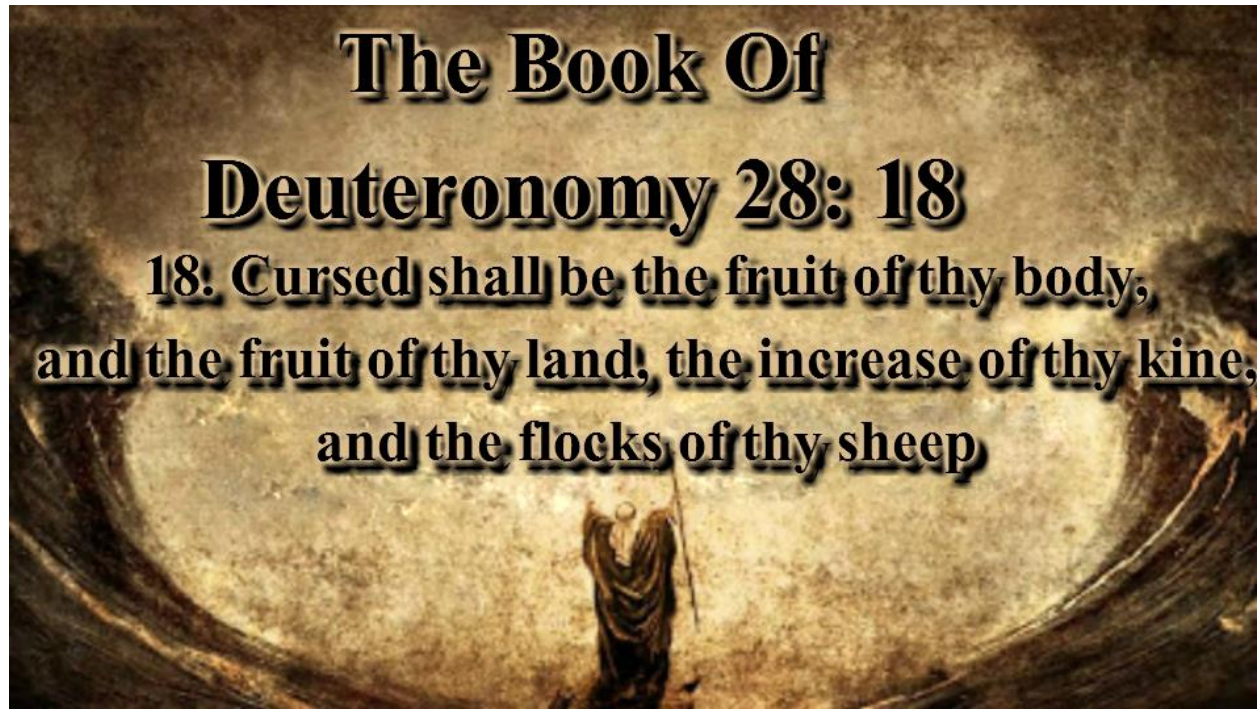

Now verse 17 is all about your basket. You ever actually think as you are rolling your cart to the checkout “Hmm my basket looks like there is less in there.” The basics are getting more expensive while junk food is getting cheaper. There is a reason for that but long story short you are so dependent on your enemy there is no extra cash to buy the better things at like wholefoods. Not even that if you just want to make a few salads for the week it costs a lot more than the star crunch bars in Isle 2.

You drink more soda than juice and eat more crap than healthy but you are pushed into a high fat diet that will have you with diabetes and high blood by the time you are late 40's

Why do you think pork is cheaper than beef? Do you believe that's an accident? Did you know you catch **trichinosis** by eating it? Not to mention colon cancer and rectal cancer. Then why do they sell it?

Because they know that it is hazardous to YOU. God gave us a law on foods we can eat. We do not listen to him so we catch the backlash. Pork is cheaper so you buy it not knowing it's killing you slowly with little worms that YOUR body can not digest. You fill your basket with shrimp, pork, crab, lobster, all of these are abominations and will kill you dead.

Your cursed basket is like this because you do not raise your own livestock so weekly you are ingesting foods that throw your entire body out of whack and you wonder why you are out of shape. God said if you want to be like the heathen you can eat like him also. The heathen can eat what they wish /shrug they were not given the commandments and dietary law YOU WERE. So now you must eat the poison GMO hormonal cocktail they whip up.

The Cursed Children of Yah

This is a powerful scripture this goes into the children we shall have. Instead of having the perfect strength and the joy of never being sick or plagued. We now fight every day to keep ourselves from the common cold not to mention birth defects. Did you know that blacks are more susceptible to diseases that other races are not?

As a matter of fact most of these are from the time of birth and some are injected into us via “Vaccines”. Take a look at the top 10 list that kills diseases that kill blacks.

Top 10 list that kills diseases that kill blacks

Now this was taken from [WebMD](#) I am not going to reinvent the wheel here the stats are real and living example of how different we are from other races. Even our DNA is different. If you wish to read the entire article I've included the link.

1. Did you know [Diabetes](#) is 60% more likely to be found in in black Americans than in white Americans? Blacks are up to 2.5 times more liable to suffer a limb [amputation](#) and up to 5.6 times more likely to suffer [kidney disease](#) than other people with [diabetes](#).
2. African-Americans are three times more likely to die of [asthma](#) than white Americans.
3. Deaths from [lung](#) scarring -- [sarcoidosis](#) -- are 16 times more common among blacks than among whites. The disease recently killed former NFL star Reggie White at age 43.
4. Despite lower [tobacco](#) exposure, black men are 50% more likely than white men to get [lung cancer](#).
5. Strokes kill 4 times more 35- to 54-year-old black Americans than white Americans. Blacks have nearly twice the first-time [stroke](#) risk of whites.
6. Blacks develop [high blood pressure](#) earlier in life -- and with much higher [blood pressure](#) levels -- than whites. Nearly 42% of black men and more than 45% of black women aged 20 and older have [high blood pressure](#).
7. [Cancer treatment](#) is equally successful for all races. Yet black men have a 40% higher [cancer](#) death rate than white men. African-American women have a 20% higher [cancer](#) death rate than white women.

Now you might ask “WTH does all this have to do with the price of tea in China? I’ll make it plain for you since we did not want to follow the health laws GOD placed out for us this is a short list of what we are going through.

Our Youth is cursed before they are born because defects usually come from the transgressions of the parents. If you smoke your child can get asthma or worse. If you have diabetes you can and will pass that down. EVERYTHING on that list you see has to do with us breaking the laws of the most high.

We are KINGS and PRIESTS we had the laws to survive forever but.... We chose the heathen ways. Other races can eat what they want to. The children of Israel cannot it affects us. I have 2 diseases that I am battling that are direct result of things that my parents did because they did not know the consequences of their actions. I had Asthma and currently am battling Lymphedema. I have changed my diet and my health has improved 100 fold.

The next part of this curse goes again into your farms and the health of your gardens. The earth does not yield fruit vegetables the way it's supposed to. Look around we do not own farms and vineyards not like we used to. This is a curse that the most high put on us. Since we wanted to ignore this verse he is ignoring us.

Jeremiah 10: 1-2

1 Hear ye the word which the LORD speaketh unto YOU, O house of Israel:

2 Thus saith the LORD, Learn not the way of the heathen, and be not dismayed at the signs of heaven; for the heathen are dismayed at them.

If this was not enough he told YOU a second time.

Leviticus 18: 2 - 3

2 Speak unto the children of Israel, and say unto them, I am the LORD your God.

3 After the doings of the land of Egypt, wherein ye dwelt, shall ye not do: and after the doings of the land of Canaan, whither I bring you, shall ye not do: neither shall ye walk in their ordinances.

Ok so here you see where God tells you once again NOT to do what the heathen does! Egypt is the same as bondage we are in bondage to this very day. (Read Exodus 20:2 America is called Sodom and Egypt). Neither shall you follow their ordinances. This goes into laws holidays and anything they do that is against the Bible.

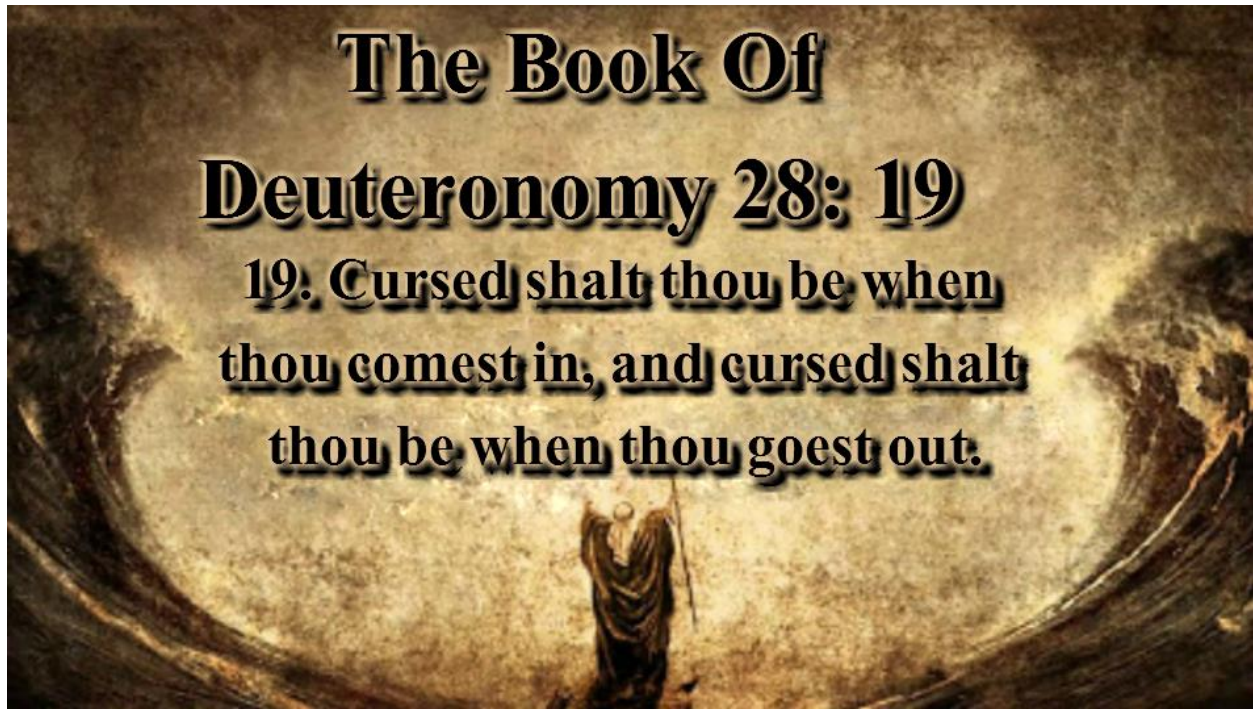

Now if that is not enough for you.... Because I know what you are thinking "That's old testament"? Right? Ok watch this

Revelations 18:4

4 And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues.

Can't get any more simple than that the angel is now telling you to stop sinning like the heathen and GET AWAY from them. Because if you didn't get the memo Babylon the great is about to be BBQ'd I wouldn't be joined with them when it goes down.

God has had mercy on us through this curse though which is good news. We are a strong people but it's time we place our strength where it belongs that's with the lord.

Curse of Fear

This curse is pretty easy to understand but we strive to get total clarity on what the deal is. In your ghetto your life hangs in the balance even while you sleep. Did you hear about the young girl that got shot while she was sleeping on the couch? The cops broke into the house and opened fire and shot the young girl in the head. For no reason.

What's even worse is they had the wrong address. If you wish to watch the heart wrenching story here is the link for that. ([Police Shoot 7 year old girl in the head while she sleeps](#))

I can't watch it again the video is a stark reminder of what we go through daily. When you go into your house you cannot relax and when you are leaving your house again you have to beware not only for the police but also your own people.

Did you hear about the tennis star that got arrested by the cops because he was profiled? You see money will not even save you from these curses. ([James Blake Arrested](#)).

You need to wake up to your true nationality because if we come back to the most high he will grant us the blessings once again and we will be safe in our neighborhoods.

I said this in an earlier article but we were taught this behavior and it was instilled in us from an early age. I have an entire article about Iconoclasm but to briefly sum it up we have been brainwashed to believe that white is right, and black is lack.

The heathen have taken all the records that apply to how great of a people we are, and have either painted over it or in some cases changed history. Did you know we ruled Europe for over 1000 years?

We were united then under a black king named [King James](#) ruler of Scotland. That's right he was black and no he was not gay. When we ruled we could walk in the streets and not worry about getting stabbed in the back etc.

We know what we do and don't need for us to succeed we shouldn't need another race of cops patrolling our already trouble filled neighborhoods.

Righteous men of the most high can and will put forth our law (the Bible) and we will prosper. God said keep my commandments and prosper. Yes this also means in your neighborhoods, just look at your suburbs they do not have swat running through their doors killing them while they sleep.

The Book Of

Deuteronomy 28: 25

The LORD shall cause thee to be smitten before thine enemies: thou shalt go out one way against them, and flee seven ways before them: and shalt be removed into all the kingdoms of the earth.

Curse of the Enemy

Ok we shall skip verses 21-24 they go over some of what we just went through in earlier chapters, feel free to go over them if you wish. I want to get to some real deep curses and prophecies that are happening as we speak.

Now the LORD said that you would be smitten before your ENEMIES and that's with a letter S. That means there is more than one heathen that are your enemy. Here is what smitten means

smote, smit•ten or smit (smut) or smote, smit•ing. v.t.

- 1. to strike or hit hard, with or as if with the hand, a stick, or other weapon.***
- 2. to deliver or deal (a blow) by striking hard.***
- 3. to strike down, injure, or slay.***
- 4. to afflict or attack with deadly or disastrous effect: smitten by polio.***

To smite basically means to kill and to the heathen when it comes to us this comes naturally. In 2015 you need to open your eyes and mind that this place is not for you. This curse is rough GOD said you would be killed before your enemies.

They would look you in your eyes as terror took hold and they knew they had the power to make you suffer. I said this before but they know what they are doing and over the years they have gotten increasing aggressive with it.

Take the Eric gardener case. This was filmed on a camera phone and still not guilty. There too many cases for me to post here but I will post 2 that fit this curse to a T. Now remember the curse watch the enemy!

Now did you see how he acted? It was though he had no regard to what he was doing to the man. Even after he's pleading he can't breathe still any mercy. The most high sent the spirit on that man to do that. Did you watch the paramedic? She isn't even concerned could care less. Before I show you the next video lets grab your Bible and let's see what god says about Esau. Also we will look to see if The Most High would indeed send a spirit on someone to do such a thing.

Isaiah 45:7

7 I form the light, and create darkness: *I make peace, and create evil: I the LORD do all these things.*

Here is GOD saying it again because remember this is the same God the killed destroyed everyone on the planet in a flood remember?

Deuteronomy 32:29

See now that I, even I, am he, and there is no god with me: I kill, and I make alive; I wound, and I heal: neither is there any that can deliver out of my hand.

So now the obvious question is why would he do such a thing? You see we turned our back on him not the other way around. He is making good on his promise and trying to show us who we are via these curses. Are you still not convinced? Ok In the book of Kings there was an evil wicked king and The Most High had a conversation with the angels on how to take him out. Yes there is a council up there and God ultimately makes his final decision and things get done.

1 Kings 22: 19 - 22

19 And he said, Hear thou therefore the word of the LORD: I saw the LORD sitting on his throne, and all the host of heaven standing by him on his right hand and on his left.

20 And the LORD said, *who shall persuade Ahab* that he may go up and fall at Ramothgilead? And one said on this manner, and another said on that manner.

21 And there came forth a spirit, and stood before the LORD, and said, I will persuade him.

22 And the LORD said unto him, wherewith? *And he said, I will go forth, and I will be a lying spirit in the mouth of all his prophets.* And he said, Thou shalt persuade him, and prevail also: *go forth, and do so.*

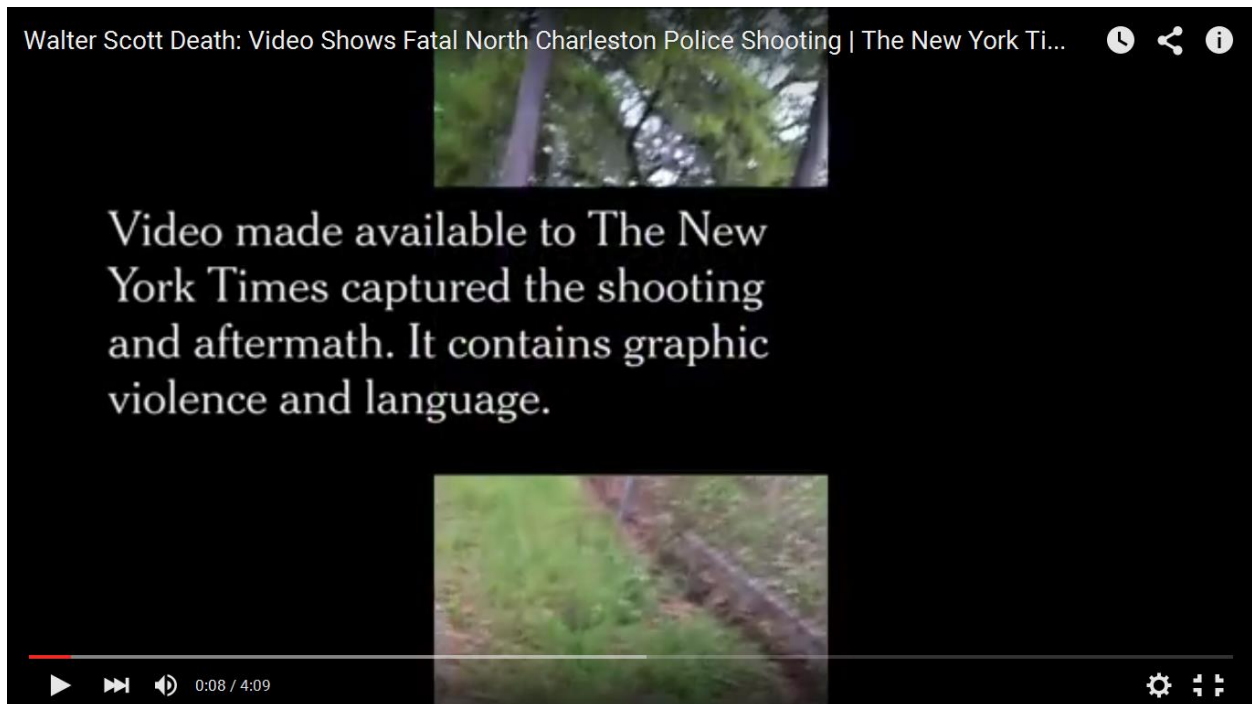

Yeah there you go a lying spirit there are people to this day (think of your black leaders) that have lying spirits in them. Eric Garner as tragic as it was God is trying very hard to tell you to get away from your enemies and you won't listen.

So many more of us have to suffer more until you and others get the memo. God said we are a stiff-necked people and can't see the truth right in front of our faces.

I know this is a hard curse lesson but we must push on like I said I have a solution to end these curses and be what we are supposed to be.

The next part of this curse is similar to the first part but there was an event in 2015 that placed this curse on the front burner

“Ye shall go out one way against them and flee 7 ways from them”

This is why The Most High said this about our oppressor

Zachariah 11:5

***Whose possessors slay them, and hold themselves not guilty:
and they that sell them say, Blessed be the LORD; for I am rich:
and their own shepherds pity them not.***

Do you want your power back? Are you not tired of this treatment? When I first heard this truth things didn't line up right away but when I sat down and started to purge my old self and started looking at things through reborn eyes things made sense.

We have only 1 set of real leaders here. The prophets are back here on earth now. We are pressing forward to the kingdom and I will bleed for this truth. Victims of hate over time start to sympathize with their oppressors. This is a known condition called Stockholm Syndrome. Negroes have this BAD and what's worse is you can't see it yourself. Look at this picture!

OR LOOK AT THIS!

Can you say destroyed people? Yeah that's about the size of it. This is why Christ said this in the book of Luke. Michael Jackson made a song that is eerie in its accuracy of what's going on today. ([Michael Jackson They Don't Care About Us.](#))

Luke 1:68-71

68Blessed be the Lord God of Israel; for he hath visited and redeemed his people,

69And hath raised up an horn of salvation for us in the house of his servant David;

70As he spake by the mouth of his holy prophets, which have been since the world began:

71That we should be saved from **our enemies, and from the hand of all that hate us;**

This is why Christ needs to return and fast we are being assimilated into a hateful nation that has no regard for us. As we read from the verses above

Christ is being very specific on who, and what he's coming back to accomplish.

Now for the last part of the curse "And they shall be removed into all kingdoms of the earth". NOW we are getting somewhere! Who did this happen to as a nation?

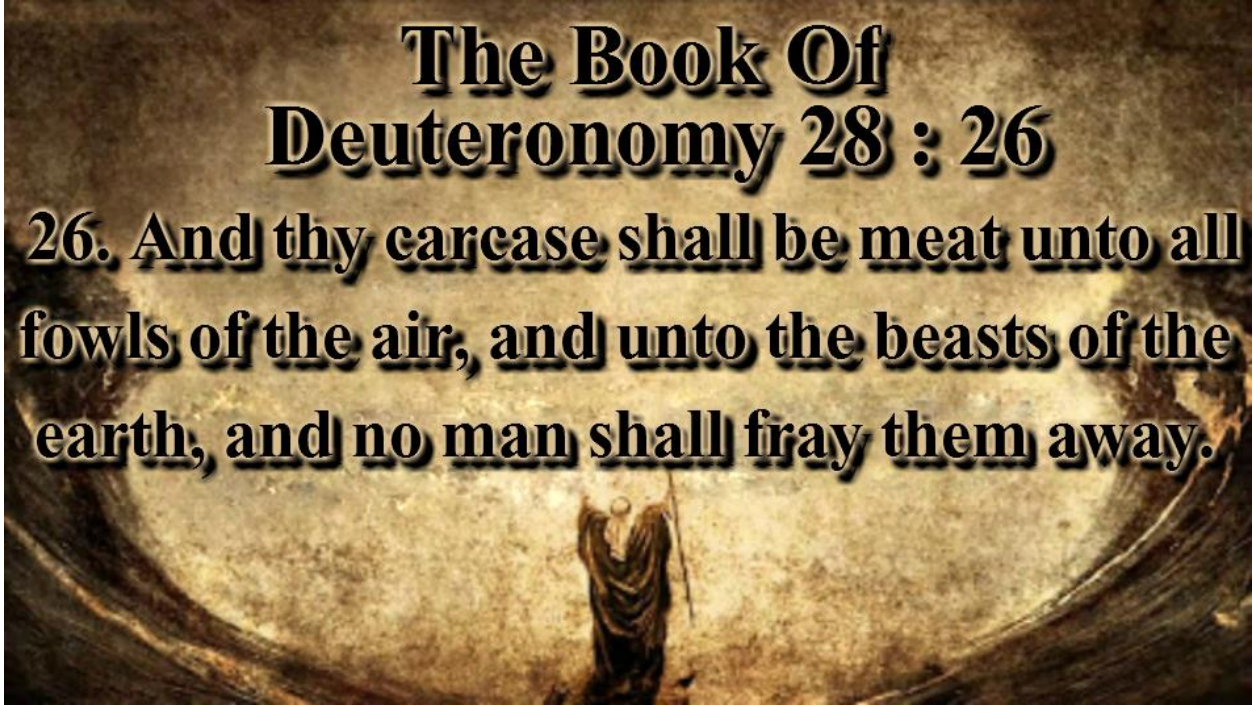

As you can see we were a global business not just here in the USA. We were scattered as the prophecy said and we come in all colors and sizes. We mingled with our oppressors and even after all this we STILL didn't list as we are stiff necked to this day.

Prophecy Fulfilled! And still going there is more.

The Book Of Deuteronomy 28 : 26

26. And thy carcase shall be meat unto all fowls of the air, and unto the beasts of the earth, and no man shall fray them away.

Curse Of Fowl Beasts

&

Slaughtered Meats

God told us straight if we didn't listen to him and do what asked that this would happen to us. Now this actually happened but you probably never heard about it in school.

In 70AD when Titus and his father sacked Jerusalem the atrocities that were done then were more than horrific. There are no words in the English language to describe the outrageous treatment of our brothers and sisters.

If you did not know Rome is home to the Idumea or as they are called today Caucasians (Esau, or white man). Here is some literature from a scholar

that witnessed it first-hand. You will see where this prophecy happened I will highlight it. This is from the book of the Josephus

Because the food supply was cut off by the Romans, Jews out of desperation would sneak out of the city walls at night to find food. They were captured, **tortured and crucified** by the Roman army. At one point 500 a night were being crucified on the trees around the city, so that all of the trees had multiple bodies on them. **And these bodies were not taken down, but left up there to rot and be eaten by birds and animals.**

In 70 A.D. when the people of the prince, the Roman army flooded into Jerusalem, they killed the remaining Jews with the sword, trampling over dead bodies.

Birds, dogs and wild animals, ate the flesh of the fallen.

Prophecy Fulfilled, and guess what that was not the end! Do you see how rough this was? God said look all you have to do is what I tell you and you would never have to go through any of this. We were made to be a special set apart people but we wanted to be like the heathen so this is how the heathen act.

Do you see what they hanged us on? TREES (aka a cross) Does this sound familiar? That's right they did the same crap in slavery and most times left our bodies out as spectacles so that others could take pictures and send post cards etc. These animals would leave us out and not even have the courtesy to bury us.

There is good news though if we turn back to the most high he said he would turn ALL this around. He said it would be like a bad dream that you wake up from and be glad and joyous.

Revelations 20: 17-18

17 And I saw an angel standing in the sun; and he cried with a loud voice, saying to all the **fowls that fly in the midst of heaven**, Come and gather yourselves together unto the supper of the great God;

18 That ye may eat the flesh of kings, and the flesh of captains, and the flesh of mighty men, and the flesh of horses, and of them that sit on them, and the flesh of all men, both free and bond, both small and great.

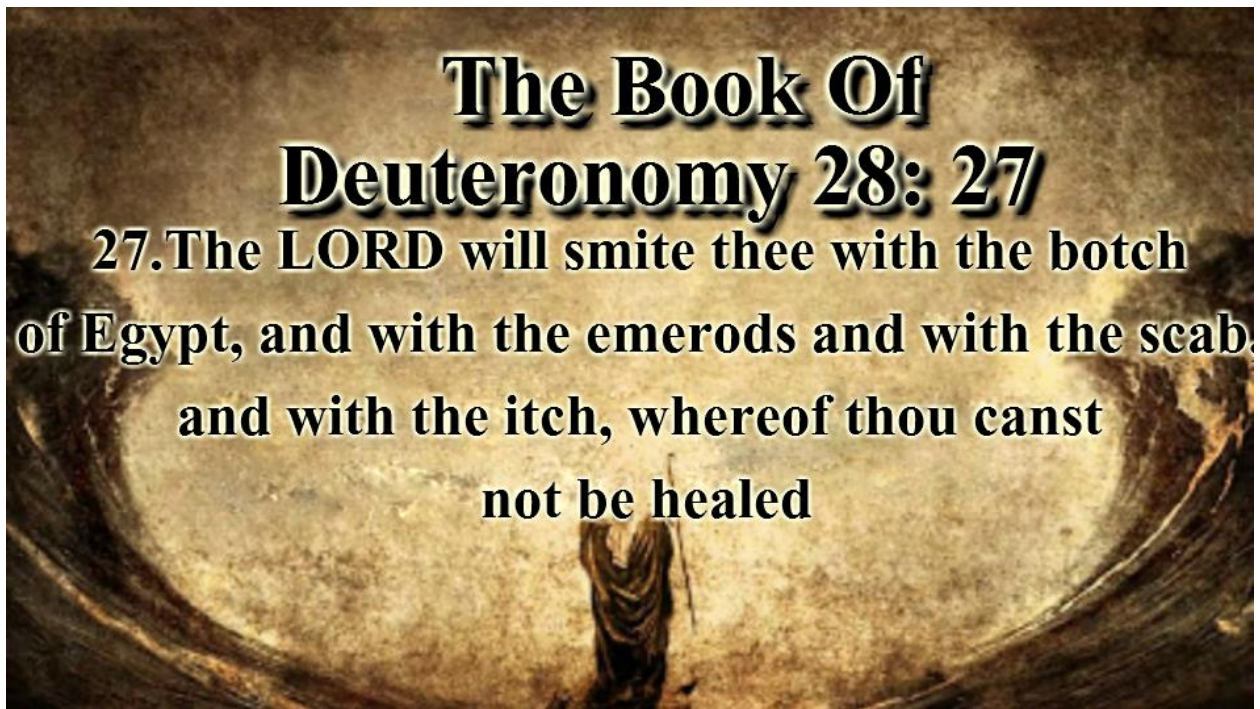

The most high is long suffering and he requires that which has past. Everything shall come before the judgment seat. They will not get away from hurting god's chosen people. They went too far on many occasions.

Deuteronomy 32:35

To me belongeth vengeance, and recompense; **their** foot shall slide in due time: **for the day of their calamity is at hand**, and the things that shall come upon them make haste.

Do you see that? Their day of calamity is coming! God does not forget and he will repay all. Like I said earlier this prophecy happened in 70AD but also came along while we were under hard shackles and yokes of Iron here.

Here is an article that shows that not that long ago they were doing this exact thing. ([Left out to rot as a warning](#)). I am sure there are many examples that I am missing but there are 2 events you can look up and see exactly that this prophecy happened.

Curse of the Unending Itch

Here we go again. Tell me who does this curse fit to? You probably are going through this right now or you know a family member that is. Don't worry we will break this down to the ground so its crystal clear what this is.

Let's first get an understanding what "The Botch of Egypt is and Emerods. I think you can figure out what the Itch is and the Scabs.

The Most high placed the Botch on those evil Egyptians for a plague to pharaoh to let God's chosen people go.

Exodus 9: 8-11

8And the LORD said unto Moses and unto Aaron, Take to you handfuls of ashes of the furnace, and let Moses sprinkle it toward the heaven in the sight of Pharaoh.

9And it shall become small dust in all the land of Egypt, and shall be a **boil breaking forth with blains upon man, and upon beast, throughout all the land of Egypt.**

10And they took ashes of the furnace, and stood before Pharaoh; and Moses sprinkled it up toward heaven; and it became a **boil breaking forth with blains upon man, and upon beast.**

11And the magicians could not stand before Moses because of the boils; for the boil was upon the magicians, and upon all the Egyptians.

As you can plainly see The Most High was not playing with Pharaoh and meant it when he said let MY people go. You can see what the boils are a skin disease of sorts. Here is the Dictionary definition.

Boil WebMD information about boils etc

A painful, pus-filled bump under the skin caused by infected, inflamed hair follicles.

There is another curse in that verse that you might want to sit down for... or stand up if you got them.

Emerods.

hemorrhoid *tumors* , or bleeding piles, These are very common in Syria at present, Oriental habits of want of exercise and improper food, producing derangement of the liver, constipation, etc., being such as to cause them.

In other words ladies and gentlemen Hemorrhoids, Yup and I can tell you now this is one of those curses like it says in the verse there is NO known cure for. Now you might be wondering how did I ever catch such a thing?

We keep on doing things against the dietary law and we suffer greatly for it. We eat all kinds of Abominations and don't think twice. Now in slavery the master knew this so he would purposefully give us swine (Pig) to eat. See unlike us they actually read the Bible and know exactly how to defeat us. I showed this earlier but look again!

READ CLOSELY!!

Judith 5: 17-20

17 And whilst they sinned not before their God, they prospered, because the God that hateth iniquity was with them.

18 But when they departed from the way which he appointed them, they were destroyed in many battles very sore, and were led captives into a land that was not theirs, (Slavery) and the temple of their God was cast to the ground, and their cities were taken by the enemies.

19 But now are they returned to their God, and are come up from the places where they were scattered, and have possessed Jerusalem, where their sanctuary is, and are seated in the hill country; for it was desolate.

20 Now therefore, my lord and governor, if there be any error against this people, and they sin against their God, let us consider that this shall be their ruin, and let us go up, and we shall overcome them.

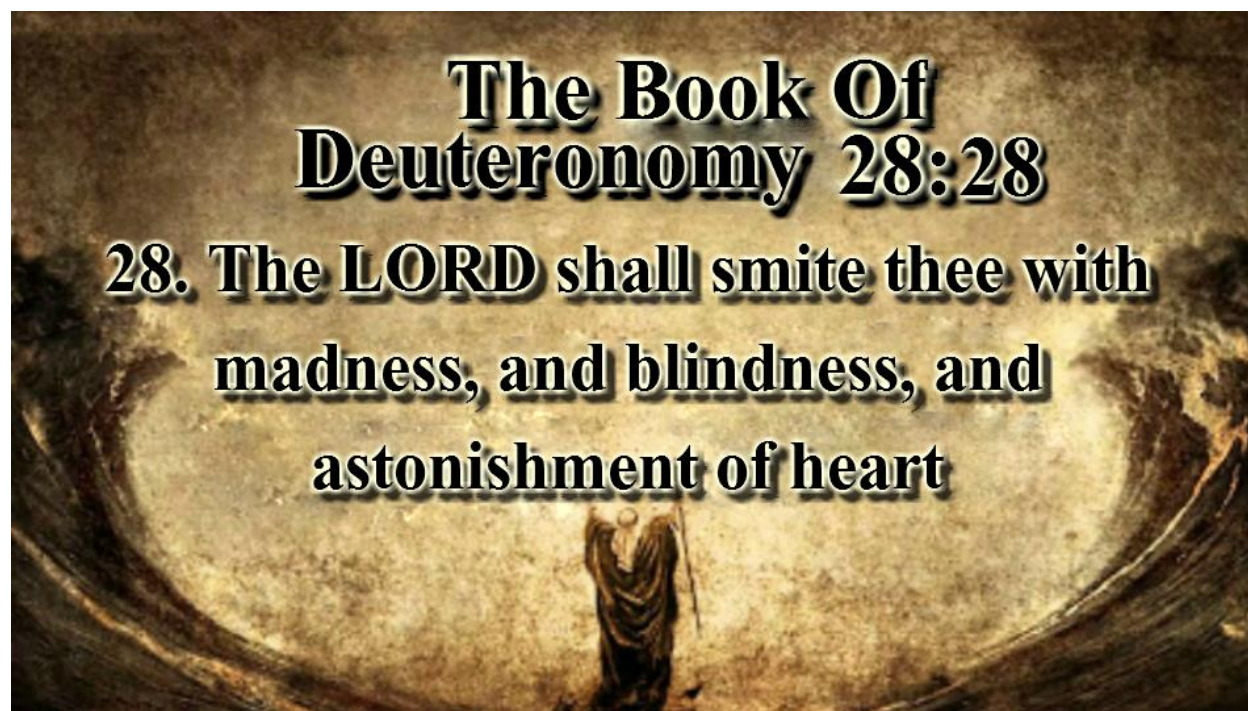

21 But if there be no iniquity in their nation, let my lord now pass by, lest their Lord defend them, and their God be for them, and we become a reproach before all the world.

This is one of the many reasons they yanked out the Apocrypha. You need to meditate on these verses and truly understand what your enemies know. This is why you suffer daily with no rest. Your bad diet and health habits that go against the laws of the most high brings the plagues.

Hemorrhoids and boils are only the beginning. We are only in verse 27 there is more to come. If you come back to the laws of the most high = your enemies know Jesus and The Most High will defend you, just like Egypt.

The itch in the verse is talking about your STD's and other diseases from not being who you were meant to be. The reason why these plagues affect

the nation of Israel is because we were given the laws. We were the keepers of the covenant.

Curse of Sanity break

&

Blind Mind

As we go through some of these curses some of these hit close to home, and I mean a direct hit. These curses are to let you know exactly who is and who is not an Israelite. The truth hurts but the truth will allow you to see clearly.

This curse fits some of the members of my family but mainly my own mother. When I first heard this curse it was hard because my momma suffered from acute Paranoia *Schizophrenia*.

I am sure I am not alone but many of our people have lost their minds for one reason or another. When I was 5 I was taken away from my mom and placed in child protection services. This is also another curse we will get into later. Mom never recovered from this condition and when I was

younger I didn't get it. Now that I am in the truth I understand better what the family of Israel is going through. Now there are many forms of "Madness." People in slavery went off the rocker and some just decided to end the pain. We today are paying for our family's transgressions (breaking of god's law). Here is what madness means.

Definition of Madness

: A state of severe mental illness

: Behavior or thinking that is very foolish or dangerous

Now we all know the first definition of the word madness but the second goes in an entirely different direction. We as a people have tried to follow the same pattern that we did in slavery and guess what we get the same results.

Here in 2015 we are doing the same exact self-destruction things that get us killed daily and we do not change it.

What's worse is we know the end result and still do it! THAT is madness and foolish exactly what we said would happen.

We follow so called leaders that promise us endless wishes to only have our hearts broken year by year that too is dangerous, foolish, and madness. When you are done getting angry at what I just said just sit back by yourself and think what leader has truly did something ground breaking for us?

Here let's name a few

- Obama? Nope promised us 8 years and nothing as a matter of fact he was called the "savior" of the black people. What did he save us from? We still die in the streets and by those that are supposed to protect us. Yeah.... Usually when you vote for someone you get something in return. We got more of a headache than "change we can believe in."
- Jesse Jackson? Nope when he isn't asking for a collection plate to be passed around Ferguson he is just waiting for the next tragic condition to happen so he can say "We shall overcome soon" and "Calm down everyone" we will vote to get what we want. (The scriptures even say we are not supposed to vote so what are we doing)?

- Al Sharpton? Really see Jesse Jackson and rumor still has it he still is an informant for the CIA.
- Martin Luther King? Nope not even him GOD said not to integrate with your enemy. He said little white boys and little white girls hold hands and sing *Kumbaya*. I will say this about him I believe the light bulb turned on for him right at the end. Because he said I fear I am leading my people into a burning house. Also right before he died he was getting ready to tell the government we are coming for our check. (There's your 40 Acers and a mule.)
- Come on there has to be SOMEONE that speaks up for the benefit of our people hmm what about I GOT IT! Creflo Dollar, TD Jakes, Olsten? Nope and you just bought Creflo where's mah money Dollar a new 64 million Dollar Plane ROFL. If that is not madness I do not know what is. Tithing is OVER and it was never money to begin with. Sorry your church leaders are greedier than a fat man at an all you can eat with a shotgun daring someone to go close to his pork chops.
- (Insert name here) Bottom-line no one can save us but Christ and he's coming soon

If you follow any of the above mentioned you might want to check your mental state because that is madness according to the definition. How many times are you going to go to people that can NOT save you? I am sorry I need to bring out one more thing that you probably did not know. Look at what your church leader did to this 90 year old woman

BAINBRIDGE, GA (WALB) -

A 92-year-old woman is no longer allowed to worship at the church where she was a member for more than **50 years** because she was not tithing.

Josephine King said that was the reason she was kicked out of Bainbridge's First African Baptist Church.

Her family members said they hope the situation will bring change to churches across the nation.

"Josephine King is no longer considered a member of the First African Baptist Church of Bainbridge, Georgia," read Gerald Simmons, as he skimmed over the letter addressed to his aunt.

The letter, signed by Senior Pastor Derrick Mike, stated that Ms. King "has shown non-support" towards the church in the areas of "constant and consistent financial and physical participation."

"She was stunned. She was disappointed. She was shocked," said Simmons.

Now that is madness! Tithing is and never was money it was crops and livestock. Good for you Ms. King. Not giving in to that sort of crap. Trust me The Most High sees all and he will judge them harshly. All the above obviously do not know the Bible because following the doctrine they push is madness in its most blaspheming form. Wake up people and return to the most high.

Blindness has happened to us as a people we used to have righteous leaders and people that would give anything for the truth. Now the dollar is a lot of peoples God and the betterment of our people as a whole is left to the back burner.

Are you not also astonished in 2015 how we still have no one to blaze a trail for us to the truth? Your teachers have returned the Israelites are awake its time you RISE and be the people god wanted you to be.

The Book Of Deuteronomy 28:29

**29. And thou shalt grope at noonday,
as the blind gropeth in darkness, and thou
shalt not prosper in thy ways:
and thou shalt be only oppressed and
spoiled evermore, and no man shall save thee.**

Curse of Blind Knowledge of the Slave Mind

We are a special set apart people to The Most High anyone who reads the Bible from genesis to revelations should get a basic historical idea on who the “true.” Israelites are and what they mean to The Most High. Out of all the people ever made only ONE nation ever got his laws statutes and judgments.

The problem is for some reason plenty of people flock to a shepherd that is leading them off a cliff like some lemmings. Here is what I mean you ask a simple preacher a simple question like “What is love according to the Bible?” They will take that simple question and give you a 20 minute sermon on what their heart feels love is. When the BIBLE out of God’s own words tells you what love is. Before we get into this curse you need to understand what the Bible is and what it is not.

HERE IS WHAT THE BIBLE IS

- Laws
- Statues
- Commandments
- History
- Dietary Law's (This falls under all 3 really but it's such a huge issue it deserves its own category.)

Here is what it is NOT

- A license to Sin
- A Fairy tale Book of Imagination
- An I feel like Book
- The Bible is not and I repeat NOT an everyone's book.
- It's not to be blasphemed (If God Tells You to NOT do something and a preacher says "Oh Its Ok God Didn't Mean that." That's making him a Liar and that is the one thing GOD cannot do.

Turn in your Bible to,

1John 5-3

3 *For this is the love of God, that we keep his commandments: and his commandments are not grievous.*

Now mind you this is the New Testament but the SAME thing god says in the old take a look

Deuteronomy 10: 11-12

12 *And now, Israel, what doth the LORD thy God **require of thee**, but to fear the LORD thy God, to walk in all his ways, and to love him, and to serve the LORD thy God with all thy heart and with all thy soul,*

13 *To keep the commandments of the LORD, and his statutes, which I command thee this day for thy good*

Do you see the growing theme here? God said “I change not.” See how easy that answer is to the question “What Is Love according to the Bible?”

I am going to share a huge secret with you all that not one of your church pastors will give you. God told you how you were to read the Bible so you would not be blind in these last days. Take a look again at the curse. You are looking for the truth when it’s right in front of you literally on your table collecting dust. This is how god said to READ the Bible.

Isaiah 28:9 -10

9 Whom shall he teach knowledge? And whom shall he make to understand doctrine? Them that are weaned from the milk, and drawn from the breasts.

10 For precept must be upon precept, precept upon precept; line upon line, line upon line; here a little, and there a little:

Here is the meaning for Precept

- A commandment or direction given as a rule of action or conduct.
- Law

You must read the Bible Law upon Law here a little in the Old Testament and there a little in the new. Yes I purposefully made the word must huge because that is not a suggestion that is a commandment. This is because to read the Bible cover to cover like a novel you will get 2 things. One is a basic understanding of the history of events surrounding the Israelites. The other thing you will get is a basic knowledge of the prophets and villains of the book.

If you wish to “Unlock the Matrix” you need to read it the way god said. The Bible is its own dictionary and thesaurus. You see in an Israelites hand the Bible is a weapon that no one can stand against. Many have tried all have failed.

This is another reason why we were not allowed to read in slavery. They knew the book they were reading was not for them period. Many revolts

were started by oppressed Negroes that read that they were not meant to be slaves. (Look up Nate Turner)

The curse you read above has a few different definitions we will go precept upon precept to get a good understanding. Turn to your Bible in Ephesians

Ephesians 4:18

18 Having the **understanding darkened**, being alienated from the life of God through the ignorance that is in them, because of the **blindness of their heart**

Now watch this!

Deuteronomy 28:29

29 And thou shalt grope at noonday, as the **blind gropeth in darkness**, and **thou shalt not prosper in thy ways**: and thou shalt be only oppressed and spoiled evermore, and no man shall save thee.

Now does this curse make a little more sense? You see this is why you have to read the Bible a certain way. This is what we have now.

- “Because of your sin you have been blinded by the most high for knowledge” (your understanding has been darkened). Plus now you rely on someone else to tell you GOD’S words when he said himself if you read the Bible the way he said then you would not need help, and no one could lie to you.
- So now you walk around in life like a fool in the dark trying to feel your way to a knowledge that is right in front of you. And because of this you will not prosper. (Meaning advance spiritually or financially etc.).

Let’s tackle one more thing while we are here. In Ephesians it says this “Blindness of Their Heart.”

How do we read the Bible again? Precept upon precept. So what does the Bible say your heart is? Is that the blood pumping muscle in your chest? No not according to the Bible let’s prove it.

Jeremiah 17:9

9 *The heart is deceitful above all things, and desperately wicked: who can know it?*

Ok there is the “heart” but where’s the precept?

NEW TESTAMENT

Mark 7:21-23

21 *For from within, out of **the heart of men**, proceed evil thoughts, adulteries, fornications, murders,*

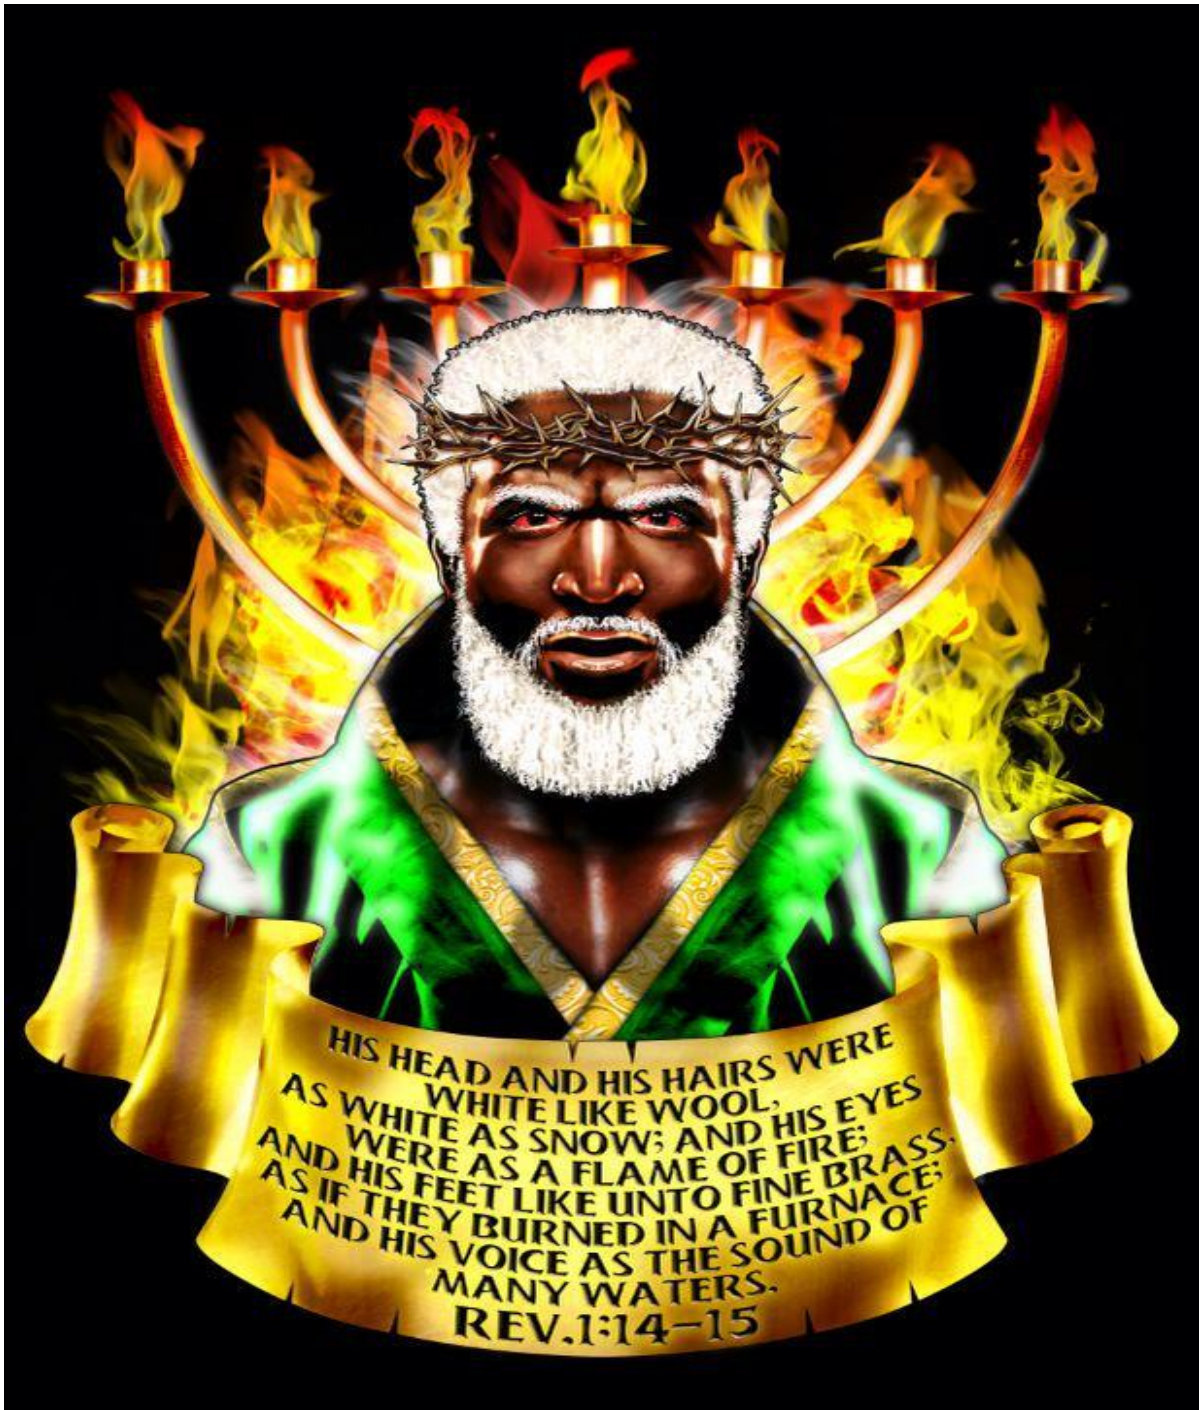

22 *Thefts, covetousness, wickedness, deceit, lasciviousness, an evil eye, blasphemy, pride, foolishness:*

23 *All these evil things come from within, and defile the man.*

Yup I know you see it and now understand for the first time how the Bible was written that is why “blindness” has happened to our people in general. Now take your time and read the attributes of the heart and tell me honestly who else is this talking about? We fit every single one of those labels. Look out your window right now and tell me if we just stopped listening to our hearts for ONE MONTH what would happen?

The last part of this curse is that no one would be able to SAVE you this is pivotal, do you know why? We had many black so called leaders try to help us but all are either dead or on their way. Sad thing is we need our savior yesterday but we need to finish our punishment. Everyone thinks Christ is coming to save them but ask yourself if you are in power what do you need saving from?

When Christ comes back this time he will not come as a man he will be the embodiment of power incarnate. Just imagine their faces when he returns and looks like this

Yeah if you didn't get the memo he wasn't white; never was a Caucasian (We will show that later). Since Christ comes from the line of Judah of the seed of David he would a byword in today's society. Hell they might even get up the nerve to call him the N word to his face. That's right he would be

considered by American standards to be what you call an African-American, or a Negro.

When he cracks that sky wearing all white it's a wrap. Also when he returns you will no longer be blind to the truth. You shall know the TRUTH and the truth shall set you free. **(John 8:32/ Precept Psalms 119:142)**

The Book Of Deuteronomy 28: 30

30. Thou shalt betroth a wife, and another man shall lie with her: thou shalt build an house, and thou shalt not dwell therein: thou shalt plant a vineyard, and shalt not gather the grapes thereof.

Curse of the Harlot

&

Broken Homes

In this curse The Most High is telling you brothers. Look since you did not want to listen to me you shall suffer this curse. You will get married and you will not lay down and enjoy your wife but your slave master would. Throughout history this is deep within our people's records. Some of you light skinned brothers should know by now what happened to some of your ancestors.

The Bible is written in a masculine form but bottom line this cuts both ways. Plenty of men were forced to have sex with their female slave masters also. You all need to understand something we were a set apart people and

we were NEVER supposed to mix. Since we were forced to please our masters we had to pollute ourselves. We will give you a few of examples so that you can grasp this curse in its context. Visual examples are sometimes better than verbal. Just so we can cover all angles the “Another Man Shall Lie with Her.” This means throughout ALL captivates we would have to keep on pleasing our oppressors. Now I do not own the rights to these pictures. They do show the raw emotional vexing we took and are still taking to this very day.

This is from the famous move 12 years a slave. If you’ve seen the movie there was a scene with these 2 and the slave master took her and the look of lifelessness in her face is a reminder of the curses. Here is another famous movie that was banned here in the USA for a long time. The picture that I will be showing you here will also show you this curse is real. This is from the movie The Butler. Again you must get this in your soul and thoughts.

Just in case you wish to see this entire clip just click on the photo (Or right click on it and open in a browser). This was never supposed to happen to us and it's all because we wanted to be like the heathen, and we could do nothing. In these last days you need to wake up and see who and what you are dealing with. This prophecy fits US as a nation all the 12 tribes went through this.

Ask the Spanish Mexicans what happened to them. Ask the Haitians what they went through. Ask the Indians what the hell they went through. Here look at the chart again this is one of the reasons why there is confusion of faces.

Now men went through this also strikingly enough many do not understand this. They made our men into harlots and used us for nefarious things. We had no rights or protection.

This is a mess in 2015 because the scripture says this about how you determine who you are.

Numbers 1:17-19

17 And Moses and Aaron took these men which are **expressed by their names**:

18 And they assembled the entire congregation together on the first day of the second month, and they declared their **pedigrees** after their families, **by the house of their fathers**, according to the number of the names, from twenty years old and upward, by their polls.

19 As the **LORD** commanded Moses, so he numbered them in the wilderness of Sinai.

As you can see here GOD commanded us to tell our family line by our fathers. This means if a white man has sex with a black woman this makes the child white (Or an Edomite). Now the baby will have the features of the black women also but you are what your father is.

The other nations know this Bible in and out and you got to understand they KNOW this scripture. They also know that Edom is the only race in the Bible that has NO promise of forgiveness.

So let's do some simple math if all of the heathen men take our beautiful women of the 12 tribes and have kids with them = Genocide. They realize that they have no grace from God so if they mix themselves thus making them "hybrids" they are hoping they can get a chance.

I will do more on this later but let's see if they still do this to today's standards. In this article you can see that this issue has and will keep growing until Christ returns. In the days of slavery (Yes all of the bondages Arab, USA, South American, all the rest.) We were taught to hate ourselves from a young age.

Then you look at current television shows and it highlights our destruction as a people (See Empire). The credit goes to this site for the wonderful explanation of this curse. I want you to read between the lines though LOOK and the parts he has **BOLDED**. ([Article is here](#))

So now that the black man and white man are jaded against one another who do you think they “run to” for happiness? That’s right their oppressor and it’s become common practice. Ask the average black men on the street if it’s easier to deal with white women or black you will be shocked on the results. We are dominating force god made us this way, so it’s not hard to see why most Caucasian women want black men. Also now more white men want black women. They do not have to force this on us anymore we do it willingly.

White women are leaving their white husbands for the darker pastures, and having mixed babies. Here is a quick video to show you what I mean LISTEN to her words carefully. You will see what I am telling you.

You are also being programmed through media to gravitate outside of your nation. Take a look at this

One last video for you to see then we shall get a scripture to back this up. LISTEN to this Black man's answer to the questions. He just like plenty of our other brothers and sisters out there are destroyed.

They took us by force in the beginning now we are the perfect slaves. We are destroyed mentally and physically as a nation.

Now that we got that out of the way, let's take a look on what GOD said about us. It's no secret we have the most beautiful women on the planet. No wonder we are lusted after because of our extraordinary beauty. God made us in his beautiful image. He is the author of beauty.

Get your Bibles out and note pads this is going to get heavy. God told us how to deal with the other nations...We didn't listen obviously.

Deuteronomy 7: 2 - 6

2 *And when the LORD thy God shall deliver **them** before thee; thou **shalt smite them**, and **utterly destroy them**; thou shalt **make no covenant with them**, nor shew mercy unto them:*

3 *Neither shalt thou make marriages with them; thy daughter thou shalt not give unto his son, nor his daughter shalt thou take unto thy son.*

4 *For they will turn away thy son from following me that they may serve other Gods: so will the anger of the LORD be kindled against you, and destroy thee suddenly.*

5 *But thus shall ye deal with them; ye shall destroy their altars, and break down their images, and cut down their groves, and burn their **graven images** with fire.*

6 *For thou art an **holy people** unto the LORD thy God: the LORD thy God hath **chosen thee to be a special people** unto himself, above all people that are upon the face of the earth.*

Does that sound like Equality to you? God said I am the lord THY GOD I change NOT. What was true then is true now. Let's get some knowledge out of these verses. God said this

- Starting from verse 6; you are a Holy people unto god. What does holy mean? This is important on so many levels even your Bible says Holy here is what it means

Original Word: ἅγιος, ἱερός

Part of Speech: Adjective

Transliteration: hagios

Phonetic Spelling: (hag'-ee-os)

Short Definition: set apart, holy, sacred

Definition: set apart by (or for) God, holy, sacred.

[40 (hágios) implies something "set apart" and therefore "different (distinguished/distinct)" – i.e. "other," because special to the Lord.]

In other words separate, this alone should show you how broken we are and these curses only describe US. The Bible is a separate book and you are a separate people thus you were not supposed to mix your bloodline. Because it's a royal bloodline of kings and priests, and the Bible is your roadmap to immortality.

- Now in verse 2 he is telling you that in fact you are so special to him and precious in his sight he did not want you dealing on a personal level with the other nations. NOT to make any agreements with them this had to do also with land.
- In verse 3 this is as plain as it gets but there is an underlying reason why God didn't want us dealing with them sexually. He said you shall make NO MARRIAGES with them. Your daughter or son to them or vice versa.

One of the many reasons for this is because of the land we were supposed to have. For instance in the Bible the first born son got the bulk of all the blessings the father would have once the father died. Let's say the dad was Amalek and the mother was Judah. Since you are what your father is he would have claim to the land the most high gave YOU. Nowadays we do not own land like we used to so it plays more with them trying to confuse the bloodlines for other reasons.

- In verse 4 it states more on the why God said this. "They WILL not maybe but will turn their sons and daughters from following me that they would serve other Gods.

This is heavy because that is exactly what is happening now as we speak. Mixed kids grow up confused. Mom might know she's Judah and tries to teach her children thus saith the lord. Her husband let's say is Arab and he is forcing the child to learn Islam. You have no idea how bad this confuses the children.

They are influenced so easy and this here can cripple them for life. He/she will be split between what mom and dad says. God made this plain when he said “you shall not have any other Gods but me”.

What if the mom is Chinese and teaches the kid Buddha? We have a living breathing god and we need to follow him!

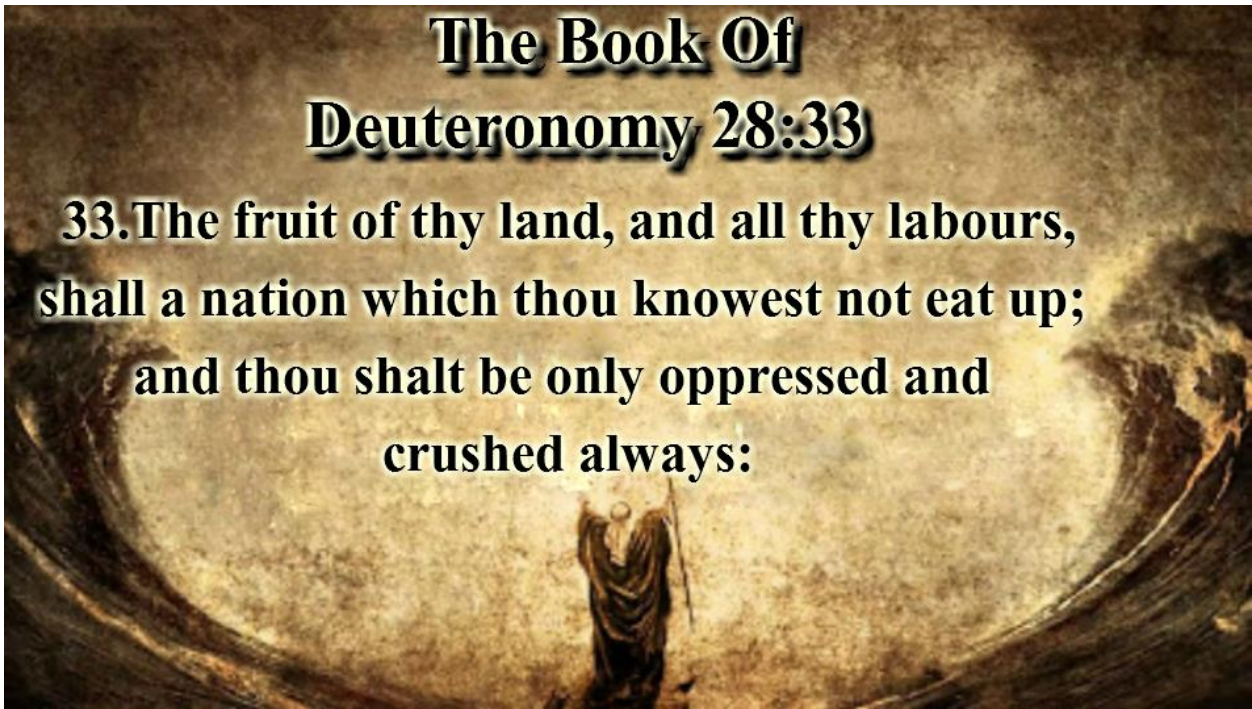

- God said in verse 5....DESTROY ALL GRAVEN IMAGES. Because we were bowing down to give praise to it. We did not need or want graven images at one time. Now we follow the cross made of wood and the [Kaaba stone](#) made of stone. When you force your kids into false religions this is Idolatry. This also fulfills another scripture cure we will get into later.

We are a beautiful people but we have given ourselves now freely to our oppressors (other nations) and do not understand you hold him in such high regard its Idolatry. This curse is a “holy” curse meant for us The Children of Israel. Wake up brothers and Sisters God is calling you home.

We have such a high capacity for love for other nations but since we are under these curses not for our own. Which is a shame because if you look at the 12 tribes we have the most beautiful people on the planet.

The Book Of Deuteronomy 28:33

**33. The fruit of thy land, and all thy labours,
shall a nation which thou knowest not eat up;
and thou shalt be only oppressed and
crushed always:**

Curse of the Wage Slave

This particular curse hits all the 12 tribes and our oppressors always keep the same M.O (method of operations). What do I mean by that? It's simple the most dangerous snake is the one you trust. There is a story I'd like to share with you and maybe it will shed some light.

There was a lady driving her car and she happened to notice a snake by the side of the road that got hit by an earlier car. She says "Oh my I can't believe that someone would do such a cruel thing to a snake." She slams on the breaks gets out and scoops up the snake into the car, and drives off.

She gets the snake home and cares for it and the snake gives a little bit of a smirk/smile. About 4 months go past she notices the snake is full of health and life and takes the snake out of its cage.

She proceeds to play with the snake and it bites the SHIT out of her! Not only that, she was poisoned. As she sat there dying on the floor the snake comes to her and has that same smirk. She says “OMG why did you bite me?” Then she asked didn’t I feed you?

The snake said yes you did.

She said, Didn’t I nurse you back to health?

The snake agreed with another evil smirk.

She said did I not protect you and give you a home?

The Snake said also true.

As she’s gasping her last breath she asksthen why did you bite me?

The snake said.....BITCH, you knew I was a snake!

When dealing with someone that has no regard for human life and even no compassion for their own, means you are fighting a genocidal maniac. This term fits what the Spanish and the Dutch and British or Greek (All the Europeans) are. Just like a snake you need to be careful.

They use you for all you are worth and when they can’t squeeze anymore blood from you they discard you. They have done this to every single race they encountered. This is Esau’s blessing and he is the very definition of Vagabond and Fugitive.

Wait you don’t know what a genocidal maniac is? I got you covered read this closely.

Genocide

The deliberate killing of a large group of people, especially those of a particular nation or ethnic group. 1940s: from Greek *genos* ‘race’ + *-cide* (Oxford English Dictionary)

Maniac = a raving or violently insane person; lunatic Unpredictable.

- A person exhibiting extreme symptoms of wild behavior, especially when violent and dangerous.

Ok now that we have the definitions down, let's get into this curse and highlight the points.

- A nation that you do **NOT** know shall come.
 - They shall eat up all your labor and fruit of your land.
 - And YOU shall be crushed and oppressed always.
- Now this happened like I said before. When the Europeans get to a landmass that is new to them they claim it as their own even if someone is living there.

Let me put it to you like this what if you and your family was in your house and a group of people you never seen busted in and said WE CLAIM THIS HOUSE IN THE NAME OF (Insert name here). That's what your enemy does and they still do it to this very day.

The curse says you would not know these people from Adam. When the British came over to the west coast of Africa we did not know them.

As a matter of fact they had to bring interpreters with them to help communicate with the natives. They came to a land that had people already there living lives.

At one time Africa had some of the most fertile land you could ever want. Also the resources were so vast they made many trips for trade with the Africans (not the Israelites).

After the Euros got what they needed they killed off millions and took the Israelites into slavery. We worked as slaves and received no compensation for our efforts. We literally built the America you see today, but all we got is a statue in front of the UN building.

They worked us nonstop and today we work for little or no pay. Then we turn around and give the money we JUST earned back to our slave masters. This is a Wage Slave.

We did NOT speak their language, as a matter of fact they would only teach us the minimal needed to work on the farm.

Most people do not know that the native American Indians are actually Israelites. There is way too much documentation on this fact so I will leave that to YouTube. What I want to show you is how and what happened when they landed here.

First thing is first it was NOT [Columbus](#) who founded American it was [Amerigo Vespucci](#). The Italian Navigator committed some horrific crimes against the indigenous people. They come not but to Steal, Kill, and destroy. What's worse is these lazy bastards made us get the goods for them.

Here are some of the things he said about the “Indians”.

- *The women, as I have said, go naked, and are very libidinous, yet their bodies are comely; but they are as wild as can be imagined. (They took the women and either sold them or kept them as concubines.*
- *They live for **150 years**, and are rarely sick. If they are attacked by a disease they cure themselves with the roots of some herbs. These are the most noteworthy things I know about them.*

They took most of those healing herbs and shipped them throughout Europe and left literally nothing left. The natives also taught them how to hunt, live through the winters, how not to die.

The land is very fertile, abounding in many hills and valleys, and in large rivers, and is irrigated by very refreshing springs.

It is covered with extensive and dense forests, which are almost impenetrable, and full of every kind of wild beast. Great trees grow without cultivation, of which many yield fruits pleasant to the taste and nourishing to the human body; and a great many have an opposite effect.

*The fruits are unlike those in our country; and there are innumerable different kinds of fruits and herbs, of which they make bread and excellent food. They also have many seeds unlike ours. **No kind of metal has been found except gold**, in which the country abounds, though we have brought none back in this our first navigation.*

*The natives, however, assured us that there was an **immense quantity of gold underground**, and nothing was to be had from them for a price. Pearls abound, as I wrote to you.*

As you can plainly see from the excerpts above this is why and how the Europeans got so rich. They first

- Befriend the natives and shake hands with a smile. (See snake story).

- Then they learn YOUR ways tactics etc.
- Then decimate you with all manner of evil. What they don't kill they enslave, and you are forced to learn their ways of life.
- Pilfer (Loot) all the land till there is no goodness left.
- Name the land after their own names and destroy any history of the old inhabitants.

Does the Bible tell of this? You bet as a matter of fact it's one of the reasons why they got rid of the Apocrypha. Break open your Bible let's get it!

Job 9:24

24 *The earth is given into the **hand of the wicked: he covered the faces of the judges thereof; if not, where, and who is **he**?***

If you read this verse it says "Hand of the Wicked". Now that is a hell of a statement but you might ask like I did hmm who's this? There is another clue in this verse that will help us. Its "HE" who is HE?

This means it's a type of man on the earth that is the hand of the wicked and he is ruling the earth now. Let's not be simple ...it's not us Negroes or native Americans neither the Mexicans.

Let's get some more because we were taught earlier how to read the Bible its precept upon precept. Where is the connecting scripture you may ask?

Malachi 1: 3 – 4

3 *And I **hated Esau**, and laid his mountains and his heritage waste for the dragons of the wilderness.*

4 *Whereas Edom saith, We are impoverished, but we will return and build the desolate places; thus saith the LORD of hosts, They shall build, but I will throw down; and they shall call them, The **border of wickedness**, and, The people against whom the **LORD hath indignation for ever.***

There are plenty more verses we can grab on this but I don't want to overdue the point. First of all God calls Edom the Border of Wickedness. Then god tops it off by stating He hates him forever. Remember Esau (the so called white man) is Jacobs's brother.

When something is the border of a thing it means it's the beginning and the end of it. So now you understand why Esau is hated he is the beginning and the end of evil in other words a Genocidal Maniac. In the book of Psalms it tells you exactly how "the wicked" act.

Psalms 49:11

11 *Their inward thought is, that their houses shall continue forever, and their dwelling places to all generations; **they call their lands after their own names.***

You see there? Who goes around the globe stomping around the globe conquering the locals and then naming the land after their general's kings etc.? You have to realize, when you walk in the USA in whatever town you live in you are standing on blood and bones of the natives, and they are your brothers and sisters.

Who made over [300 treaties](#) with the Indians but never kept one?

Who came to your land in 70AD and stole all the gold and natural resources? Who Killed slaughtered and cut a path of blood from California

to New York, and from Louisiana to Minnesota then placed all the Native American in country ghettos (Reservations)?

Who shipped people to this land and decided not to pay them a dime for what they built? Ask yourself a question how did you learn English, Spanish, etc.?

Who did all this and more happen to?

THE ISRAELITES

Who did this to us?

ESAU (So called white man)

It's Time to Wake up God Is Calling You Home.

The Book Of Deuteronomy 28: 36

**36. The LORD shall bring thee, and thy king
which thou shalt set over thee, unto a nation
which neither thou nor thy fathers have known;
and there shalt thou serve other gods,
wood and stone.**

Curse of Hidden Idolatry

We are starting to get into some of the defining curses. I am bringing you forward a little; now if you wish to look at curses 34 and 35 feel free. They go over some other diseases that plagues our people go through. It also makes it clear that you would be angry at the condition of our people.

Let me ask you a question and think hard on this. Since we were not allowed to read at all when our feet hit the ground at the slave ports, how did we learn Christianity? We have Google nowadays so you can Google it if you wish but here's the quick answer. You were taught by your oppressors. In each slavery we have been in to survive we were presented with 2 choices. Learn our ways or DIE. That's the story of the Israelites and it's the story you are living now. Don't think so? God said this

Proverbs 3:31

31 Envy thou not the oppressor, and choose none of his ways.

Then because we are stiff necked rebellious house he told us AGAIN not 4 books later.

Jeremiah 10:12

2 Thus saith the LORD, Learn not the way of the heathen, and be not dismayed at the signs of heaven; for the heathen are dismayed at them.

Now you might ask yourself, what does these 2 verses have to do with the curse? Let's take the 2 most favorite religions on the planet.

Christianity and Islam

When you were in chains under American Slavery the slave master allowed you to go to church only on Sunday (Which is not the Sabbath Day Its Saturday). They would only allow certain scriptures to be read, and created a doctrine that forced you to believe everyone was equal. Through the years this has grown into a plague that sticks on our people like flies to old meat.

The curse says you would be carried away to a new land and be forced to serve wood and stone. The wood is talking about the modern day cross. Even the Bible says we have a Zeal for God but not according to knowledge.

The slave masters whoop your back with rawhide whips and back it up with scriptures that were taken out of context. Christianity is made by man but Christians are followers of Christ. YES there is a huge difference.

Christ never said "I died on the cross so you can sin freely" but you are taught that every time you walk into the church. Christ and his followers were Israelites

and Christ taught out of the Old Testament.

Before we got here we did not know of any chalky white Christ. Christ was a black man from the tribe of Judah. Here a picture is worth a 1000 words tell me if this scene looks familiar.

We went through the hardest conditioning conversion since the Trans Saharan Slave Trade. The brainwashing continues today but The Israelites are waking up.

Our enemies knew that as long as we were in sin we would serve them, and serve we did. We went into slavery because we didn't listen so God made us listen to our enemies. This is what they promised us every Sunday service. (Sad thing is some of us still believe these lies they told).

- They Promised Us A Heaven After = This means that they said suffer bear it and when you die you get the paradise in the sky. Also these lily white angels would see you through the pearly gates. This is nowhere in the Bible. Even the Lord's Prayer bears witness "Our Father who art in heaven hallowed be thy name. Thy Kingdom Come on **EARTH** as it is in heaven". That's as plain as it gets.

- They broke us up in to separate worshiping groups to keep our communication levels to a minimal, in fear that we would team up and learn the truth. We were always a spiritual people but Esau knew that if we were divided we would lose faith in one another and cleave to him. We still do this today.

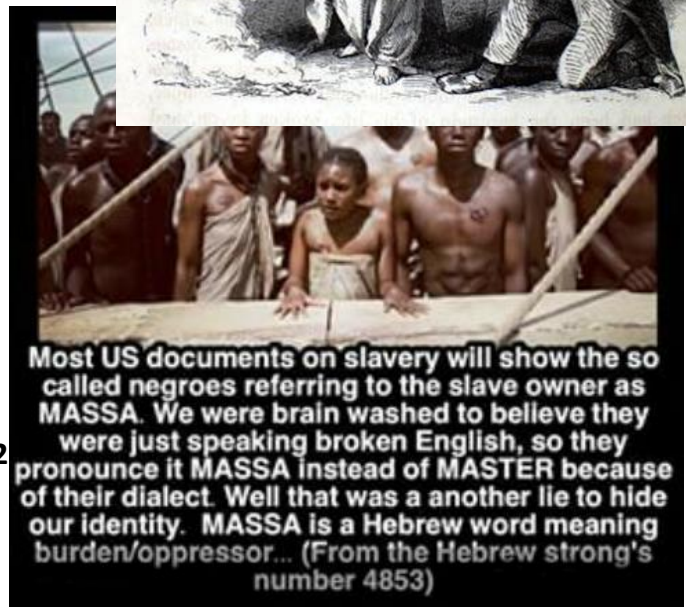

- They took our images out of the Bible a long time ago so when it came to breaking us into Christianity it was easy. They killed most of the first slaves that landed because they would not bend to slavery. They depicted Christ in all Bibles as Caucasian and made us serve it. Through time they didn't need to force it anymore. We were brainwashed and a broken people. Did you know the Bible even prophesied this?

1 Maccabees 3: 48 (Apocrypha)

And laid open the **book of the law**, wherein the **heathen** had sought to **paint the likeness of their images**.

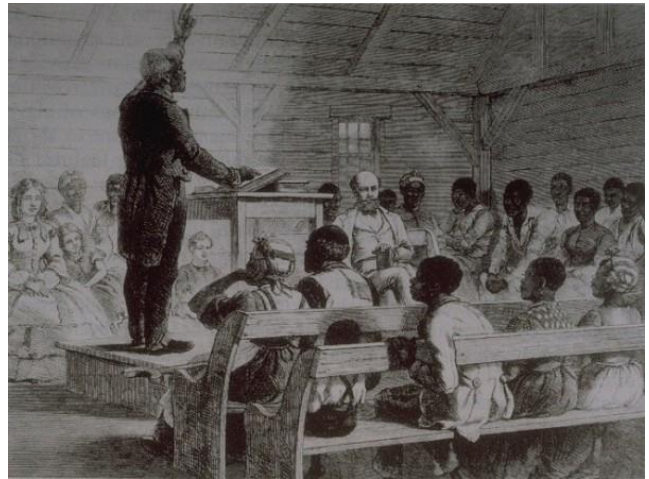

Since we had no past knowledge of who we were before chains all we knew was “Yes Massa”. A fun fact did you know that we purposefully

Most US documents on slavery will show the so called negroes referring to the slave owner as MASSA. We were brain washed to believe they were just speaking broken English, so they pronounce it MASSA instead of MASTER because of their dialect. Well that was a another lie to hide our identity. MASSA is a Hebrew word meaning burden/oppressor... (From the Hebrew strong's number 4853)

did not say master? Here is what Massa means in Hebrew.

- ***Symbols and objects, such as crosses, were given to us by slave masters to keep us blind in heart. They never let us hold church services without one of “them” present for fear of revolts.***
- ***We were worshipping the Image thus breaking the second Commandment. This kept us in perpetual sin. In addition this also lead to numerous practices among enslaved populations, including voodoo or vodun in Haiti and Spanish Louisiana.***

Now we have to deal with the stone part of the scripture. We all know what the “Stone” *Cough Islam* is so I will skip the long definition. When we were in slaved to the Arabs before the English we were forced to be Muslims. Does this practice sound familiar?

They take us and say do this or die. Most of us chose death rather than to do Idolatry. To some of us breaking the second and the first commandment was a no go.

There were some blacks in America who willingly changed to Islam as the religion of choice seeing that Christianity had a history of brutality towards blacks. What they did not know is that Islam was just as harsh on us and some to this day have never heard of the Trans Saharan Slave Trade.

We have always “Assimilated” to every culture but never to what GOD chose us to be. Muslims sold us. Christians bought us. It is as simple as that. When they came and got us they didn’t grab the dish lipped ubangies. They grabbed leaders and high ranking officers. Men and women with trade skills from every profession you could think of.

The Arabs in Islam, were the ones who captured our forefathers, put them in chains and sent them to America as slaves along with Africans. They both sold us to the Europeans. Quran is nothing but a copy of the Bible. There are no prophecies in there at all. This is why they always refer back to it because that book was grafted from the Bible. Mohammad could not read or write so who taught him? You guessed it the Israelites.

Since we did not want to serve our living god we were forced to serve fake ones. Let me explain something to you that your greasy pork chop, pass the collection plate preacher wont. ALL other Gods are FALSE. Now let me back that up with the Bible.

Deuteronomy 4:19

19 And lest thou lift up thine eyes unto heaven, and when thou seest the sun, and the moon, and the stars, even all the host of heaven, shouldest be driven to worship them, and serve them, which the LORD thy God hath divided unto all nations under the whole heaven.

Here is the Precept

Psalms 94:6

5 For all the Gods of the nations are idols: but the LORD made the heavens.

If you start in Deuteronomy 4:17 The Most High is telling the people that he wants them to be separate. He does not want us to follow the sun moon stars etc. to worship them. He was trying to convey that we had HIM A REAL GOD by our side.

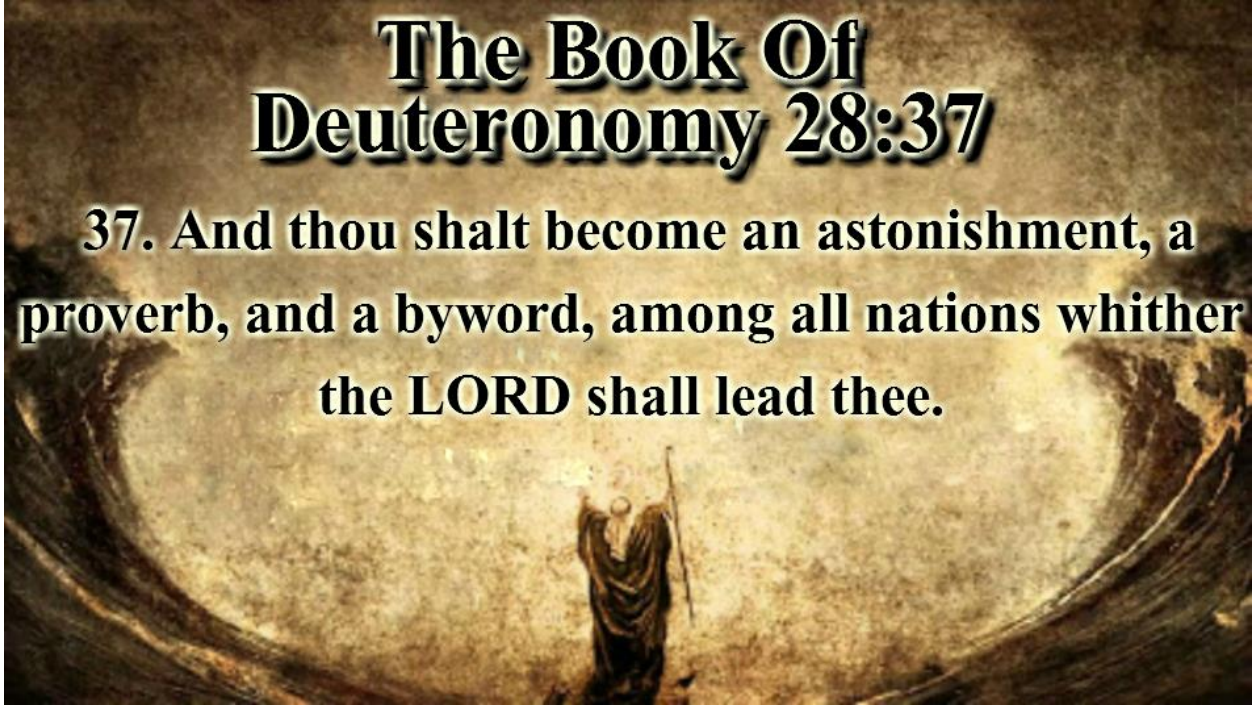

When you read down some more God tells you I have made the star and the heavens for the heathen to worship they have their gods, and you have yours.

Then he backs it up in Psalms by putting it clearly “***For all the gods of the nations are idols.***” This is some of the reason why there is blindness with our people when it comes to the truth.

We need to wake up time is short. As a nation no one else has gone through this curse. You now have an idea on how we learned religion. God said learn NOT the way of the heathen and choose none of his ways. God is calling you home it's time for you to wake up.

The Book Of Deuteronomy 28:37

37. And thou shalt become an astonishment, a proverb, and a byword, among all nations whither the LORD shall lead thee.

Curse of the False Identity **(The Hidden Ones)**

As you can see these curses now are starting to get very specific as a matter of fact you can start eliminating plenty of other nations off the list. Now the curses are starting to paint a picture, a vivid illustration of a people that have been broken and their true name hidden from them.

If you go to the average Caucasian they can tell you where they are from and most times include some history. Same with the Chinese, even true Hamite Africans will tell you what COUNTRY in Africa they come from.

I want to bring to your attention a word us “African-Americans do not use that much, because we truly do not have it. That word is Heritage. Here is the definition

Definition of Heritage

- *something inherited **at** birth, such **as** personal characteristics, status, and possessions*
- *(Laws) law any property, especially land, that **by** law has descended **or** may descend **to an** heir*
- Languages

These are the 3 major things needed in order to have a heritage. We as a people broke Gods commandments so we have not one. We will tackle the first definition to make a strong point about this curse.

When you inherit something it's for life usually. It's passed down like family heirlooms. Being born is a huge deal because with that birth you are supposed to "Gain your heritage". Let's take the queen of England if that ruler has a baby it is immediately a prince or a princess.

I am slowing this down so you can follow what I am saying because this is paramount so listen close. You should gain some basics when you are born like your status. A name can dictate your status immediately. When that prince or princess is born they are given a name thus status is given. That baby has instant respect and a nurse better not even look at the baby crooked, or risk the wrath of the royal court.

Also they are taught how to live, manners, and their social skills, who are their friends and who are not. Also education is top shelf.

Thus making their children mold to the generations that came before them. They later gain wealth, land, ruler ship and they pass this same Heritage to their own children. This does a few great things for the children; one of the most important things is life security.

What do I mean by that? You do not have to worry about anything financial, social, lineage is all mapped out for you before you were even born. The only thing you need to do is follow the blueprint.

The children of Israel had our blueprint taken because we wanted to be like the others. This world is sick and out of order because the true princes/kings have been put to sleep, but shake the crust out of your eyes it's time to RISE.

They learn **their laws and privileges** that come along with those laws also that governs their thinking and moving around others. You see, if you are not of their stock (family line) too bad for you. They make the laws that govern the others around them, and remain in dominance.

Now let's do a cross comparison. We will narrow this down through the "African-American" filter but keep in mind I am talking about ALL and I do mean ALL of the Israelites around the world.

Let's start from when you were born, and we shall see the truth of the road you and I were set on a long time ago. Soon after you were born you were given a name but some of you never thought about what your name means.

Let's take a common name like Johnson this means the son of John. Israelites when they first started coming here from 1619 had Hebrew names. They tagged us with our masters first and last names most times to identify who you belonged to.

This process gets passed down to you from slave to slave etc. They again knew who they were getting off the auction blocks. We had royal names like Moses, Isaiah, Deborah, Judith due to prophecy we had to be hidden. So we got tagged everything you can imagine except who we were.

Here is a short list of slave names we had to adopt. To see the complete list [click here](#)

Rank	Name	Number of occurrences	Over all U.S. rank			for all races
1	WILLIAMS	716704				3

2	JOHNSON	627720	2	13	MOORE	188082	16
3	SMITH	527993	1	14	WHITE	175099	20
4	JONES	514167	5	15	LEWIS	172509	26
5	BROWN	476702	4	16	WALKER	171297	28
6	JACKSON	353179	18	17	GREEN	149803	37
7	DAVIS	329957	7	18	WASHING TON	146520	138
8	THOMAS	271273	14	19	THOMPSO N	145176	19
9	HARRIS	247092	24	20	ANDERSO N	137688	12
10	ROBINSO N	221835	27				
11	TAYLOR	199326	13				
12	WILSON	198269	10				

Now you name your children instead of the surname Israel you choose Tommy Smith or Caren Brown. With this label you have already started to destroy your young one without your knowledge because you keep doing what you are taught to do by your enemies.

With your name branded by the slave master what Heritage do you think you shall gain? You can't claim his land, or his status and you are not allowed to have his privilege.

Following the example we have followed above now your child goes to school you do not have the money to send them to an Ivy League school much less a common private school. So they will never learn true history or lineage of their true forefathers.

Your parents have nothing to pass down to you so you have no wealth. You can't even borrow cash in most cases without having huge amounts of collateral. So let's place this in some bullet points so you can understand what I am getting at.

- You have a slave last name (So your status is slave you are branded property STILL)
- You have no wealth because It was all taken away from you

- You don't follow the laws of GOD...Yeah the ones Moses set out for us to make us a special people.
- Your life mimics what you see because of the list above. You start with nothing and you end with less than that.

It's like starting a race and someone has a half track head start. There is a solution for this follow The Most Highs laws and take back your Heritage.

Let me show you what The Most High said about your inheritance. Take out your Bible

Leviticus 25:46

45 Moreover of the **children of the strangers (other nations)** that do sojourn among you, of them shall ye buy, and of their families that are with you, which they begat in your land: and **they shall be your possession.**

46 And ye shall take them as an inheritance for your children after you, to inherit them for a possession; they shall be your bondmen for ever: but over your brethren the children of Israel, ye shall not rule one over another with rigor.

The strangers are the people who ran out with us after The Most High destroyed Egypt. They ran out with us but they were not Israelites. There is a curse we will go through later that states how they got into ruler ship. We were NEVER supposed to be slaves. They were supposed to be part of our inheritance.

To this day we are a huge astonishment and a wonder to all because even the worst of us are the best of everyone else. Here is an example have you ever seen someone who is Gay that is black? (Against the commandments but trying to make a point)

We take things to an entirely different level and that's scriptural we ARE the salt of the earth. Anything we touch turns to gold. We own sports, cooking, inventors, comedians, etc. We do not realize how special we are because we keep going by Bywords. If I named my child Elijah Ben Israel

that alone is a conversation starter. Our people are called Bywords by design. I have compiled a list of top bywords we go by.

This is a short list and most of these only apply to us African-Americans. Now we have 11 other tribes worth of bywords can you see now how deep this curse is? No matter what the world calls you The Most High calls you Israelites. All nations have a “code word” for you read between the lines and come home to the truth.

The Book Of Deuteronomy 28:41

41. Thou shalt beget sons and daughters,
but thou shalt not enjoy them; for they
shall go into captivity.

Curse of the Captive Youth

&

Lost Joy

Now we shall go into a curse that parents around the world dread. We are going to skip ahead a bit in the curses but we shall go over the ones we skipped briefly.

- **Verse 38 – 40** = Talks about slavery and us farming and not benefit from any of it. Also the nations eating and benefiting from our efforts and skills.

This curse will be hard for some to read but we will do this together. You know they say that a child is a precious gift and Israelite babies are very special to the most high.

Psalms 127:3

3 Lo, children are a heritage of the LORD: and the fruit of the womb is his reward.

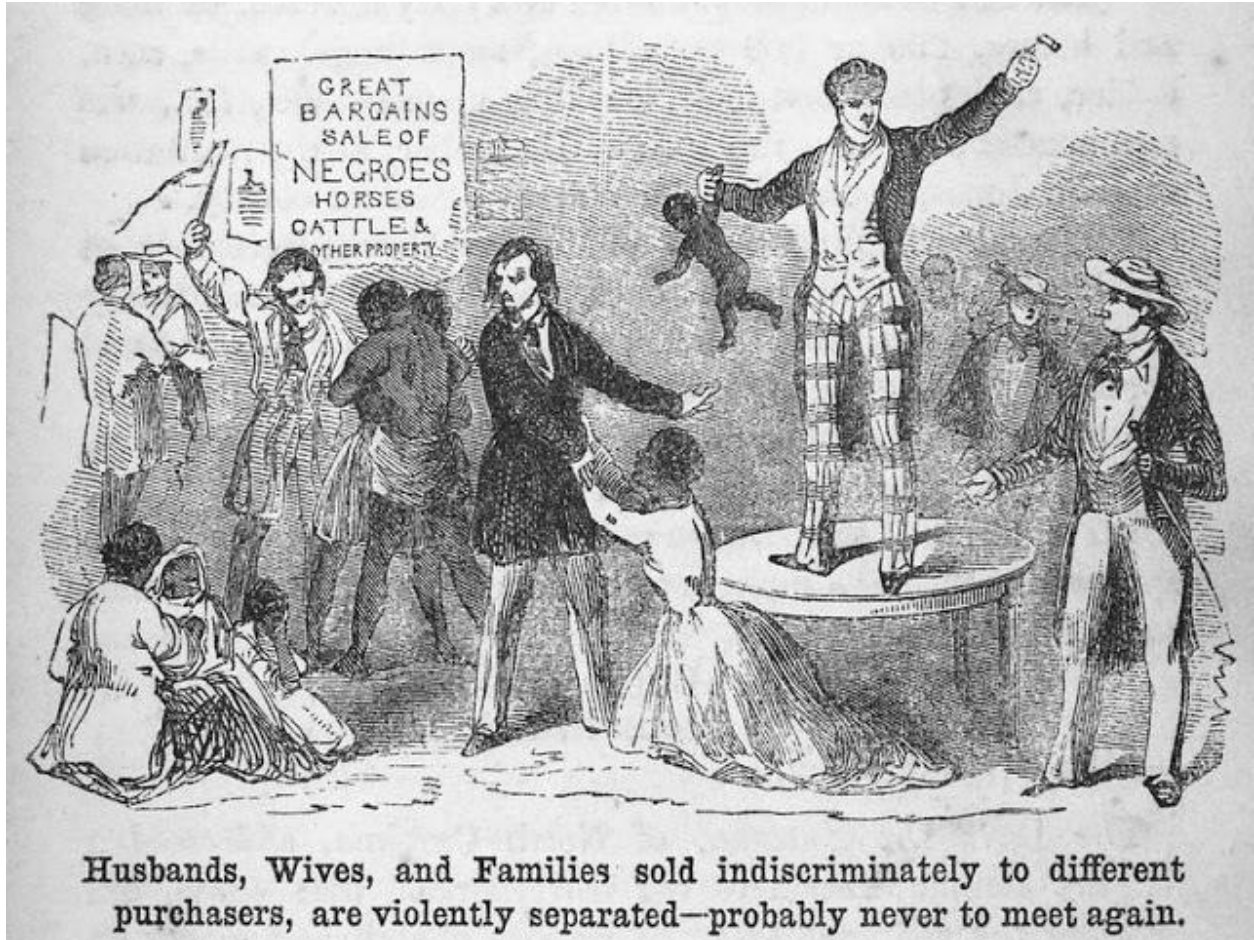

It's a gift for him and for you nothing is by chance. This curse should spark some fire in you, because of what your enemy did and the effects today are still going on in 2015.

Throughout all of our captivity we were abused many ways but our children being ripped from our hands is high on the list of atrocities that we never recovered from. When males were made breeders and females made into whores for our oppressors financial benefit.

Before slavery our family bond was legendary we had strong family morals and didn't break them. When we started having children out of the natural order the lord put out we picked up a habit that has morphed into something heartless we do today.

Our babies were sold at different rates and traded for livestock or other goods. Most mothers never got to see their children past the age of 5. Crying praying and wishing they were dead were just some of the actions behind this.

[This Clip Demonstrates the pain we went through](#)

Some women that perceived this would happen before they landed in The New World decided to end it early and jump off the boats.

[Woman chooses sharks instead of slavery](#)

Sadly when our children were sold they never again seen their god given parents. Thus by doing this action they brought in other curses that were placed on our people. Destroying our youth was one of many tools Esau and other nations used to bring us to a low state.

We became a broken people with our heritage mixed traded and sold we had no foundation to build upon. Like we learned in the last curse if you have nothing to start with it's hard to know where to head in life.

Babies relate to what they see and through time we have been master chameleons. We have adapted to everything thrown at us and through The Most Highs grace we are still here.

The mere fact you are reading this is a testament to his love for us. Any other nation that went through we did would have been wiped out. With our men broken and made to be breeders and women into whores the enemy had everything they needed to build their new kingdom America.

Whether the Willy Lynch letters are real or not you need to look at this closely and then look at your window and tell me if this is not indeed what you see from us as a people.

We breed two n-word males with two n-word females. Then we take the n-word male away from them and keep them moving and working.

Say one n-word female bears an n-word female and the other bears an n-word male. Both n-word females being without influence of the n-word male image, frozen with an independent psychology, will raise their offspring into reverse positions.

The one with the female offspring will teach her to be like herself, independent and negotiable (we negotiate with her, through her, by her, negotiates her at will).

The one with the n-word male offspring, she being frozen subconscious **fear for his life**, will raise him to be mentally dependent and weak, but physically strong, in other words, body over mind.

Now in a few years when these two offspring's become fertile for early reproduction we will mate and breed them and continue the cycle. That is good, sound, and long range comprehensive planning.

I told you they plan this years in advance they know what they are doing. Now since the family structure is broken the roles are reversed in 2015 and getting worse. Here are the fruits of what you learned from your slave masters.

- Effeminate men = Men that act like women or have women tendencies.
- Abusive Men and women = Families can't stay together due to no mutual respect. Men and women roles are reversed. Women don't respect the man enough to lead the household. Men do not trust women in general. This carries over to the children and the cycle continues.
- Children are lost forever = Most kids that that are a product of this curse are confused all their lives on what side of the family they need to structure themselves after. With no father figure to look up to they look to their friends or worse. This is even worse in adoption due to most kids being given white parents. They will never identify with the curses or know their real history and won't care.
- Pimps and Whores = Men will become players because the men that were slave breeders from the time of their youth only know one thing. They pass this down through the generations, thus you get thugs, players, pimps etc. The women are not used to having a family structure, and didn't have one in her youth. Her family never followed the Bible so she did not know how to love her man (Read the book Of Titus). She has no life goals so she makes money in the streets not knowing god called her pure gold.

Now let's take this a step further. Since society has made it that we are numb to our family structures the results are devastating. When your self-worth is low you tend to be selfish and depressed and you don't think clearly when it comes to your life or others.

Abortion is a tough issue for men and women. We were never supposed to do this act but this is the end result of programing. They promote shows

that cast us in a horrible light and we take joy in it (See world star hip-hop) and they feed it to you 24/7.

So a man that doesn't respect the GIFT that GOD gave him decides to tell the woman he's with to take a life. What's worse is that she agrees with it and they don't think twice. She has no self-worth so instead of them both raising that child right by the laws of the most high. They commit murder.

This all comes from us being a broken people and we suffer from the curses of Deut 28. After you get done yelling at the screen and being upset I want you to really think on this.

The Most High said we are a holy people unto himself he owns us and any babies we have. What do we look like walking into a Planned Parenthood building and killing God's Blessing? You are worth so much more than you are being taught this is why The Most High has placed the spirit on me to tell you this.

Stop listening to the same people who are killing you and teaching you to kill your children. The Bible talks about regeneration its real it exists. I won't get into that topic here but here is some food for thought.

The next time you think about abortion just remember you could be killing Moses, Matthew, Joshua, Ruth or even Judith.

The Book Of Deuteronomy 28: 43-44

**43. The stranger that is within thee shall get up
above thee very high; and thou shalt come
down very low.**

**44. He shall lend to thee, and thou shalt
not lend to him: he shall be the head,
and thou shalt be the tail.**

Curse of the Ruling Strangers

This curse is very revealing and you need to take in exactly what it is saying to you. We as a nation of people came out of Egypt and we settled in the wilderness. We were not alone because in ancient times Egypt had other races in captivity besides the Israelites.

Once The Most High put the smack down on Egypt and finished his plagues, the Israelites and strangers ran out together. Egypt was a modern day America a superpower that no one could topple. It took The Most High to execute his will and kill the armies of Ramses the II.

Since we were chosen by God himself there were certain things he no longer wanted us to do. We were tainted by 430 years of brainwashing heathen customs. This is why he told us this.

Leviticus 18:2-5

2 Speak unto the children of Israel, and say unto them, I am the LORD your God.

3 *After the doings of the land of Egypt, wherein ye dwelt, shall ye not do: and after the doings of the land of Canaan, whither I bring you, shall ye not do: neither shall ye walk in their ordinances.*

4 *Ye shall do my judgments, and keep mine ordinances, to walk therein: I am the LORD your God.*

5 *Ye shall therefore keep my statutes, and my judgments: which if a man do, he shall live in them: I am the LORD.*

He gave us a specific set of rules and guidelines so we could live and grow as a nation. We were so entrenched with the heathen customs and the strangers we had to learn how to be holy.

The most high said do NOT follow their laws because we were going to be a special people to himself. We were supposed to be the blueprint. The stranger that ran out with us was supposed to follow OUR laws and our ways. If you look at things nowadays things are reversed. How many laws out of the Bible does the world really follow today?

This curse is deep because it says you shall basically serve the strangers that walked with us. We would be the slave and they would be the leader. We touched on that in an earlier curse so you can truly see how things have evolved over time.

We would go down to the bottom of society and this curse is talking about financially. You see the other nations were supposed to lend from us because we were supposed to be ruling. We do not own any banking intuitions.

We do not for that matter have any financial structures. If we want to borrow anything monetarily we have to go to heathen nations. That's right the same ones that ran out with us from the times of Egypt.

Who owns the banks? Well you can't say Negroes, Mexicans, or other families of the Israelites. Have you ever heard of Payday Loans? Have you seen the interest levels on that joke of a program? The lord said that we were not to do Usury to one another. Here is the scripture.

Exodus 22:25

25 If thou lend money to any of **my people** that is poor by thee, thou shalt not be to him as a usurer, neither shalt thou lay upon him usury

Remember this is after the 10 commandments were given proving there are more than 10. This is plain, but let's iron out the kinks to get a clear understanding here is what Usury is.

Usury Definition

- ***the lending of money with an interest charge for its use; especially : the lending of money at exorbitant interest rates***
- ***archaic : [interest](#)***

Ok now let's Iron out the other word

Usurer Definition

- one that lends money especially at an exorbitant rate

The Most High is telling us in this scripture that we were supposed to be sympathetic to our people's needs. If they needed money they must be asking for a good reason. Remember none of us should have wanted for much if we followed the laws.

Everyone has tough times and we were supposed to help one another. It was a commandment for us NOT to charge our OWN PEOPLE interest. If you take this to today and apply it we could pool our resources and dominate no one within our gates would go hungry.

Obviously this is not the way we do things and it was prophesied decades ago. We fit this curse just look outside your window.

You hammer down the point here is what else god said about lending.

Deuteronomy 15:

2 And this is the manner of the release: Every creditor that lendeth ought unto his neighbor shall release it; he shall not exact it of his neighbor, or of his brother; because it is called the LORD'S release.

3 Of a foreigner thou mayest exact it again: but that which is thine with thy brother thine hand shall release;

4 Save when there shall be no poor among you; for the LORD shall greatly bless thee in the land which the LORD thy God giveth thee for an inheritance to possess it:

5 Only if thou carefully hearken unto the voice of the LORD thy God, to observe to do all these commandments which I command thee this day.

6 For the LORD thy God blesseth thee, as he promised thee: and thou shalt lend unto many nations, but thou shalt not borrow; and thou shalt reign over many nations, but they shall not reign over thee.

There is a lot of meat on that bone but let's take a BIG bite and see what God is saying. First he said "The Lords Release" happens every 7yrs. With this if any brother of your own people had any kind of debt to you drop it totally. Because god said he's got your back and would pay it back to you through your land. Now if it's a "stranger, foreigner" it's no problem you could lend to them indefinitely.

All we had to do is keep the commandments that The Most High gave us and we wouldn't have to ever worry about money. If that wasn't good enough the LORD said you shall lend to nations. We would be reigning and not in the ghettos.

How many of our people are in debt from trying to go get a better education? How about just to pay rent? Your brother comes to you on the street nowadays and asks for a dollar you do not even consider.

We have been on the bottom for so long we wouldn't know how to live on top. If we turn back to the Most High as Israelites we will rule again. Want proof from the Most High himself?

Isaiah 61:5

5 And *strangers* shall stand and feed your flocks, and the sons of the alien shall be your plowmen and your vinedressers.

6 But you will be called the priests of the LORD; you will be spoken of as ministers of our God. *You will eat the wealth of nations, and in their riches you will boast*

7 *Instead of your shame you will have a double portion, and instead of humiliation they will shout for joy over their portion. Therefore they will possess a double portion in their land, Everlasting joy will be theirs.*

Now I cannot speak for you but I want this so I changed my life. I am following the road to the kingdom with many other brothers and sisters.

You are a chosen you have been chosen before the earth was formed. It's not by chance you got this knowledge in your hands. It's time for you to stop listening to "Them," and start listening to the Most High.

Do you know who you are yet? Say it with me I AM A ISRAELITE. Come back home the most high is calling you back to your Heritage and with it the promises to Abraham, Isaac, and Jacob.

The Book Of Deuteronomy 28: 47-48

47. Because thou servedst not the LORD thy God with joyfulness, and with gladness of heart, for the abundance of all things

48. Therefore shalt thou serve thine enemies which the LORD shall send against thee, in hunger, and in thirst, and in nakedness, and in want of all things: and he shall put a yoke of iron upon thy neck, until he have destroyed thee

Curse of the Lack of All Things

These curses now will start narrowing down fast to direct you to the truth on who the Israelites are. I have a question for you. Who is more rebellious than us blacks, Hispanics and Native American Indians?

You know there is an old saying that goes like this “Some people have to get burned before they realize the stove is hot.” IMO this is our people in a nutshell, and it’s all throughout our existence.

We got saved from bondage of Slavery from the Most High and we complained. We complained so bad Moses lost his cool and he couldn’t even go to the new Promised Land.

Then we pissed God off so bad that he sent poisonous fire serpents at us. The most high gave us food and water in the wilderness and more, and we STILL complained.

The most high got so fed up with us not listening and going against him he was going to kill us ALL and make a new people out of some rocks.

Moses stepped in and stopped the Most High and pleaded for us. Our greed and never being satisfied has always been one of our weaknesses.

It's sad also because if you just think about this for a second we have been through more captivities than anyone and guess what we are STILL here. That should be enough to make you joyful. I know you see on TV late night infomercials about the starving Africans etc.

Even though we are suffering the curses we still have food water and the abundance of what we need to survive until Christ returns. God is STILL providing for you even through you don't wish to see it.

God wiped out the Egyptians they NEVER rose again. God doesn't make mistakes when he orders a thing done it happens. No one could go through the atrocities we went through and survive without the blessing of the Most High. Now let's get some scripture to back that claim up.

Daniel 9:11-12

. 11 Yea, all Israel have transgressed thy law, even by departing, that they might not obey thy voice; therefore the curse is poured upon us, and the oath that is written in the Law of Moses the servant of God, because we have sinned against him.

12 And he hath confirmed his words, which he spake against us, and against our judges that judged us, by bringing upon us a great evil: for under the whole heaven hath not been done as hath been done upon Jerusalem.

You just can't get around this again if you look just outside your window or next time you go to the city just look around you. The most high made us stronger than any other nation. All the tribes broke The Most High's laws so we are in punishment but he hasn't forgotten us. We need to rejoice because our captivity is almost over and then it's on and popping. The bad news is although we are as the sand of the sea only a remnant will be saved.

Why is that do you ask? Its simple some people just won't wake up and some will be wicked till they die.

Some of us love Babylon, and are so far gone that they would rather lie and die than repent and live. Judgment is coming to us all you need to be ready. Take a look at this.

Zephaniah 3:13

13 The remnant of Israel shall not do iniquity, nor speak lies; neither shall a deceitful tongue be found in their mouth: for they shall feed and lie down, and none shall make them afraid.

This means we shall be truly free. Imagine being able to sleep without worrying if a police man will bust through your door, because of a case of mistaken identity.

Imagine you and other brethren dealing with one another by the laws of God and reaping the blessings of Deut 28. You need to clearly understand what coming look at this verse.

Zechariah 13: 8-9

8 And it shall come to pass, that in all the land, saith the LORD, two parts therein shall be cut off and die; but the third shall be left therein.

9 And I will bring the third part through the fire, and will refine them as silver is refined, and will try them as gold is tried: they shall call on my name, and I will hear them: I will say, It is my people: and they shall say, The LORD is my God.

The Most High is not playing games. You can be walking charcoal or you can be a beacon of light for our people so we can come out of this. Either you will be 1/3 or 2/3rds club. I am doing all I can to be part of the latter.

I told you before this is a fixed fight, the powers that be known that their time is almost up. You need to be totally reborn and wake up as an Israelite.

You see we were supposed to go into slavery to teach us a lesson but the heathen took shit too far. He has totally erased our history and given it to

another race. The Bible is our history book but yet a heathen snake has taken your lineage and has adopted it. The most high told us in Deut 28 48 that since we wanted to be stiff necked and hard headed. We would serve the enemy that we hated.

But wait there is more in that verse..... Do you see who sent the enemy our way? The Most High sent that evil. Not to destroy us but to cause us to repent as a nation of people. The Bible said let god be true and everyman a liar. Let's allow the Bible to speak to you.

Baruch 3:8

8 Behold, we are yet this day in our captivity, where thou hast scattered us, for a reproach and a curse, and to be subject to payments, according to all the iniquities of our fathers, which departed from the Lord our God.

The scripture is telling you straight up why we are in the situation we see daily. We sinned God checked our forefathers and now we are paying for their sins and our own (Iniquities is sin). There is also a pivotal part of this scripture you need to pay close attention to.

We would be subject to payments. Look at what God said in Deut 28:48. Keep in mind "Subject to payments" also remember your enemies know this.

Therefore shalt thou serve thine enemies which the LORD shall send against thee, in hunger, and in thirst, and in nakedness, and in want of all things: and he shall put a yoke of iron upon thy neck, until he have destroyed thee.

This will hit you like a brick truck with no breaks! You will have to serve your enemies (More than one)

- In Hunger = If you want food we do not own our own grocery stores. Therefore you have to pay your enemy. We don't own Kroger 7-11 stores etc. Walmart

- In Thirst = that's right we don't own any utilities as a nation. You got to go to your enemies. That's right you are subject to payments. You can't even catch water from the sky now it's a fine.
- In nakedness = Go to your closet look at the tags on your clothes none of it is made by us. Not even your underwear.
- In the want of **ALL** things = Meaning just in case we missed anything like a driver licenses or a permit etc.
- You would have to pay your enemy for everything this is a CURSE.

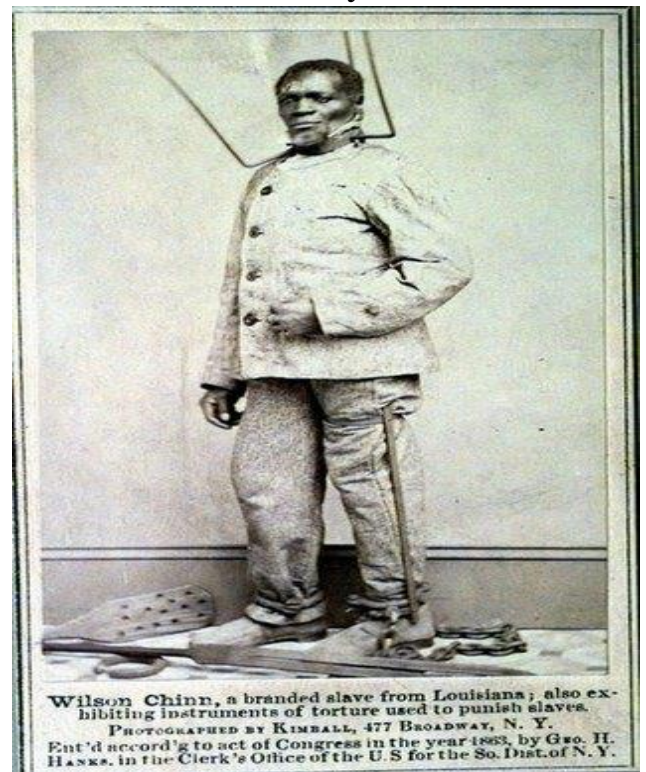

This will seal the deal The Most High is telling you now in the last part of Deut 28 48 that this enemy would put a yoke of Iron around your neck till you were destroyed. The people in Israel now, yeah those Israelis funded the slave boats.

Here let me help you out brothers and sisters take a look at this.

Brings me to tears when I see this but you must understand that you have pure hate enemies. Who did this to you? This is real this happened and you can no longer hide in lies. You are marching and socializing with the same people who hung you.

The Bible is a true book you are an Israelite brothers and sisters of the Trans-Atlantic and Trans-Saharan slave trade. Now do you have a clearer picture of the ordeal we struggle against? They truly hate you and me and there is nothing we can do about it but one thing.

Come back to the most high and separate from their ways. These books are laying out for you the truth but I know you never heard it like this before. Humble yourself realize you have been lied to and fight! Stand on your feet oh ye dry bones.

I have been woken up and I will never sleep again. That's all thanks to the most high. Now ask yourself do you want to be 1/3rd or 2/3rds?

The Book Of Deuteronomy 28:49-54

49. The LORD shall bring a nation against thee from far,
from the end of the earth, as swift as the eagle flieth;
a nation whose tongue thou shalt not understand;
(Read Through 54)

Curse of the Eagle Nation of Evil

In these curses you will learn of an oppressive nation that the lord sent amongst us to teach us a lesson. Since we wanted to do wickedly in front of The Most High he sent a wicked nation to us to own us. This section all these scripture curses go together so we will do all this as one.

Let's go through some of the highlights so you can get an overall view. Open your Bibles and let's get to work. This will be a little longer than the other breakdowns but we shall make it as short as possible.

- **Deuteronomy 28:49** = This nation that would come against us we would NOT understand their language. This narrows the playing field a bit and helps us to identify who we are dealing with. Also the scripture says this nation would be as swift as the eagle flyeth.

History is always written from the point of view of those who won the battle or survived it. In this case a trail of footprints leads us to one nation of people. In their pride they never changed their symbol.

UNITED STATES

SPAIN

ROME

BABYLON

GERMANY

FRANCE

There are many more than these but I think you get the general point. All these other nations had us at one point in slavery or helped oppressed us. Once more is that they all till this day are benefiting from our bondage.

Ill venture to say that, any successful business of today has a hand in the bloody money pit which was our slavery. They ALL use the eagle this is a very short list but Google it you shall see it first-hand.

When these nations came to our shores we did not speak English. As a matter of fact even Columbus had to bring Hebrew interpreters to communicate. When our ancestors got to this land here in the Americas we did not speak a word of English.

These nations that came and got us via Africans selling us to them were ruthless. They didn't care if you were 8 to 80 if you could server them as slaves so be it.

They milked any and every skill they could from us and when they finished they discarded us. Yet and still you stand shoulder to shoulder with them. You are hugging the same people that Raped, Robbed, Murdered you.

Do you think they just woke up one morning and said "Hey lets go get god's chosen people and slaughter them". Nope the most high sent the wickedest generation of men on this planet for us and we are still suffering, because we still won't wake up. God controls his creations and he is the author of our comings and goings. Here let's back that up.

Proverbs 20:24

24 *Man's goings are of the LORD*; how can a man then understand his own way?

Here is another

Jeremiah 10:23

23 *O LORD, I know that the way of man is not in himself: it is not in man that walketh to direct his steps.*

That is plain and clear let's get the next verse this is dealing with these SAME fierce face heathens.

Deuteronomy 28:50

A nation of fierce countenance, which shall not regard the person of the old, nor shew favor to the young

In the year 2015 there have been a number of “not guilty” murders by policemen and others. Needless to say, we Israelites are the ones getting smoked like a pack of Kools cigarettes. God is trying to show you the “countenance” of these people. You have to be able to see how broken our people are by now. Take the [Dylann Roof](#) Case for example; all of these murders have one thing in common that’s the triggerman. They all seem to have this lifeless “I did it and I do not care face.” That is a fierce countenance.

Now before we go screaming “HEY WE KILL ONE ANOTHER ALSO” let’s deal with one issue at a time. At the end of the day even if we stopped killing one another there is still this wicked seed out there that will continue to do the mission he was assigned.

They just gunned down a Black man in a wheel chair recently. He was suffering through the curses and needed help. Man where were our black leaders for this young man? The cops decided instead of doing what they could to help the young man they would just end his life. I will post the [video link here](#) but I could not watch it more than once.

My uncle is a paraplegic and I imagine that this was him most times. Burns me to the core that we go through this but we have a debt to pay, and I for one am glad to put in my brick for the debt.

They also kill us by saying “Abortion is a choice”. Murder is also a choice and we would never have considered such a thing if we still had our family structure in order. There is no age range that is safe and there is no status that is protected.

Hell even rich blacks are under the curses they do not know this though. They believe because Esau lets them play in their sandbox that it is theirs also. This is the kingdom of the Heathens and they rule. Take the case of this tennis player named James Blake. A classic case of mistaken identity LOL yeah we

have heard that one before. It's not mistaken when it is planned. He was just hanging out and out of nowhere a cop wrestles him to the ground. Also there is the threat of don't say anything blah, blah. To sum it up its move and you die. If you want to see the [video is here](#).

This is why god said to separate from them. They are not right from their SOUL to their bones. A lion cannot be a mouse they are totally different animals. The so called "white man" (Esau) is not like us.

We are 2 totally different nations. Let's back that up with a scripture. I will not do an entire Esau breakdown here but later we shall do it.

Genesis 25: 22-26

22 And the *children struggled together within her*; and she said, *if it be so, why am I thus? And she went to inquire of the LORD.*

23 And the LORD said unto her, *two nations are in thy womb, and two manner of people shall be separated from thy bowels; and the one people shall be stronger than the other people; and the elder shall serve the younger.*

24 And when her days to be delivered were fulfilled, behold, there were twins in her womb.

25 And the first came out red, all over like a hairy garment; and they called his name Esau.

26 And after that came his brother out, and his hand took hold on Esau's heel; and his *name was called Jacob*: and Isaac was threescore years old when she bare them

Now there is a lot of meat in those scriptures but let's get the finer points so you know what I'm talking about.

- In verse 22 it says 2 nations she would give birth to. And one of these children would be stronger than the other. This means mentally and physically. (See current sports etc. and mentally meaning no other race could of survived all the slaveries we have)

- Now in verse 25 it says that the first baby that came out was **RED all over**. Who do you know today that is red skinned? Nope not the Native Americans. Here is a clue what do they call white people in the south? Red Necks. The reason why they are the only race on the planet that is born with no Melanin. Have you ever seen them get a suntan?

• In verse 26 we learn about Esau's brother coming out and his name was Jacob. If you notice they did not mention Jacob's color why? Because everyone else on the PLANET EARTH HAD MELINEN. Now your first words should be prove it so I shall Look at

Genesis 2:7

And the LORD God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul.

Esau was different from everyone on earth at that time. Even down to his color and attitude if you read more in that chapter. Esau was a cunning hunter his blessing was he would live by the edge of the sword. And by this method he would live

in the fatness of the earth. Meaning he would be rich by conquering other nations and peoples.

Are you starting to see your enemy more clearly? I hope so because these curses are upon you because you were a stiff necked rebellious house, let's hope that this is sinking in. We will close out Deuteronomy 28:50 with a gripping photo.

Killed by Esau so far in 2015... Still Counting

On to the next curse in this series again all these curses go one with another.

Deuteronomy 28:51

51 And he shall eat the fruit of thy cattle, and the fruit of thy land, until thou be destroyed: which also shall not leave thee either corn, wine, or oil, or the increase of thy kine, or flocks of

thy sheep, until he have destroyed thee.

This happened a few times through history but more recent is the Sharecroppers Plight. You have to understand how this curse affects us even now. You see agriculture is a multi-billion dollar industry. In the early and late 1900 some of us actually owned farms but caught hell trying to run them.

When slavery was “Officially” broken in the USA blacks due to Jim Crow laws could not get many jobs. In addition most of us could not read or write (By design). So ex slaves did what they did best which was farming and guess who made a deal with them?

That’s right it was Esau. It was not a fair deal from the gate because we had no collateral to buy the things needed to be independent. For instance feed for the cows, equipment cost, clothing, mules, and shelter. We had to go to our oppressors who were all too happy to make us a HUGE loan with massive interest rates.

The only way we could do the borrowing was at 2/3rds interest leveraged against next year’s stock. Most share cropping families had to wait an entire year for them to see the fruits of their crops. You know ...just think if you had to wait an entire year to get paid.

Also in some cases the masters would tell them “Hmm sorry this year we did not make a profit so there is nothing for you”. All the while they are making a killing while we die slowly. Not to mention the debt we would collect now that we could not pay off the loan. Yeah Esau is the devil the Bible speaks of.

Thus making us a slave through debt and never recovering. They would harvest our crops we made to leverage the debit they created. You wonder why your parents, parents never handed down any wealth? This is one major reason.

This is a rather large subject I just wanted to tell you that this indeed is one of the curses that Moses told us about all those many years ago. This is Prophecy turned History.

Deuteronomy 28:52

52 *And **he** shall besiege thee in all thy gates, until thy high and fenced walls come down, wherein thou trustedst, throughout all thy land: and he shall besiege thee in all thy gates throughout all thy land, which the LORD thy God hath given thee*

In 70AD when the Romans came and destroyed our homeland Jerusalem they just did not bring 200 soldiers they brought fleets of Legionnaires and Calvary to destroy us. They surrounded the city so we could not escape. This tactic did 2 things starved us for food and other necessities. Also this allowed them to sit and wait till we tried to run. This was also Edom which is Esau or some call them the legion of Idumea.

In 2015 they do the same thing but it's called Swat. The names might have changed but the evil is still the same. Jerusalem had to fall in the manner it fell for prophecy to be fulfilled. Take a look

Luke 21:20 – 22

20 And when ye shall see *Jerusalem compassed with armies,* then know that the *desolation thereof is nigh.*

21 Then let them which are in *Judaea flee to the mountains;* and let them which are in the midst of it depart out; and let not them that are in the countries enter thereinto.

22 For these be the days of vengeance, *that all things which are written may be fulfilled*

Jesus told you straight up, when you see Jerusalem get surrounded with romans get up and GET OUT. Also if you were not in Jerusalem but in the surrounding suburbs do not enter. Esau the hunter is destroying your homeland, so you needed to find a new home.

We ran unto Africa like I said earlier with another curse. They did chase us but we blended in, and adapted to the cultures around us.

We were the lucky ones, because the ones that stayed behind the hardships they endured I will not write here. Every time I think about it I want to destroy my computer, so if you wish you can Google it later.

Again everything I am telling you is fact and it IS YOUR history the Bible is your book no one else's. Now let's bring this curse to 2015.

Have you ever noticed when it's a black related crime that one cop car will not suffice? Usually when it goes down with our people 3 is a minimal and all of them have their hand on their guns.

You have seen the news enough to know that cops and blacks are not a good mix. Most of these cops were the weird kid at school who was a punk now they are older. The only thing that changed is now they have a license to carry a gun.

There have been numerous cases this year where they invade someone's home fire shots killed someone, and then say "oops we had the wrong house." For instance take the case of [this 7 year old girl](#). They will pay dearly for their lack of judgment. The Destroyer of the Gentiles is coming!

Deuteronomy 28: 53

53 And thou shalt eat the **fruit of thine own body, the flesh of thy sons and of thy daughters**, which the LORD thy God hath given thee, in the siege, and in the straitness, wherewith thine enemies shall distress thee

When we first started this journey together I said I offer you the truth nothing more. I have been dreading getting to this curse because this happened literally. Before we go to the scripture to support this I need you to fully understand something.

We did wickedly and we followed the customs of the heathen from A-Z. One of the many customs of the other nations was cannibalism. There were those of us that learned all sorts of rituals and customs of the wicked.

When the Siege of 70AD happened we were so hard up for basic food rations we had to eat whatever we seen. Thank the most high that I have no memory of those events and have not experienced that type of hunger. Rome cut off all access points to leave the city and cut off the water supply. Forced to survive we did what we had to do. Esau forced us to do what we dread, since we did not want to follow Gods laws we followed the heathens.

This happened before the Siege of 70AD there was a great famine in Samaria. We won't go through the entire story but this was also prophecy.

2 Kings 6:28 - 29

28 And the king said unto her, what aileth thee? And she answered, this woman said unto me, give thy son that we may eat him to day, and we will eat my son tomorrow.

29 So we boiled my son, and did eat him: and I said unto her on the next day, Give thy son, that we may eat him: and she hath hid her son

Now how does this curse apply to 2015? How does this affect us today? Thank the most high that we do NOT have to endure this curse anymore! We have been there done that, and we do not to my knowledge go through this now. We do however go through poverty in our neighborhoods. I do not dodge the scriptures like most preachers you know. I will bring scriptures, with history, to make it reality.

Deuteronomy 28:54

54 *So that the man that is tender among you, and very delicate, his eye shall be evil toward his brother, and toward the wife of his bosom, and toward the remnant of his children which he shall leave*

This scripture goes into black on black crime and also our family structure being broken. We will start with the crime against ourselves. I want to give you another precept to go with this then we will go through it. Turn in to you Bible to.

Isaiah 51:20

20 *Thy sons have fainted, they lie at the head of all the streets, as a wild bull in a net: they are full of the fury of the LORD, the rebuke of thy God.*

Ok starting with Deuteronomy 28:54 you can see in that verse that we would have an evil eye towards his brother. Any hood, ghetto you can see this prophecy coming to pass. Black on black crime is a daily thing, hell it's an hourly event.

Although these heathen nations are killing us wholesale our brothers and sisters are body bagging us at a breakneck pace. If we would stop killing one another we could seriously see our enemy clearly. The enemy fears one thing and one thing only. They fear uniting under The Most High. (Judith 5:17-20)

This curse is heavy on our people and until we repent and come back to the laws of god this will continue. This is another reason 2/3rds have to go. Some of our brothers and sisters are just too far gone, and the white man has done his job well.

Yes we are to blame for our disobedience to The Most High but let's keep it real. Entertainment moves us to do things that are against the most high. We do things from a selfish mind state because we have nothing.

We get the worst of everything, and most times we don't even get that. When you show someone something over and over a certain amount of internal programing happens. For instance you show a child a cute cartoon, with 2 cartoon characters kissing one another.

You do not think much on it but the fake Jewish bastards that own the cartoon stations know what they are doing! You make someone's mind numb to certain things by appealing to their genre.

Now your little boy thinks its ok for a man to wear a dress and to cuddle up to another guy. This even gets more aggressive as they start watching more adult shows. Then they mystically "Turn Gay" and that's how it starts. The programing won't end till we pull the plug. Now flip the script and let's replace the cartoons with Gangster Rap or Thug Life.

I for one used to love 2 Pac and NWA etc. but I had to take a step back and look at the message. You see they plant things in your subconscious that you don't notice. When something has a banging beat with some sexy women your mind goes numb.

We are royalty not scum and we need to back off of what we are pushing to our young ones. Entertainers if you are reading

this you are pushing a message that promotes black on black crime.

You never see some white kid in the suburbs capping off rounds and jacking someone, all the while saying bitch this and bitch that. WE do that because we were taught to hate each other, and the white people make billions off it.

If all the black entertainers tomorrow stopped doing mind raping music watch and see how upset your slave master would get the industry would fall. Again we cannot see our true enemy if your brother is your enemy.

When we got off those slave ships we didn't know anything about glocks and gangbanging we were unified. Then the Willie Lynch method changed all that and made our worst enemy one who looks like us.

They pitted us against one another in everything house nigga vs. field (Rich vs. poor). Dark skinned Negroes vs. light, short vs. tall, beautiful black sister vs. one that was less attractive. You name it they exploited it. Now that they built the monster we run it.

With the family structure destroyed now all the white man had to do was keep us from reuniting as a family. Welfare made it so a man could not be in the house making women put out their loving man for benefits from the government.

“States had wide discretion to determine eligibility and many states conditioned the receipt of welfare on the sexual morality of the mother, using "suitable home" and "man in the house" rules to disqualify many African-American single mothers.”

[The Right's Campaign against Welfare](#)

Now since the man is no longer needed to support the family women became more independent. Thus making the man feel insignificant and causing him to abandon his family. Now he goes out to get a new woman all the while committing sins.

This also goes into domestic abuse in the scripture. I think you can see now due to frustration anger and strife cause huge rifts in our families. This is also why young men learn how to be men from the streets. It never used to be this way and we need to fix this fast.

Listen there is enough blame to go around I get it but if we do not start with us there will be no unity. If you cannot manage your family how can you manage the kingdom to come?

Now to deal a little with Isaiah 51:20. When you go to any inner city in the USA, you will find a common pattern of residency when it comes to us. This phenomenon is not limited to the Americas you will find this wherever. You will find the children of Israel in the worst conditions and in gangs.

We are always together by design and they plan to keep us sleep for as long as possible. Wake up Israel you fit all these scriptures and you are the most precious thing on this planet. Stick with me there is more to understand.

Isaiah really did have the spirit on him when he prophesied this. Blacks, Hispanics hangout on the street corners, looking for the next thing to get into. Mothers and Fathers are not there to tell them any different.

Lacking direction and laws of The Most High we usually do what we have been programed to do. What is that you might ask? Simple Sin.

We are full of the transgressions of our ancestors and we need to finish our punishment. We were not sent to this bondage to prosper we were sent for punishment.

We have drunk the entire cup of God's wrath but we are waking up now and the heathens know it. You might ask why in the world are the children in the streets so violent.

The Bible says “**wild bull in a net**”. If you ever seen a rodeo then you will understand this, a bull has power and does not like to feel trapped, or hopeless.

Because in our subconscious mind we even know something is off. You wake up every day with the same feeling of hopelessness, until you decide to do something about it. Just like a lion caged we fight to get free.

We have a zeal a power within us that is a gift from god to know when something is off. I know this is not easy to read much less live but at the end of this you will know beyond a shadow of a doubt who you are and what you need to do. You see time is short and your brothers and sisters that are sleeping need your assistance.

God gave you a commandment that gives you ultimate direction that no one should be able to play games with your reality and emotions. Some of you will read this and take my word for this. NO DO NOT do that you have fallen for that too many times. Now we do things the Lords way. The blueprint to fix us is written and it’s a masterpiece.

Isaiah 34:16

16. Seek ye out of the book of the LORD, and read: no one of these shall fail, none shall want her mate: for my mouth it hath commanded, and his spirit it hath gathered them.

Do you see that? It’s a commandment from the most high. You were never supposed to trust anyone’s “Idea” of what YOUR GOD was saying. He has always wanted you to read it for yourself.

No a white man did not write the Bible get that out of your head you are giving a heathen more power than he deserves.

No prophecies in the Bible have ever failed up to this point and they never will. No man could predict these events in the Bible without the vision of The Most High.

Romans 15:4

4 For whatsoever things were written aforetime were written for our learning, that we through patience and comfort of the scriptures might have hope.

Do you see now why these writings are so special for us these were our forefathers and no one else's? EVERYTHING in this Bible is written for us to learn from. We have hope that Christ will come and save us from our enemies and deliver us to home.

The Bible is the blueprint of the Israelites, and it's high time you look at yourself and start making the change from a byword to your true calling.

Have patience you will see what I mean soon enough. Once the veil of lies has been torn down you shall regain your identity.

The Book Of Deuteronomy 28:56

56. The tender and delicate woman among you, which would not adventure to set the sole of her foot upon the ground for delicateness and tenderness, her eye shall be evil toward the husband of her bosom, and toward her son, and toward her daughter,

Curse of the Fallen Princess

As we go through these curses that The Most High placed on us for disobedience, you need to keep one thing in mind. We are on PUNISHMENT the almighty did not disown us no matter what your church says.

They will tell you that “All that exists now is spiritual Israel” when that is nowhere in the Bible. Christ is coming back for his people that have faith in him and keep the commandments. Stick with me brothers and sisters there is a kingdom to be had!

We will skip curse verse 55 if you wish to review it that’s fine but it goes into high levels of poverty etc. There is no use in beating that dead horse we know we are broke.

Ladies this curse is for you. Not to say the other curses do not apply to you but this one.... Will hit close to home, and make you re-evaluate things in your life. I want to pull up something from the Willie Lynch letters.

Read this closely and then we shall hammer this curse out so you can understand where things went horribly wrong. Don't skip a word read it all.

Therefore, we shall go deeper into this area of the subject matter concerning what we have produced here in this breaking process of the female nigger.

We have reversed the relationship; in her natural uncivilized state, she would have a strong dependency on the uncivilized nigger male, and she would have a limited protective tendency toward her independent male offspring and would raise male offspring's to be dependent like her.

Nature had provided for this type of balance. We reversed nature by burning and pulling a civilized nigger apart and bullwhipping the other to the point of death, all in her presence.

By her being left alone, unprotected, with the MALE IMAGE DESTROYED, the ordeal caused her to move from her psychologically dependent state to a frozen, independent state.

In this frozen, psychological state of independence, she will raise her MALE and female offspring in reversed roles. For FEAR of the young male's life, she will psychologically train him to be MENTALLY WEAK and DEPENDENT, but PHYSICALLY STRONG.

Because she has become psychologically independent, she will train her FEMALE offspring's to be psychologically independent. What have you got? You've got the nigger WOMAN OUT FRONT AND THE nigger MAN BEHIND AND SCARED.

Woman all across the world can you honestly tell me that this has not happened today in 2015? It's getting worse now that America has passed

the gay marriage rights act. This programing has never been reversed since its inception.

The loud-mouth miss independent spirit is a pariah and new thing in the earth and needs to stop. It's destroying the very foundation of our growth and development.

Woman now want a man that is 50/50 with her but god never ordained this method of family structure. Without a strong male leader women are forced into a role not suited for them.

It's not the guys fault through ladies if you read above, and the only thing that has changed is they don't abuse the men in public like they used to.

The Most High commanded us to have a family structure and order in the family. When we broke gods laws he made us go into slavery and through the process we have forgotten how to love one another.

Woman of the world your natural state is to be the loving gentle princess that is a trophy for the man to be around. Instead now women have become the lead lion of the family the roles have been reversed.

Esau broke the male down in such a maniacal way that most women that seen the treatment never recovered. The women then went into protection mode and men became strong with muscles but never used the muscle that counts (The Brain). Why do you think to this day you have a SLAVE last name?

If you tried to stand up for your husband during this treatment you were whipped also rapped or worse.

This also The Most High said would happen here take a look.

Isaiah 31:22

22 How long wilt thou go about, O thou backsliding daughter? For the LORD hath created a new thing in the earth, a woman shall compass a man.

Here is the divine order if you are curious. Go to the book of,

1 Corinthians 11:5.

- The Most High
- Jesus (Yahawashi Hebrew)
- Man
- **Women**
- Kids

You can see that bondage for over 400 years has broken us down to a base state that we cannot even handle this simple order. Let me tell you how special you ladies are.

Although the man is the head of the house you are supposed to be so special and precious to him that he would do anything to protect you. Now with the roles reversed most males couldn't protect against a strong breeze much less keep their loved ones safe.

I had to get this out of the way so we can start fresh with this curse. You need to understand this knowledge I am giving is to attempt to fix one family a day.

Here is what you used to be ladies, and this is not farfetched at all you were princesses. You were of such beauty other nations were just happy to smell your perfume. The cleanest of skin the most toned amazing bodies (Good Diet) and most of all humble.

God is the author of beauty and I tell you now from what the Bible says our women were the most stunning on the planet (Compared you to palaces). Earrings and jewels of all sorts were your everyday wares.

Your clothes were top shelf and you didn't need to wear a low cut skirt to attract a man. As a matter of fact things like twerking, thots and whoredom was frowned upon. Let me show you about one of your ancestors Ester and how beautiful she was.

Ester 2:12

12 *Now when every maid's turn was come to go in to king Ahasuerus, after that she had been twelve months, according to the manner of the women, (for so were the days of their purifications accomplished, to wit, six months with oil of myrrh, and six months with sweet odors, and with other things for the purifying of the women)*

OOOHHH my do you see that ladies? I know some women that you have to force to take a bath. Ester went through this process of purification for one year. The sweet smell coming from here made men weak in the knees.

Just imagine you dressed in high royal clothes with amazing jewelry and smelling like this! They would call 911 because men would just fall out.

This is why,

Deuteronomy 28:56 says

“The tender and delicate woman among you, which would not adventure to set the sole of her foot upon the ground for delicateness and tenderness”.

Yes you were a walking pillar of grace, and a true blessing for any man.

Now we enter 2015.... where things are not royal at all. Most men’s idea of a queen is something they see off a twerk video. You have traded all your glory to an oppressor that does not care for you in the least. Yet you steady blond your hair and get more weave than your head can handle.

You keep running to these Koreans when they had you in slavery and you buy hair from them as they laugh you to scorn. All the while they are making 20K a week off our women’s low self-esteem.

Do you not know that your hair is the same as the Most High God's? Yeah that nappy hair you keep damaging with perms and chemicals that can kill a horse. God calls Blonde hair Leprosy in the Bible!

You used to have a soft womanly voice that was a joy just to hear now it's a fingers down a chalkboard yelling banshee. Loud and obnoxious and will not be proven wrong even if the proof is staring you in the face.

You hunger for attention so bad you have to make others feel like trash so you can boost yourself up. To be frank you scare most good men off when you will not be corrected or can't even hold a decent conversation.

Now you are too fast for life but when you crash because of your speed you want to now blame it on not having a "Real Man". Israelite men love women but like I said before there is an order and if a woman is out of order, real men keep it moving.

I promise you ladies one thing if you sincerely want a great man that keeps the commandments of god and will not let the world harm you all you need to do is one thing. Repent and be changed back into the princess that god created you to be.

But alas some of you will not harken because you are stiff necked and only like to hear your points of view. For this reason now some of you are reading this and are getting upset because this is you in a nutshell.

- You chased off your man because you would not break down and get into your divine order wanting to be miss "independent". Now you are alone and bitter
- You have even pushed away your TRUE friends that at one time wanted to help you not matter what. Now because of your haughty attitude (selfish) no one will be in your corner.

- Your children are learning your bad habits and are patterning their upbringing to mimic the only parent in the house since the man got pushed out. Since you are not keeping the laws why should they?

Since now everyone is against you (In your own mind) you grow bitter and old and wonder why no one is around. This is harsh but it is truth and the truth shall set you free.

All women need to take a few steps back and see if you are living in the faith and keeping the commandments. It's not too late you can turn all this around.

You do not have to show your ass to get a good man. He doesn't need to see your shape to know if he wants to be with you. You Israelite women are the most naturally beautiful woman on the planet WITHOUT enhancements.

The most High has made you to be beautiful inside and out, and good men are looking for you now. This is the way it works one man, One Wife, commandment keepers, and loving the children also teaching them the right way.

Maybe just maybe this has made sense to some of you beautiful sisters out there I pray it did. Us Israelite kings miss our princesses. This curse is heavy on our women it's time to be what The Most High called you to be a help meet. This does not mean slave a real man would not do that to his woman but it does mean you support him as he supports the house.

Turn the evil eye into the loving eyes that you once looked at us with and you will see this nation rise faster than you ever thought possible. Willie Lynch and slavery happened to us both we can climb out together by keeping gods laws.

The Book Of Deuteronomy 28:58-59

58. thou wilt not observe to do all the words of this law that are written in this book, that thou mayest fear this glorious and fearful name, THE LORD THY GOD;

59. Then the LORD will make thy plagues wonderful, and the plagues of thy seed, even great plagues, and of long continuance, and sore sicknesses, and of long continuance.

Curse of the Sore Sick Seeds

If you have made it this far through the curses, you are beginning to see that had a very special position compared to the rest of the nations on the planet. We were supposed to be the wisest people on the planet. Here take a look at what The Most High said about us and wisdom.

Deuteronomy 4: 5 – 6

5 Behold, I have taught you statutes and judgments, even as the LORD my God commanded me that ye should *do so* in the land whither ye go to possess it.

6 Keep therefore and *do* them; for *this is your wisdom and your understanding in the sight of the nations*, which shall hear all these statutes, and say, surely *this great nation is a wise and understanding people.*

As you can plainly see God had a divine plan for us that we were supposed to be the gauge the rest of the nations looked up to. The Most High gave us Statutes, Judgments. He never gave us religion as we know it today.

We were chosen to be the standard of excellence that everyone would come to for everything. We were the only nation given these laws and testimonies. Still don't understand?

Remember God himself gave us these guidelines, and this is one reason why the nations hate you to this day. They also know that their time is at an end and it's time for us to rule.

All the promises and blessings are coming to us your enemy knows this all you have to do is endure till the end and it's a WRAP! Let's see what wisdom is because we say the word in passing but you need to let this melt on your brain.

Wisdom Definition

- **The quality or state of being *wise*; *knowledge of what is true or right* coupled with *just judgment as to action*; *sagacity, discernment, or insight.***
- **Wise sayings or teachings; *precepts (LAWS).***

See now what a precious, divine gift the lord gave us? Sad to say if you look at WorldStar or YouTube you shall see the exact opposite of what the Lord intended us to be. Where did it go so horribly wrong?

Well for one we didn't listen The Most High or the prophets, as we do to this day. We listen to the ONE THING the lord told us not to that's our heart.

Tell me if this sounds familiar you are talking with a pork filled pastor or "Holy Ghost" filled so called disciple of Christ. And the conversation goes something like this.

[You] Hey Pastor, the scripture in Leviticus 11:7 says do not eat pork because it's unclean. Then it says in Deuteronomy 14 that it is an **ABOMINATION**

[Pastor] Well all you got to do is pray over it and it will be fine because ALL is good as long as you believe, and God knows **MY HEART**. You can eat what you want to because it's all good to be received with thanksgiving.

Where did the preacher get this delusion from? Where did it start? I'll make it easy for you and I will use a scripture to back it up unlike the Pulpit of Abominations. Like we learned earlier you MUST read the Bible the way the most high intended. Precept upon Precept this is where the preacher gets this backwards teaching.

1 Timothy 4:4-5

4 For every creature of God is good, and nothing to be refused, if it be received with thanksgiving:

5 For it is sanctified by the word of God and prayer.

First of all to smash this out right God never ordained us to eat pork (Swine) it was an ABOMINATION then and it's the same bottom feeder today. It's a Shit eater excuse the language but you have to wake up.

Every creature of god is good for what it is meant to do. Pigs are the trashcans of the earth (same with shrimp, crab, lobster, mussels, etc.) you can eat a barracuda but you will die. This is why the most high said lean not towards your own understanding. If god made it unclean what makes you think you can pray to the same god to make it clean LOL?

Now let's deal with the heart.

Isaiah 29: 13

13 Wherefore the Lord said, Forasmuch as this people draw near me with their mouth, and with their lips do honor me, but have removed their heart far from me, and their fear toward me is taught by the precept of men:

I'll explain this plain and clear, so there will be no room for questioning. You have to swallow a hard truth you have been lied to so long that the lie has become reality.

In slavery (All phases) the enemy knew that as long as we sinned against The Most High that he would keep his back turned to us.

The heathen KNOWS full well the prophecies in the Bible and they fear it. They kept our people in perpetual darkness and lack of our laws. When we first got off the boats in the Americas we could read we were master craftsmen etc. They killed thousands of us and forbade us to read period. If we got caught we got killed, or cut out our tongues. 3 Centuries we were not allowed to learn anything but how to serve.

In church black preachers were told what they could and could not read. What's even worse than that is we had to learn what the Bible said from the ENEMY. If your mind is on fire for the truth Google it and see for yourself.

Now knowing this for 2015 if the SLAVEMASTER taught your average Negro preacher the Bible? Do you think he's telling you the truth? God said let him be true and every man a liar. If it can't be verified precept upon precept don't believe it.

Let's take it a step further asks yourself who owns these theology schools? I'll give you a hint it isn't us.

This is why Isaiah said what he did in **Isaiah 29: 13**, and it is so right for 2015. People do not fear the god of the Bible. Sure they fear white man Jesus but I'm talking about the REAL BLACK Messiah.

This is what The Most High said about your "Heart".

Jeremiah 17:9

9 The heart is deceitful above all things, and desperately wicked: who can know it?

The Most High created you so he knows what drives you. He knows because he made you. It's like the maker of a car they know what everything about it down to what gas it takes to run smoothly.

The Most High said the heart is very misleading and false above all things. This is plain so why do people say "He knows my heart" like it's a free pass to sin? What they are really saying is. Don't look at my sins and definitely don't point them out.

Now for you New Testament Christians Here is Christ talking about your "Heart" read closely. All these sins start from your mind.

Mark 7:21-23

21 For from within, out of the heart of men, proceed evil thoughts, adulteries, fornications, murders,

22 Thefts, covetousness, wickedness, deceit, lasciviousness, an evil eye, blasphemy, pride, foolishness:

23 All these evil things come from within, and defile the man.

You see the children of Israel were supposed to be led by wisdom and laws and righteousness. Instead we followed the heathen to believe in the heart and as you can see we suffer as a people from it.

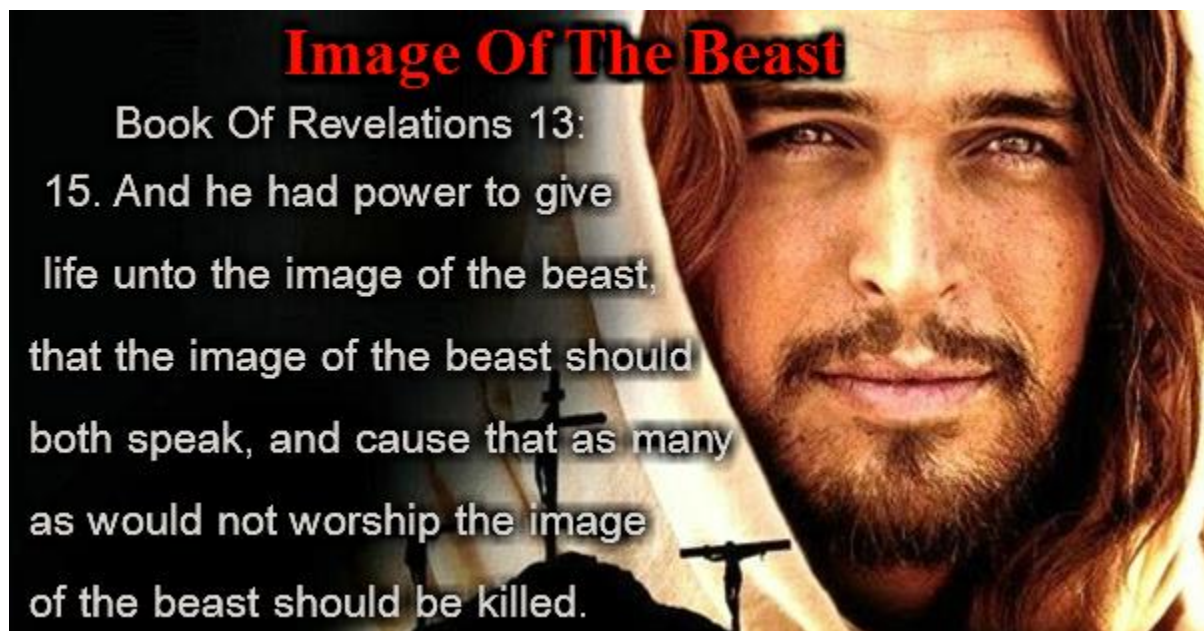

Every single one of these evil habits is found in our communities to this day. The churches are to blame for they are supposed to be our leaders yet this is the first you have ever heard of any of this information.

Now you should be able to see this curse in a new light. Because we choose to be evil and wicked God gave us up to much vile affection. This is why we suffer so much and we are guided by anarchy and strife and not the law we were given.

In Deuteronomy 28:58 The Most High said if we do not fear HIS power we would suffer for it. If you just look out your window it's plain to see. We have no idea the power of our Almighty Father. We do not fear god not the true living one, most of us fear man. We never learned about the god that wiped out everyone but Noah and his sons and their wives.

We never knew the god that destroyed 185,000 Assyrians as they slept. We do not take heed to the God who sent the death Angel through Egypt and slew the entire first born of their nation.

Here is most Christianity God of Reverence.

This is not and never EVER will be Christ, Revelations 1:13-15 bears witness (More on this image later). How did they give life to this beast? This image was painted by Leonardo D Vinci and made alive in 1450's. They destroyed the original image of Christ and came up with this. Thus came the birth of the Renaissance (Rebirth) of the Caucasian dominance. Just ask the Mexicans what happened to them when they would not submit to this image and the cross.

Better yet look in your grand momma's house or mothers and see if you see that image on the wall. This is witchcraft of the highest levels if you believe Christ looks like this.

Now they make the image speak by the movies etc. If color and image doesn't matter why have you never seen a Chinese Christ or an Eskimo? Why is the most powerful man who ever walked the earth shown as white?

This is not the image of the truth and it's time to wake up. The end is approaching fast and you need to stand up and be strong again.

We are ailing as a people and hurting in almost every way. God has poured out every plague that Egypt suffered and more on us.

We have gout, hemorrhoids, mental illnesses, high blood pressure, cancer, Ebola, Aids, Lymphedema, Hemi hypertrophy, and this is a short list.

In Deuteronomy 28:59 is a killer of a curse, because God said he would make our sicknesses long and bothersome. Also our unborn children shall be born with some of the major sicknesses you read about in 2015.

You and I were supposed to be **IMMORTAL** Gods on this earth now we cannot even handle the common cold. We are killing ourselves daily and most of us don't even realize this.

Now I know what some of you are thinking "Well other people go through these same things". Yes they do but we as Israelites suffer greater because we were the ONLY ones given Gods laws.

Joel 2:27

27 And ye shall know that I am in the midst of Israel, and that I am the LORD your God, and none else: and my people shall never be ashamed.

Amos 3:1-2

1 Hear this word that the LORD hath spoken against you, O children of Israel, against the whole family which I brought up from the land of Egypt, saying,

2 You only have I known of all the families of the earth: therefore I will punish you for all your iniquities.

Here are some spirit building scripture your pastor will never read it will kill his tithing money (Which you should not be paying). You see I can back up all these curses with history and the Bible there is no ducking it. You cannot squeeze every nation into salvation.

Yours and mine ancestry made an agreement and we went back on it. We were given the ultimate wisdom but we wanted to be like the strangers. If you keep listening to pastor pork chop you will have to answer for it and he will also.

This is why God said keep my commandments and live. He meant literally. If you were taught this from your youth you would be a lot healthier. This curse is on our people right now today. You are an Israelite it's time to wake up. Claim your power and your heritage back.

The Book Of Deuteronomy 28:60-61

60. Moreover he will bring upon thee all the diseases of Egypt, which thou wast afraid of; and they shall cleave unto thee.

61. Also every sickness, and every plague, which is not written in the book of this law, them will the LORD bring upon thee, until thou be destroyed.

Curse of the Egyptian Plague

Shalom (peace) to you sisters and brothers that are taking this walk through these scriptures for the first time. I hope this is edifying to you and you can see what has befallen us as a people.

This is a 2 part curse that we will tackle that has to do with the plagues and illnesses that happened then and now. Before we jump into these 2 curses you need to make sure that you understand, the entire Bible is written to the Israelites, for the Israelites.

When Moses went to tell Pharaoh to free us Pharaoh wasn't too happy. Pharaoh was not going to give up his slaves without a fight. Hell he wouldn't even give us 3 days off to go worship. If you speed that to today we are STILL in slavery and have a hard time getting days off when we need them.

Moses by the power of the most high unleashed plagues and diseases the likes the world had NEVER seen before. The events that happened by the hand of The Most High has not been repeated since.

Egypt as a nation has ever recovered either because of their unwillingness to give up the children of Israel and set us free. Now this is heavy these Israelites (our forefathers) seen all these impressive displays of power and might of The Most High, and STILL sinned and wanted to be like the Egyptians.

So the most high said look ... If you do not listen to me everything you seen me do to the Egyptians I will do to you. He chose us to teach the world the laws not to pick up their customs.

Here is a scripture to backup what we decided to do as a people.

Daniel 9:7

7 O Lord, righteousness belongeth unto thee, but unto us confusion of faces, as at this day; to the men of **Judah**, and to the inhabitants of Jerusalem, and unto all **Israel**, that are near, and that are far off, through all the countries whither thou hast driven them, because of their trespass that they have trespassed against thee.

8 O Lord, to us belongeth confusion of face, to our kings, to our princes, and to our fathers, because we have sinned against thee

Yep, you guessed it as the scripture says we decided even after seeing all the blessings and curses we choose the hard road. This is what happened in the first curse. We were in bondage for a long period of time 430 years, and the Egyptians had some wicked habits and suffered many diseases for it.

As it was then it is now. There is no new thing under the sun, and here some proof of what diseases were known in early Egypt.

Egyptian Diseases

Congenital Disorders = Spinal Bifida , Scoliosis

Major Disorders = Tuberculosis, Leprosy (Hansen's disease)

Parasitic disease = Schistosomiasis

Viral Disease = SmallPox (See Pharaoh Rameses V)

Joint diseases = Arthritis, Osteoarthritis

**Vascular disease = Heart, Kidney, Liver,
Lymphedema, Varicose Veins**

Recognize some of these afflictions? Most of these are common in the Israelite families. I personally suffer from 2 of the ones on this short list. Yeah this is the short list of things we brought upon ourselves. Remember we were supposed to be impervious to diseases such as this.

In 2015 we have more afflictions from health disorders than I can place in this book. Only the Most High could bring things such as this upon a people. As a nation of people we fill the hospitals with our infirmities and it will NOT stop till we start doing what god said. We smoke, do drugs, prostitute ourselves, horrible diets, and much more.

We cannot keep on like this our babies are even prone to this curse for our lack of obedience. We are blessed to have a dietary law and plenty more guidelines to keep us in top shape.

If you buy a nice sports car in the glove compartment there is a user's manual. We are the Lamborghini of races why do you keep placing horrible gas in your tanks?

Our ancestors were talking to Moses and God, at Mount Sinai we were in awe over what we just witnessed. They experienced the parting of the Red Sea and seen first-hand the Plagues of Egypt.

Now I don't know about you but after all the miracles that were shown and our LORD asked us to keep his commandments and live and we chose death. Because I can tell you now having 2 of those diseases listed above is a burden at best.

The difference is now I understand the "why it happened" and I know the solution to get back to the blessings. Now we will tackle the second part of this curse (Verse 61).

Blacks, Hispanics, Native Americans suffer from everything. As a nation of people these afflictions are common now Depression, Mental Health, Heart Disease, Cancer, Aids, Measles, Mumps, Ebola, Sudden baby Death Syndrome and much more.

Top 10 Sickness & Plagues Not In the Bible

- **Cholera**
- **Smallpox**
- **Yellow Fever**
- **Influenza**
- **Lung Cancer**
- **Whooping Cough**
- **Pulmonary Disease**
- **Meningitis**
- **SARS**
- **HIV**

Again this is not a full list it is just meant to give you a scope of the most high power, so you can understand why he is to be feared. We have all this

upon us and people do not even consider that The Most High is trying to wake us up. I have my issue with health but it shows me I can repent still and follow the laws. We are able to say we are sorry for our ancestors and we and we have sinned. The Most High will hear our prayers. Let me prove this fact. This is another scripture you will never hear in your church.

1 Kings 8:46-49

46*If they sin against thee, (for there is no man that sinneth not,) and thou be angry with them, and deliver them to the enemy, so that they carry them away captives unto the land of the enemy, far or near;*

47*Yet if they shall bethink themselves in the land whither they were carried captives, and repent, and make supplication unto thee in the land of them that carried them captives, saying, We have sinned, and have done perversely, we have committed wickedness;*

48*And so return unto thee with all their heart, and with all their soul, in the land of their enemies, which led them away captive, and pray unto thee toward their land, which thou gavest unto their fathers, the city which thou hast chosen, and the house which I have built for thy name:*

49*Then hear thou their prayer and their supplication*

Do you see now what advantage you have over everyone else? You along with the other Israelites can repent and ask for forgiveness. Not only for you but your ancestors but you enemies do not want you to know this. The last time we cried out to the most high as a nation our God destroyed Egypt.

As a matter of fact that place has never been the same since. I will spell this out easy for you so there is no going wrong.

1. Acknowledge that you first are an Israelite, and that you have strayed off the path of the most high gave you.
2. Admit to the Father you have sinned as an Israelite and have done perversely and have done wickedness, beg for mercy. Do this prayer for you and your ancestors.

3. Do this prayer from where you were carried away captive (In the land of your enemies), in private between you and The Most High. If you are in the USA, Europe, Africa.
4. Repent and change your ways change back to who you are supposed to be.
5. Finally The Most High will hear your supplication and prayer. Now you keep the commandments ALL of them except animal sacrifice. Then God will fight for us and Jesus (Yahawashi) Returns and we get the kingdom.

That ladies and gentlemen is a beautiful thing this gift we were given. Even through all that we did the LORD said he would take the curses off us and place them on our enemies.

We do not need false man made religions or doctrines of men. We have the one and only TRUE power, and no Idols or false Gods are needed.

One last thing speaking on “Idols and false Deities” let me show you something about the most high and how he dealt with Pharaoh. The Most High sent 10 Plagues correct? The Most High wanted to make an example of the foolishness of the Egyptians and their false beliefs. (Scroll down if you do not want to learn what The Almighty did to our oppressors).

Genesis 12:12

12 For I will pass through the land of Egypt this night, and will smite all the firstborn in the land of Egypt, both man and beast; and against all the gods of Egypt I will execute judgment: I am the LORD

God Sobek; The Crocodile God; God Of The Nile

(First Plague)

Sobek enjoyed a longstanding presence in the [ancient Egyptian pantheon](#), from the [Old Kingdom](#) (c. 2686–2181 BCE) through the Roman period (c. 30 BCE – 350 CE).

Though Sobek was worshipped in the Old Kingdom, he truly gained prominence in the [Middle Kingdom](#) (c. 2055–1650 BCE), most notably under the [Twelfth Dynasty](#) king, [Amenemhat III](#).

Amenemhat III had taken a particular interest in the Faiyum region of Egypt, a region heavily associated with Sobek. The Egyptians used to pray to this god for Fishing Blessings.

**THE MOST HIGH SENT THE FIRST

The Frog Goddess; Heqet

(Second Plague)

Heqet was usually depicted as a frog, or a woman with a frog's head, or more rarely as a frog on the end of a [phallus](#) to explicitly indicate her association with fertility. She was often referred to as the wife of [Khnum](#). The beginning of her cult dates to the [early dynastic period](#) at least. Her name was part of the names of some high-born [Second Dynasty](#) individuals buried at [Helwan](#) and was mentioned on a [stela](#) of [Wepemnofret](#) and in the [Pyramid Texts](#). Early frog statuettes are often thought to be depictions of her.

(Frogs, Ex. 7:25–8:15)

Khepri; God of the Scarabs

(3rd and 4th Plague)

Khepri was a god of creation, the movement of the sun, and rebirth. The scarab beetle lays its eggs in a ball of dung. Then, it rolls the ball along the ground until the young beetles are ready to hatch. When the young beetles are ready, they crawl out of the ball.

THE MOST HIGH PROVED THIS GOD TO BE A FAKE AND SMITE ALL OF EGYPT WITH LICE AND FLIES.

(Exodus 8:16)

Hathor; Cow Idol Goddess

(5th Plague)

is an [Ancient Egyptian goddess](#) who personified the principles of joy, feminine love, and motherhood.^[3] She was one of the most important and popular deities throughout the history of Ancient Egypt. Hathor was worshiped by royalty and common people alike in whose tombs she is depicted as "Mistress of the West" welcoming the dead into the next life. Hathor is commonly depicted as a cow goddess with horns in which is set a sun disk with [Uraeus](#). Twin feathers are also sometimes shown in later periods as well as a [menat](#) necklace

**AGAIN THE MOST HIGH SHOWED THIS GOD TO BE A FAKE
AND SOMETHING WE SHOULD NOT FOLLOW. GOD KILLED
ALL THE COWS TO MOCK THIS DEITY.**

(Exodus 9:3)

Qetesh; Goddess of Beauty Fertility and Good Health

(6th Plague)

She is the [fertility goddess](#) of [sacred ecstasy](#) and sexual pleasure. In [Qetesh stele](#), she is represented as a frontal nude standing on a lion between [Min](#) of Egypt and the Canaanite warrior god [Resheph](#). She is holding snakes in one hand and a [lotus flower](#) in the other as symbols of [creation](#).

She is associated with [Anat](#), [Astarte](#) (Easter Sunday!), and [Asherah](#). On some versions of the Qetesh stele her register with Min and Resheph is placed over another register showing gifts being presented to 'Anat the goddess of War and below a register listing the lands belonging to Min and Resheph.

GOD GAVE EVERYONE IN EGYPT BOILS AND SORES FOR FOLLOWING THIS DEITY, AGAIN TO SHOW THERE IS ONLY ONE GOD.

(Exodus 9:8)

Nut; Goddess of the Sky

(7th Plague)

Nut is a daughter of Shu and Tefnut. Her husband and brother is Geb. She has five children: Osiris, Set, Isis, Nephthys and Horus. Her name is translated to mean 'sky' and she is considered one of the oldest deities among the Egyptian pantheon, with her origin being found on the creation story of Heliopolis. She was originally the goddess of the [nighttime sky](#), but eventually became referred to as simply the sky goddess. Her headdress was the hieroglyphic of part of her name, a [pot](#), which may also symbolize the [uterus](#). Mostly depicted in nude human form, Nut was also sometimes depicted in the form of a [cow](#) whose great body formed the sky and heavens, a [sycamore tree](#), or as a giant [sow](#), suckling many piglets (representing the stars).

THE MOST HIGH MADE SURE HE LET THE EGYPTIANS KNOW WHO CONTROLS THE SKIES. THIS PLAGUE OF THUNDER AND FIRE HAIL SHOWED HIS POWER.

(Exodus 9:22)

Osiris; God of Vegetation and Death

(8th Plague)

Osiris was the god of the dead, and ruler of the underworld. Osiris was the brother/husband of Isis, and the brother of Nephthys and Seth. He was also the father of Horus. As well as being a god of the dead, Osiris was a god of resurrection and fertility. Osiris was considered not only a merciful judge of the dead in the afterlife, but also the underworld agency that granted all life, including sprouting vegetation and the fertile flooding of the Nile River.

THE MOST HIGH SENT POWERFUL LOCUST TO DESTROY ALL CROPS AND VEGETATION OF EGYPT TO MOCK PHARAOH AND THIS FALSE DEITY.

(Exodus 10:21)

RA; God of the Sun

(9th Plague)

By the Fifth Dynasty in the 25th & 24th centuries BC, he had become a major god in ancient Egyptian religion, identified primarily with the noon sun. In later Egyptian dynastic times, Ra was merged with the god Horus, as Ra-Horakhty ("Ra, who is Horus of the Two Horizons"). To the Egyptians, the sun represented light, warmth, and growth. This made the sun deity very important, as the sun was seen as the ruler of all that he created. The sun disk was either seen as the body or [eye of Ra](#).

**THE MOST HIGH SHOWED WHY THIS GOD IS NOT TO BE
PRAISED, BY SENDING A “DARKNESS THAT CAN BE FELT”. I
WILL SHOW YOU 2 SCRIPTURE PASSAGES THAT WILL SHOW
YOU HOW DARK IT WAS!**

(Exodus 10:21, Wisdom of Solomon 17:3)

Isis; Goddess of Life

(10th Plague)

In original [Egyptian](#) pronunciation – “Aset” or “Iset”, is a goddess from the [polytheistic pantheon](#) of [Egypt](#). She was first worshiped in [Ancient Egyptian religion](#), and later her worship spread throughout the [Roman empire](#) and the greater [Greco-Roman world](#). Isis is still widely worshiped by many [pagans](#) today in diverse religious contexts; including a number of distinct [pagan religions](#), the modern [Goddess movement](#), and interfaith organizations such as the [Fellowship of Isis](#).

**FINALLY THE MOST HIGH SENT THE MOST DEVASTATING
PLAGUE AGAINST THE EGYPTIANS. GOD WASN'T PLAYING
GAMES WHEN IT CAME TO US.**

DEATH OF ALL FIRST BORN IN THE LAND

(Exodus 12:29)

**BETWEEN THIS AND THE RED SEA DESTRUCTION EGYPT
NEVER RECOVERED...**

The Most High does not like Idolatry and Paganism. As you can see he despises anything to do with false religions. That being said what do you think will happen when Christ returns and he is not white?

What do you think The Most High is going to do with all these false man made doctrines like Islam? We are mentally sick from the indoctrination that we all have gone through. We are also physically sick because God is sending these plagues on us.

“Time is short choose to follow man.

Or

Choose to follow your creator The Most High.”

You cannot have both.

The Book Of Deuteronomy 28:63

63. And it shall come to pass, that as the LORD rejoiced over you to do you good, and to multiply you; so the LORD will rejoice over you to destroy you, and to bring you to nought; and ye shall be plucked from off the land whither thou goest to possess it

Curse of the Naught Chosen

With this curse as you can plainly read The Most High is not happy with his “Chosen” people. I do not know if you have children or not but you generally have pride and joy over their accomplishments and goals they are able to meet. We went from a treasured child to heathen status and worse.

We were brought to the lowest state so we can appreciate how far we are from the blessings he wanted to give us.

You as a parent rejoice and take pictures and blast them on Instagram and Facebook. There is no end to the amount of bragging you pour on your child. Rightfully so, and you deserve to see the fruits of all your hard labor.

I mean here is a short list of everything you deal with as a parent and mind you sometimes it's a single parent doing all this.

- i. Changing Diapers poopy diapers
- ii. Lack of sleep due to crying
- iii. Selfish fits
- iv. Punishments and rewards
- v. Teaching them the right path to take
- vi. Dealing with worldly questions
- vii. Backtalk not following the laws you laid down
- viii. Rebelliousness keeping them safe from the streets
- ix. Bumps Bruises
- x. Feeling as though you didn't do enough

Now most of you reading this that have kids have felt the overwhelming nature of raising a child in this sinful world.

It's not easy ...

You see the Bible is your blueprint on how to raise men AND women but most do not use the guide of life to make things easier. Most children do not have 2 parents in the home especially in the Ghettos in America. This gets to be an *exponential* growth in difficulty especially with low finances.

Now imagine your child not listening to ANY advice you give him or her and just will not do right. You are forced to do what you need to do.

Put them out and this is a tough love pill to swallow but some people need to see the ugly world without protection. This is exactly what The Most High did for to us. Kids do not realize the amount of sacrifice it takes to raise them the right way. Some people need to get burned to know the stove is hot.

Here is what the Bible says about this issue. The most high again gave us a blueprint to follow.

Matthew 15:4

4 For God commanded, saying, Honor thy father and mother: and, He that curseth father or mother, let him die the death.

Amos 3:3

3. Can two walk together, except they be agreed?

Now let's not be simple we are in captivity and we cannot fulfill this law as of now BUT that does not mean that you have to live with a rebellious tyrant either.

Put them out especially if you are living with The Most Highs laws and they will not do what is written. This is why the world is sick because WE are sick as a nation.

This curse is a stark reminder that the most high is pissed off at us because we let the world get into this condition. Since we are the rebellious children god has given us up. Whereas he was a proud parent at one time he has turned his love for us into hate.

Like I said before we gave up a lot to be like the heathen. Everyone wants to be us but we are the only nation that WANTS to be slaves and gentiles. Just in case you skipped ahead to this point and didn't read the rest of the curses we are NOT the gentiles we are the children of the Most High.

We are destroyed right now to the point that it will take the messiah to come to bring us back to our old royalty state. I'll be straight with you we deserve everything that he is placing on us.

He warned us about following the customs of the heathen but yet and still we celebrate Christmas and other pagan rituals that do not benefit us in the least (Jeremiah 10:2 – 5).

We celebrate birthdays when that is the highest ranking unholy day by Satanists. This also was forbidden in the Bible. King Herod killed John the

Baptist on his birthday, and many others for that matter. Look up the [feast of Bacchus](#).

We have given praise and honor to everything under the sun and including it. (Why do you go to church on Sun worship Day? The Sabbath is Saturday)

No brothers and sisters we deserve our buttwhoppin and the most high is tired of us not listening. Here do not take my word for it let me show you via The Most Highs lips.

Isaiah 1:4-5

4 A sinful nation, a people laden with iniquity, a seed of evildoers, children that are corrupters: they have forsaken the LORD, they have provoked the Holy One of Israel unto anger, they are gone away backward.

5 Why should ye be stricken anymore? Ye will revolt more and more: the whole head is sick, and the whole heart faint.

Do you see that? He said we have gone ALL the way opposite of the path of righteousness. The more he punishes us the worse we get. I know some of you out there have children just like this. No matter how much you ground them or spank they just don't get it.

This is why our children are getting gunned down in the streets and we have been persecuted at every turn. We do not even follow the heathen's laws much less the laws of life and blessings.

Here I will prove that the most high is NOT listening to you in a sinful state.

Proverbs 28:9

*He that turneth away his ear from hearing the law, **even his prayer shall be abomination.***

Now I bet you NEVER and I mean ever heard that from the Bible or church. If you did know this then why do you still not do what god said? Now let's get more on this!

John 9:31

*Now we know that **God heareth not sinners:** but if any man be a worshipper of God, and **doeth his will,** him he heareth.*

I told you your pastor has been lying to you for a very long time now. You have to do the **WILL** of god then he shall listen to your prayers. Your next question should be..... (Drumroll)

What's the will of God? I'm glad you asked here is the precept.

Psalms 40:8

*8 I delight to do thy **will,** O my God: yea, thy law is within my heart.*

It all comes back to the children of Israel keeping The Most Highs laws. Your parent gave you the rules of the planet and our ancestors decided to not to listen so we are paying for it dearly.

This begs a question as a side note so if you are NOT doing the will of god whose will are you doing? Hmm that a lesson for another day.

We are a shell of our former selves and it hurts because everyone believes things are ok. People are happy being abused by every nation and having no power to do anything. We are destroyed mentally and physically and only one savior can save us.

Right now if there was a war in the USA everyone else can go back to their land but us.

- Caucasians can fly back to Caucus Mountains of Georgia Russia.
- Arabs can fly back to Dubai or any other Arab land
- Eskimos can fly back to Greenland
- Khazars can fly back to Russia
- **African-American**.... 2 continents?
- **Blacks?** Yeah that will work call the airline company and say I'd like to buy a ticket to black please.

We are the hidden ones we are we scattered and our identities hidden from others and ourselves. We have no land, language, laws or in a word **Heritage**.

You have never wondered why everywhere you go to settle in some outrageous crap happens. We had land at one point and plenty of it but now we do not own much of anything. God said he would pluck us off the land meaning we would not be able to settle anywhere for long.

BLACK WALL STREET

(MAY 31 – JUNE 1, 1921)

DESTROYED

WE GOT PLUCKED OFF

[Full Story Link](#)

During the oil boom of the 1910s, the area of northeast Oklahoma around Tulsa flourished, including the Greenwood neighborhood, which came to be known as “the Black Wall Street.” The area was home to several lawyers, realtors, doctors, and **prominent black Businessmen**, many of them **multimillionaires**.

ROSEWOOD MASSACRE

-DESTROYED-

(PLUCKED OFF THE LAND)

[Full Story Link](#)

The Rosewood incident was an episode of "racial cleansing" that took place during January 1–7, 1923, in rural [Levy County, Florida](#). At least six blacks and two whites were killed in a week-long burst of mob violence including shootings, torture and serial arson. The largely African-American community of **Rosewood was destroyed, never to be rebuilt, permanently removing African-American presence** from the two-square-mile site (Sections 29 and 30 of Range 14 South, Township 14 East, Levy County).

There are plenty more than these but you get the point. Unfortunately we are still making the same mistakes our forefathers did. We do not have a land of our own because we are being punished.

I am sure if you ask grandma or grandpa how things were back in the day with sharecropping and land they will give you more information.

What is the solution to fix all these curses? It's quite simple really if sinning against The Most high got us to this place then returning to him is the answer. Return to him as an Israelite repent and wait on him to come to deliver us.

You see 2/3rds of us have to go because in the new kingdom there will be no wickedness like you see today. Only 1/3rd of our people will receive this message and return home. The most high placed the spirit on me to help warn and call my brethren to the laws so they can turn away from the evil they do.

I cannot speak for anyone but myself but when I read what I did in Deuteronomy 28 it burned my soul and I never looked back. Before I close out this curse I will show you one last thing. This is a glimpse of what will happen when Christ returns.

Zechariah 14:12

And this shall be the plague wherewith the LORD will smite all the people that have fought against Jerusalem; their flesh shall consume away while they stand upon their feet, and their eyes shall consume away in their holes, and their tongue shall consume away in their mouth.

Stand for The Most High and keep the laws this is the only way and keep the faith in Christ. This is what separates you from the heathen. Be part of the 1/3rd and get the new kingdom or

Keep following man made doctrines and be 2/3rd club, and become a part of the walking charcoal show.

The Book Of Deuteronomy 28:64

**64. And the LORD shall scatter thee among all people,
from the one end of the earth even unto the other;
and there thou shalt serve other gods, which neither
thou nor thy fathers have known, even
wood and stone.**

Curse of the Scattered Stone wood Gods

This curse is heavy 3/4th of everyone reading this I am sure has fallen under this curse. This section will piss off plenty but it's OK my goal is the wake up those who want to know the truth and be free.

If you look at the curse above I purposefully made wood and stone bigger than the rest of the text. You know already where we are headed so let's get busy. Again all I offer you is the raw truth it's time for you to wake up Israelite.

Of all the atrocities to hit one nation of people nothing on this planet compares to what happened to us Israelites. The Sub Saharan slave trade

and Trans-Atlantic have to be the catalyst for a blueprint of evil nothing is its equal. By conservative numbers here is what you are looking at.

Sub Saharan Slave Trade Death Totals = (7th Century to 19th) 20.5 Million that is documented.

Trans-Atlantic Slavery Death Totals = (1452 - 1807) 16 million that is documented.

This is not including the poor souls that died unnamed and unclaimed for the journey of each of these bondages. They say for the Trans-Atlantic slavery that there is no possible way to track how many of our brethren died in transit to the Americas.

The records show that so many died that sharks used to follow the boats to feed of the bodies they threw overboard. I read a few scholars articles where estimates were in the 97 million ranges, and they never made it to the shores of America. For those that made it to the shores they were quickly indoctrinated to a new form of mental slavery called Christianity.

The Sub Saharan slave trade was just as brutal and lasted longer. No one talks about it through because some evils are best left behind closed doors they say. We will expose this for what it is and you shall know that The Most High never intended you to worship these Idols.

The Arabs didn't need the money so much because remember, they got a blessing through Ishmael. They used our Israelite women as sex slaves and castrated the males so they could not populate. This practice went on for so long that naturally the youth at their birth were made to be "Islamic". Thus fulfilling the prophecy in the Bible.

It was also a crime to call yourself a Jew in any shape or form, this also goes along with celebrating feast days like Passover. Christianity and Islam was a means of sanctuary for most blacks that wanted to have semblance of freedom what we never realized is that we traded one slave master for another.

We walked across the Saharan desert to get to our new captives lands, and there are no estimates on how many died in the sands. They held a Quran in one hand and a scimitar in the other and said with an evil smirk "Choose".

Many of us died on the spot some of us choose to become Islamic. Let's get one thing straight they know our book they read it along with the Quran why is that? Their own book says that we are the chosen people. The Quran mean to recite what are they "Reciting"?

The Holy Bible.

If that is the case why would you follow the Quran that quotes the Bible when you can go to the original? A famous speaker for Islam in the USA uses the Bible all the time to make a point and 3/4ths of all his speeches he uses our book to move the masses.

I'll make this short so you can understand what is being said I want you to understand this curse so that no more will you be lead to different doctrines. If Mohammad could not read or write who taught him the Bible?

For that matter how did he write the Bible? He didn't he had in today's terms a Ghostwriter.

The Twin Daughters of Judaism

"The Stone of Idolatry"

The first part of this curse we will dive into is the stone of deceit called Islam. You are not Arab and never were, you are greater than that. You have to break these mental chains of bondage, and turn back to your heritage.

It is well known by many high ranking scholars this knowledge of where Islam and Christianity religions come from and slowly the truth is being uncorked like a fine wine. Mohammad learned a great deal from the Jews even their ideal of a "One God" belief structure. Previous to this knowledge Arabs prayed to over 360 gods.

Mohammad with some reprobate Christians refused to accept Christ as the Messiah, and their view he was just a "prophet". Mohammad wanted to form a new religion system and blueprinted the foundation after the Jews.

As a matter of fact he was close friends with many of them originally, because he dealt in trade and commerce. Often he would drill them about prophecies in the Bible etc.

Their Laws Traditions and Heritage made for a stable foundation that in Islam's faith today stands strong, but remember this is a copy of the original. When Mohammad got everything he needed for his new religion to thrive he commanded many of his Jewish friends and associates to convert to Islam.

Of course we refused and thus began a war that wages till this day. Mohammad when he got rejected by the Jews told his followers to STOP praying to Jerusalem and to start praying to Mecca.

For the record the Motherland is Jerusalem, not Africa.

Here is the proof,

Galatians 4:26

Jerusalem which is above is free which is the mother of us all.

In another act of rebellion Mohammad changed the Day of Atonement to Ramadan which is blasphemy in its finest form. He also changed the Sabbath Day from Saturday to Friday.

On a side note the Roman Catholic Church did the same thing they changed the Sabbath from Sat to Sunday (Sun worship day). Also they named Easter as a holy day instead of Passover. He started to war and persecute and enslave many Jews.

Here, look what is written in their own book!

Surah Al-Baqarah 2:40

O Children of Israel, remember my favor which I have bestowed upon you and fulfill my covenant [upon you] that I will fulfill your covenant [from me], and be afraid of [only] Me.

Surah Al-Baqarah 2:47

O Children of Israel! Remember My Favor which I bestowed upon you and that I preferred you to the other Nations.

Do you see that? The first 4 words tell you exactly who is special. WHY would the Quran quote that the Israelites had The Most Highs favor?

Now do you understand what Farrakhan and the other Islam teachers know and why some are jealous? It even says be afraid of ME. Not Allah, Buddha, Shiva, Ra, Isis, (Insert God Here). Also it says The Most High would fulfill his covenant with US not Ishmael. Remember the promises go to the Israelites.

Here let's hammer this last nail in break out your Bible read this for yourself.

Deuteronomy 7:6

For thou art an holy people unto the LORD thy God: the LORD thy God hath chosen thee to be a special people unto himself, above all people that are upon the face of the earth.

Yeah you mean that much to the most high you are royalty and the Arabs treated you less than human then they took their fake religion and made you choose death or conversion.

This is why so many black Muslims are around today they came on the boats indoctrinated, and thus the cycle continues.

Wait we aren't done yet with Islam!

Let's deal with this once and for all let's get the question out of the way. "Who is the chosen seed"? It's a valid question to ask because as stories go there are 100's of versions, but let's go to the source and slam this home. Brothers and sisters you will wake up today and learn this curse has far FAR reaching effects.

Let's start in the New Testament this should keep the New Testament Bible thumpers happy. Let's go to our beloved brother Paul and see what he said through the spirit of Christ.

Ishmael was Abraham's son, and first born he was NOT and I repeat NOT the chosen seed line.

Romans 9:7

7. Neither, because they are the seed of Abraham, are they all children: but, **In Isaac shall thy seed be called.**

8. That is, they which are the children of the flesh, these are not the children of God: **but the children of the promise are counted for the seed.**

Abraham was the father of many prosperous nations but the promise seed is in Isaac. Ishmael and all the other nations outside the 12 tribes are children of the Flesh.

The children of the flesh are NOT the children of The Most High as it is written. Now let's go to where all this began before Mohammad and before Isaac and Jacob and let's see the history that has been never taught to you till now.

You shall know the truth and the truth shall set you free. Read all of this so you can over stand what is being said. God and Abraham had a talk that would change the world.

Genesis 17:17-22

17. Then Abraham fell upon his face, and laughed, and said in his heart, Shall a child be born unto him that is an hundred years old? And shall Sarah, that is ninety years old, bear?

18. And Abraham said unto God, O that Ishmael might live before thee!

19. And God said, Sarah thy wife shall bear thee a son indeed; and thou shalt call his name Isaac: *and I will establish my covenant with him for an everlasting covenant, and with his seed after him.*

20. And as for Ishmael, I have heard thee: *Behold, I have blessed him,* and will make him fruitful, and will multiply him exceedingly; twelve princes shall he beget, and I will make him a great nation.

21. *But my covenant will I establish with Isaac,* which Sarah shall bear unto thee at this set time in the next year.

22 And he left off talking with him, and God went up from Abraham.

Now do you see why the Quran says what it does? Now do you see the promise that The Most High gave to Isaac? This also makes crystal clear that Ishmael got his blessing 12 princes is nothing to sneeze at.

Negroes don't own any oil as a nation or missiles LOL. We definitely do not own anything of wealth as a nation we cannot even create toilet paper. Can you imagine a Negro in Harlem with a missile ROFL?

This is why most Arabs are filthy rich to this day they control tons of wealth. The lord did bless Ishmael but not the chosen seed blessing. Sarah was barren when this promise was made that she would have Isaac and she was 90 years of age, Abraham was 100!

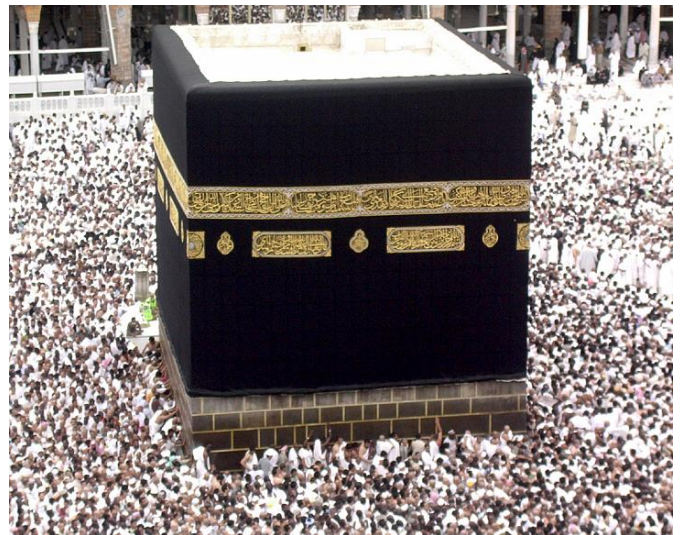

Isaac got the everlasting promise thus he had Jacob and Esau and Jacob got the promise. Jacob had 12 sons those 12 sons were the nation of Israel and thus bringing it up till today YOU are of that branch of Royalty, Not ...Islam.

Now to deal with the Kaaba stone Idolatry at its finest.

Mohammad to gain the loyalty and respect of the other pagan Arabs did something that is unthinkable barbaric custom to this day. The Kaaba stone was to be the focal point in the new religion he made and the pagans couldn't have been happier.

In addition the pagan temple at Mecca was to remain where it was, and become a holy site for all Muslims. The Most High is a jealous god and will repay all that blasphemy that was done everyone must stand in front of the judgment seat. God said do not bow down to anything and give praise to it.

These man made foolishness religions needs to stop Christ is coming soon you need to be who you were supposed to be. Now is the time approaching fast that begins your promise that god gave to your forefathers.

Thessalonians 2:11-12

11. And for this cause God shall send them strong delusion, that they should believe a lie:

12. That they all might be damned who believed not the truth, but had pleasure in unrighteousness.

Do you see what is going on in the world now? God has given many the delusions that they wish. Many will read this and hold on to the lies and just keep in the same sins.

The Most High said that is ALL GOOD with him, because you wish to believe the lies you damn yourself. The Most High is trying hard to save you but if you want to be walking charcoal so be it. The 2/3rd's club has plenty of room for new members.

How do you think you learned Islam and Christianity? It is not by chance read this curse again. You were carried away to strange lands and learned their customs and traditions.

Because you didn't wish to listen to The Most High or the prophets you have fallen into a reprobate state of being. Its 2015 only The Most High could through such a strong delusion over so many. You have internet you have books of unlocked history. You have the news and other outlets. You just finished a million man march for the 3rd time and no change.

You are looking to your slave master to help you instead of your power, and The Most High is getting tired of waiting. Now we shall deal with the wood part of this curse.

"The Wooden Princess of Lies"

There is a difference between Christians and Christianity and it's a huge one. Christians were first mentioned in the Bible in this verse.

Acts 11:26

*And when he had found him, he brought him unto Antioch. And it came to pass, that a whole year they assembled themselves with the church, and taught much people. **And the disciples were called Christians first in Antioch.***

You see in that time the word "Christian" was more used as a negative term like calling someone blackie, nigger, or spic. The followers of Christ were growing at a breakneck pace and the ones who gave up Christ to be nailed to the cross didn't like it. This made 2 separate types of Christians initially.

Christians that believed Christ was the Messiah

Christians that didn't (Pharisee Scribes Lawyers Sadducees)

We will not go too deep into it for this curse but know this dynamic is going on to this very day. You might ask yourself didn't ALL the Jews reject Christ? The short answer is NO. I will back that up in the scripture.

John 8:30-31

31. Then said Jesus to those Jews which believed on him, if ye continue in my word, then are ye my disciples indeed;

32. And ye shall know the truth, and the truth shall make you free.

It is true that some of our own brethren gave up Christ and yes even Peter denied him 3 times but not all of us completely turned our backs. This is why some think the covenant with The 12 tribes is canceled.

This is not the case God never forsaken us some of us turned our backs on him AND his son. This is also why some people think the gentiles (other nations) can waltz right into the kingdom while the Israelites sit outside the gates. This is not true The Most High said I am the lord your god I change not. He has never changed his mind about us and he loves us, no man made doctrine will change this.

Nope not Islam or Christianity or followers of Buddha, (Insert man made religion here) will change this fact. Now before Antioch the Israelites were called Jews or Disciples of Christ.

Constantine made a move that would shape the world in an entirely different image just like Islam, and the effects are still here to this day.

Constantine decided to persecute the Jews that believed in Christ because we would not follow their 300+ Gods system (Sound familiar scroll up to Islam) so things went from bad to worse. We were servants under Rome and had to pay many tributes and some of us were still slaves. We were forced from the time of Antioch to never call ourselves Jews or to follow any of our old customs. If we were caught we died, period. Many of us chose Idolatry thus fulfilling this curse we are talking about now and guess what the "Wood" is? That's right the cross many of you have hanging in your house or tattooed on your body.

A little fact that they do not tell you in history Christ our Messiah was NOT and I repeat NOT the first person hanged on the cross, nor was he the last. As a matter of fact it goes all the way back to Babylon. If someone killed your father with a fork would you wear a fork around your neck?

"It is strange, yet unquestionably a fact, that in ages long before the birth of Christ, and since then in lands untouched by the teaching of the Church, the Cross has been used as a sacred symbol. . . . The Greek Bacchus, the Tyrian Tammuz, the Chaldean Bel, and the Norse Odin, were all symbolized to their votaries by a cruciform device. "The Cross in Ritual,

Architecture, and Art (London, 1900), G. S. Tyack, p. 1.

“The people of the ancient lands used the cross in worship, some, like the Egyptians used it in Phallus worship, or, worship of the male sex organ.

It was used as a symbol of fertility. "Various figures of crosses are found everywhere on Egyptian monuments and tombs, and are considered by many authorities as symbolical either of the phallus [a representation of the male sex organ] or of coition. . .

In Egyptian tombs the crux ansata [cross with a circle or handle on top] is found side by side with the phallus." A Short History of Sex-Worship (London, 1940), H. Cutner, pp. 16, 17; see also The Non-Christian Cross, p. 183.

*"The cross thus widely worshipped, or regarded as a sacred emblem, **was the unequivocal symbol of Bacchus, the Babylonian Messiah**, for he was represented with a head-band covered with crosses".*

You see the cross is way older than Rome, so this begs the question what is modern day Christianity? Remember not all of the Jews rejected Christ and his teachings, but the ones who wanted to do paganism and wanted to be Christians at the same time did.

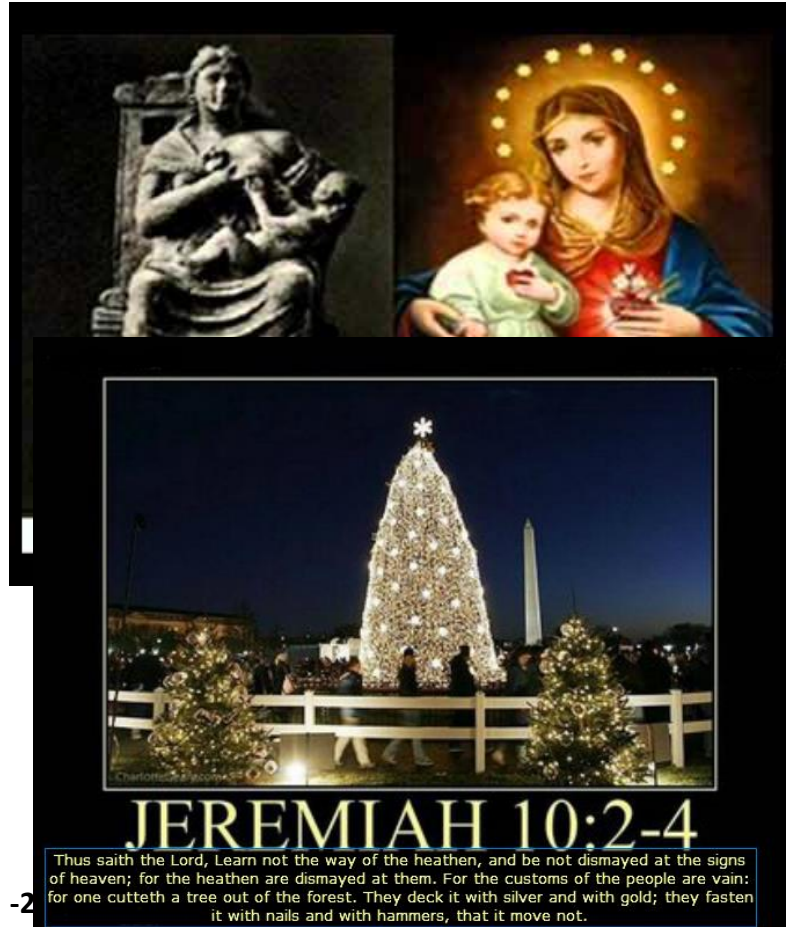

In around the year 312AD Constantine was pissed that the Jews would not follow his way like I said before, so he combined Paganism and Judaism to form Christianity. The true heathen pagans had a problem with it through initially because they did not wish to give up their Gods (Read the book of Acts).

The first thing he decided to do is to change many of the Pagan holiday names to more "Christian" ones for example Easter or "Mother Mary" giving her praise.

They changed the Semiramis and Tammuz statues names to Mother Mary and Christ. They also started to "Whitewash" art and statues thus starting Iconoclasm and rebranding of beliefs. The reason is to hide the true image of the prophets etc. because they were all men of dark color.

The Roman Lupercalia and the feast of purification of Isis became the Feast of the Nativity; the Saturnalia celebrations were replaced by Christmas celebrations. They said that our black Christ was born on the 25th of December.

This is Tammuz Birthday NOT Christ's (Christ was born in the

spring the Bible says). The ancient festival of the dead was replaced by All Souls Day, rededicated to Christian heroes [now Halloween]; etc.

A transition had occurred – instead of being persecuted for failure to worship pagan deities, Christians who did not agree with the particular orthodoxy backed by the Emperor were now persecuted in the name of Christ!

This also sheds light on the practices of Columbus and other Tyrants that came in the name of Christ to conquer and persecute. With most of these changes the pagans were all too happy to convert to Christianity. They could keep all their sin and orgies and do it in the name of Christ. All the while saying “The Laws are done away with”. Does that sound familiar?

There was one lingering problem they needed a patriarch or a matriarch. They chose through the decree of Constantine Mary, now with all the bases covered the pagans came in massive numbers.

Since Mary was the mother of Christ it only made sense to pick her, I mean what better Icon than the mother of Christ? It gave her instant credibility.

Now we enter the last piece of the puzzle The Roman Catholic Church. The Roman Empire had plenty of emperors and generals Constantine was one of them. Roman Emperors held the esteem title of Roman Pontifex Maximus in other words High Priest.

They were to be worshiped as Gods and the pagans loved it. Can you guess what goes on today with the Roman Catholic Church? How many people bow to that fake Prophet of lies and look upon that Edomite as God?

Emperor Gratian in 376 A.D for some strange reason did not want the title and it was passed down to the bishop of Rome. This is how it is done today in 2015 this is evil paganism and The Most High is not pleased with our people that follow this madness.

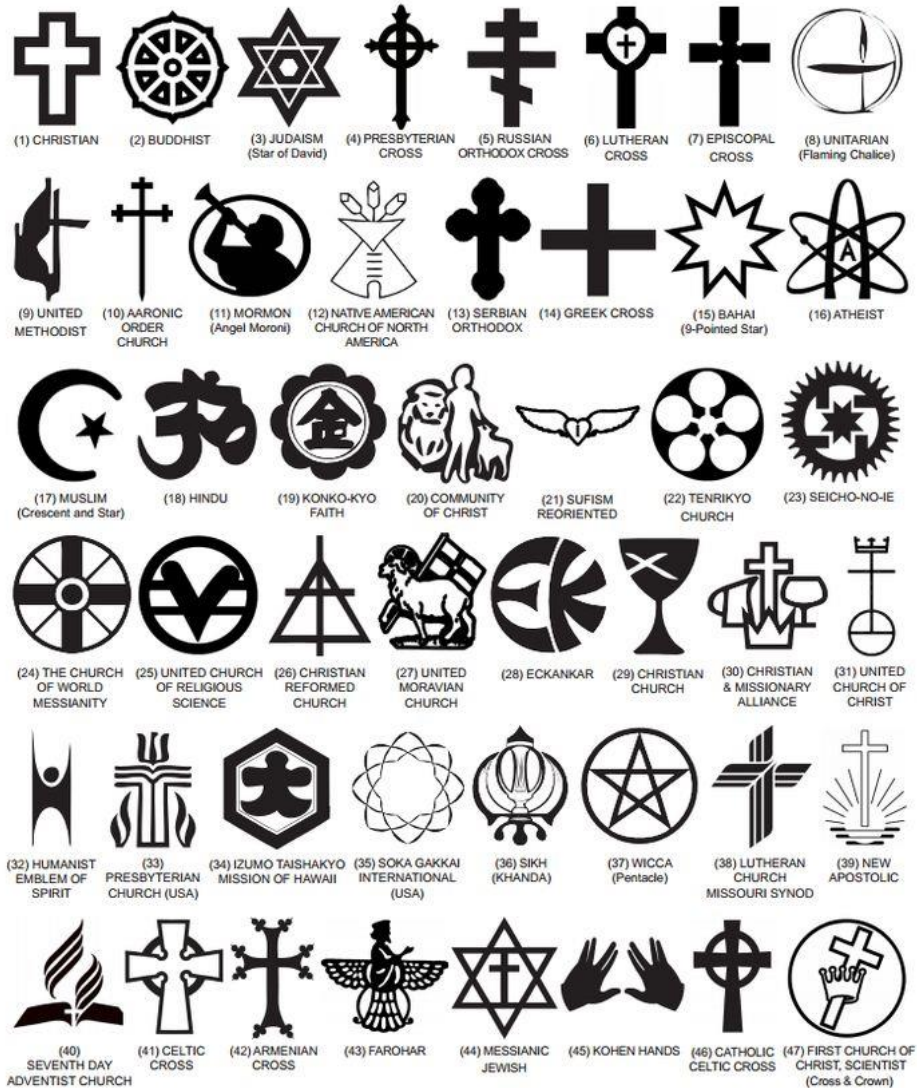

Wait there's more!

The Pope is also known as the Priest of The Pagans now all Christian churches bow to the power of Rome in one way shape or form. This delusion God has placed on our people is thick, and if you do not decide to wake up you will be destroyed when Christ returns.

Now if you ask the average Catholic who was the first Pope they will tell you Peter, but we all know that is not true. God said himself that Christ is the High Priest. Here is a short list of the crimes committed by the Roman Catholic Christianity establishment.

You have Perjury, murder, adultery, intercourse with virgins and nuns, incest, sodomy, bestiality, robbery, idolatry, magic, infidelity, and gross and unnatural immorality, and Blasphemy. Yeah they sound holy to me huh remember that is a short list.

In closing to make it plain there are Christians that follow the teachings of Christ and do the laws. There is Christianity which is the Roman Catholic Church. The ones blinded by Christianity are not the only ones blinded take a look at the chart of False Symbols and Religions.

Emblem (98) MUSLIM (Islamic 5-Pointed Star) is not shown due to copyright.

I would like to make one thing clear. The most high never gave us religion. Moses never knew an Allah or a white Jesus. The “Jews” were black and Jew is short for Judah which is the tribe I am from.

There is only one way to the kingdom that is the following of the laws statues and commandments of the most high, AND the faith in our savior Christ. It’s also genetically impossible for them to be the promised seed they are Esau or Idumea.

Where exactly do you think you learned Christianity from? As we said before if they did not allow you to read (Same with the Muslims) where did your knowledge of the Bible come from?

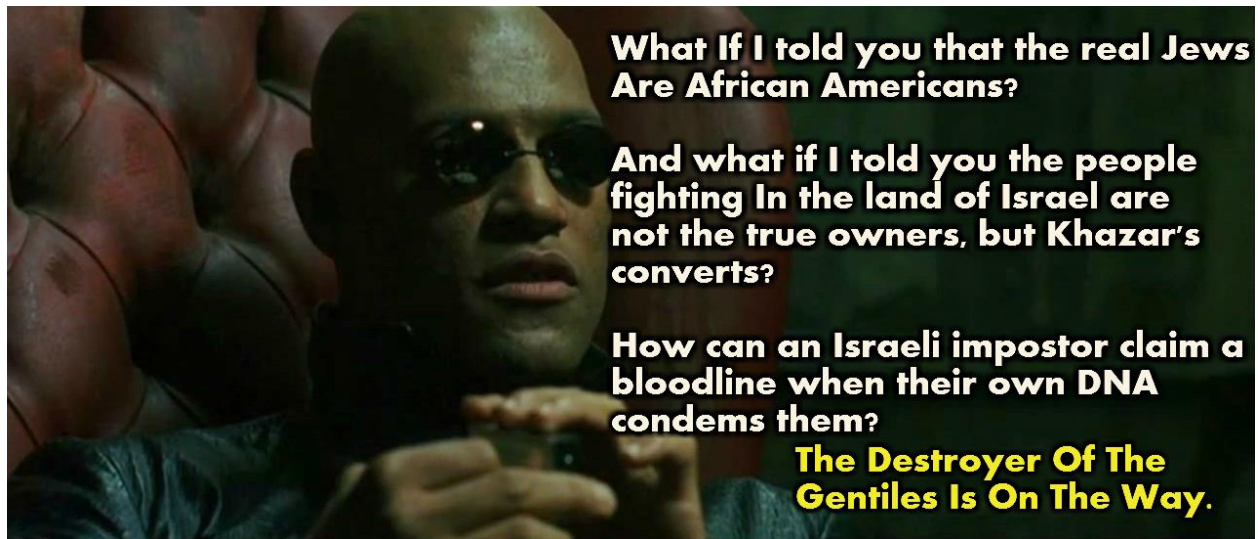

Unless you are honest with yourself you cannot advance in knowledge. A glass all the way full has no room for water. The water I am trying to give you will help your thirst.

And yes those people In Israel now are fake Jews and the world knows it. They will not expose the lie because then they would have to expose the truth.

The Jews are black and they are the so called “African-Americans”.

They send billions to those imposters but a balancing of the books is coming soon.

Since we decided to be like the other nations surrounding us to this day most of us are walking in darkness and are about to fall off a cliff or no return. This level of blindness could only come from the most high.

I would suggest you take his advice he left for you in the Bible. Or you can keep being rebellious and continue with the witchcraft of the heathen nations.

Proverbs 3:31

Envy thou not the **oppressor**, and **choose none of his ways**.

Or

Revelations 18:4-5

4 ***And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues.***

5 ***For her sins have reached unto heaven, and God hath remembered her iniquities.***

That concludes this curse I hope it was edifying and it gave you some clarity. These curses only fit our people no one on this planet has gone through what we have. The body count from these curses continues to rise. Until we wake from sleep.

The Book Of Deuteronomy 28:65-67

**65. And among these nations shalt thou find no ease,
neither shall the sole of thy foot have rest: but the
LORD shall give thee there a trembling heart,
and failing of eyes, and sorrow of mind:**

(Read through verse 67)

Curse of the Restless

&

Fearful

For this next section of curses we will tackle all 3 of these together because all of them have to do with a very real problem we deal with on a daily basis. I will list verse 66 and 67 here so you can see all 3 together.

Deuteronomy 28:66-67

66 And thy life shall hang in doubt before thee; and thou shalt fear day and night, and shalt have none assurance of thy life:

67 In the morning thou shalt say, Would God it were even! And at even thou shalt say, Would God it were morning! For the fear of thine heart wherewith thou shalt fear, and for the sight of thine eyes which thou shalt see.

I've been dreading making it to this curse, why you ask? The reason is right in front of you on the daily news every day. Sad thing is we have not even reached Jacob's trouble yet. It's time to wake up Jacob and realize that there is a gigantic spell of evil witchcraft on us and most cannot even see it.

Now I know what you are thinking everyone is responsible for their actions right? To an extent that is true but I will say this. There is a massive crafty council that dictates what you see. Especially in advertisements and the internet, including cable. There are million dollar think tanks that the enemies run that keep you in a state of "Death, Dumb, and Blind".

This is one reason why crime is on the rise in our cities because we are master mimics and we have mastered all that we have been programmed to see. You ask what do I mean by that? Let's use a basic example.

If you yell at a child using all sorts of 4 letter words and blasphemies that same child will repeat it. Over a period of time it becomes second nature. All of you in the hood know what I mean some of these children can cuss worse than pirate.

Now if you add in a banging beat and some bling and flash what did you create? The perfect slave mind, and it's an abomination that cannot be fixed, or tamed except by reprogramming. I know for sure 100% you know what I am describing hell one might be sitting in your living room right now rolling a joint planning to gun down a fellow brother because he stepped on his Jordon's.

An evil has been spread through our brothers and sisters, that continues daily. This all stems from plenty of factors but I've found one term that seems to encompass the entire sickness, that's right there is a medical term for it.

Stockholm Syndrome

People who suffer from this illness often feel helpless in other stressful life situations or are willing to do anything in order to survive seem to be more susceptible to developing Stockholm syndrome if they are taken hostage.

People with Stockholm syndrome report the same symptoms as those diagnosed with posttraumatic [stress](#) disorder (PTSD): [insomnia](#), nightmares, general irritability, difficulty concentrating, being easily startled, feelings of unreality or confusion, inability to enjoy previously pleasurable experiences, increased distrust of others, and flashbacks.

- The hostage takers remain in contact with the hostages; that is, the hostages are not placed in a separate room.***
- The hostage takers show some kindness toward the hostages or at least refrain from harming them. Hostages abused by captors typically feel anger toward them and do not usually develop the syndrome***

If that does not describe the modern day Negro I don't know what does that description circles the wagons twice and leaves no reason for doubt. We deal with the hurt of lost and feeling of hopelessness.

We go so far as to put our bodies in harm's way for every other nation we see and will not lift a finger to help our own. You know I speak the truth and all you need to do is look out your front window. They have us so programmed that even when you try to mention anything about it they have the nerve to call YOU racist.

2pac wrote a song called "I see death around the corner". If you ever listen to it plainly it shows what we go through on the regular. You get killed by your own because of self-hate then you get killed by the enemy because they hate you.

There is no rest period this is why this curse is a homerun telling you who the Israelites are today. Locate ghettos you will locate Israelites. Where there is no hope there is no drive to do better. We have a sorrowful mind around ALL these nations where we were driven and we do not belong in these lands. Israel is our home but we have to finish our curse (Punishment).

- We have to depend on the same enemy that is killing us to feed and clothe us as a nation. They didn't allow you to read or write for 300 years then have the nerve to tell you "Compete".
- They flash every abomination known to man on the TV for food and have the nerve to call it healthy. GMO's and vaccines are killing us. We do not own our own farms period.
- They educate us on a watered down history that does not even touch the greatness of who we are. Black history is a joke they will not tell the truth about slavery because you MIGHT wake up.
- You have no stable income so you watch videos of the "Bling" and go to a life of crime all the while you not knowing it's a trap. Guess who is getting paid for us going to jail?
- You do not feel safe even in your own home because you have not god's laws you have raised a monster.
- Depression, hopelessness and strife are common conditions you deal with daily.
- Abortion is rampant in our communities why is there no planned parenthood in the suburbs? Instead of you following the laws of marriage in the Bible you are killing strong men and woman of god daily.

Living life with no assurances of your safety as verse 66 is stating is no way to live. We have robbed cheated, prostituted, drugged, aborted and raped our own people dry and we do not even consider that this is our ruin. We need to STOP being our own oppressor and start being each other's family.

There are 4 things that killing us and we need to fix it now!

- Lack of Gods Laws
- Abortion
- Black on Black crime
- Esau killing us

I would like to make a proposal I do not know when this book will reach you or when you will read this but, I want to try something.

For one month let's do us as they say in the streets. Let's come back to who we are and see what happens. What does that mean?

- Open the Bible and start to learn YOUR history because yeah those are your peeps in there. That is true black history.
- Give all praises to your father who made you.
- No more Idolatry or walking into the pork chop pulpit of lies called the Christianity Church because you ARE the church.
- Stop blaspheming the name of The Most High. Accept he knows you better than you do.
- KEEP THE SABBATH I do not care what your preacher tells you. The Sabbath is from Friday sundown to Saturday sundown.
- Keep Respect to your father and mother this also means your step momma and daddy.
- NO MORE KILLING PERIOD. I do not care if uncle pookie did call your momma a name. No more Abortions, No more killing of us period so we can see the enemy for what he is. This means you gangs out there to, share the word 1 month so you can see who really is keeping you from the truth of who you are. This also includes selling drugs to our people.
- No more Stealing PERIOD. Start building your community not destroying it.
- No more lying to get ahead in life.
- Stop wanting everything you see especially that of your family's belongings. This includes car, wife, house, outfits and anything else you can think of.
- No more Adultery

If we can do this for one month we can string together 2 and so on. This will be a movement that cannot be stopped because The Most High will start protecting us because we turned back to him. You will be prosperous and instead of killing your family maybe you will learn something new about them and realize the error of your old ways.

All 3 of these curses only describe one people and it's not those hook nosed pink butt liar's in our homeland now. You do know they own the media that you watch daily right?

You do know the USA sends them billions of dollars and they are NOT the biblical Jews right? They fit none of these curses and they have nuclear capabilities. Tyrone and little Ray Ray can't even handle a 45 properly much less a missile.

So you are wondering ok ok I've read through all these curses what is your solution to fix the "Negro Dilemma"? Well we have given everything a shot and all has failed but one thing.

Come home to The Most Highs Laws. Yeah it really is that simple the Bible already said this is a fixed fight, and in the end WE WIN.

How many more marches do you want to do? How many Trayvon Martians are needed? How many more brothers need to die before you realize this is The Most Highs doing? Look at this verse closely.

Isaiah 45:7

I form the light, and create darkness: I make peace, and create evil: **I the LORD do all these things.**

Deuteronomy 32:39

See now that I, even I, am he, and there is no God with me: **I kill, and I make alive; I wound, and I heal: neither is there any that can deliver out of my hand.**

Then he told us this! Your pastor will never read you THIS verse.

Amos 2:3

2 You only have I known of all the families of the earth: therefore I will punish you for all your iniquities.

The Most High is doing all these works you see in your hood and placing the spirit on our people to believe lies. Since we willfully sin and act and love our oppressors this is the punishment we get.

You see brothers and sisters.....

We can sin as Israelites and we get punished like a father disciplining their child. But on the other hand you have the rest of the nations.

They can **NOT** sin. They can do no wrong. They were never given the laws of God YOU were. Now I made a statement let's prove it! Although Amos verse did a good job let's get some more understanding.

Psalm 147:19-20

19 He sheweth his word unto Jacob, his statutes and his judgments unto Israel.

20 He hath not dealt so with any nation: and as for his judgments, they have not known them. Praise ye the LORD.

Now I am sure this is becoming clear to you why we are in so much hell and the nations sit back and laugh. We suffer daily and they never give us justice because this is THEIR kingdom but we have next.

They have a free ticket to sin and to do ALL the will of Satan until Christ comes back. This is why he needs to save us from our enemies. The "they" in verse 20 is the other nations like, Europeans (Esau), Chinese (Moab), Ammon (Japanese), Palestinians (Philistines), and the Arabs (Ishmaelites).

You know what's even better? They are even in your neighborhood getting their pockets filled until they rip, because of your sins. They know they have ruler ship at the moment, but they forget the bill is due soon.

They laugh all the way to the bank and don't look back. Here is what your possessors know (Slave master) because we are still slaves in this land.

Psalms 10:11

He hath said in his heart, God hath forgotten: he hideth his face; he will never see it.

Zechariah 11:5

5 Whose possessors slay them, and hold themselves not guilty: and they that sell them say, blessed be the LORD; for I am rich: and their own shepherds pity them not

You now have an inside seat to the cruelest joke on the planet and you are the "Punch line". Not only can they not sin they profit off your suffering and say we are blessed. All the while not thinking god sees their comings and goings.

They sell us to this very day have you ever seen an NFL draft? All that is modern day slave auction just more money involved. We still are sold and traded to this day and you do not even consider.

Oh you didn't know that TD Jakes and Creflo and Sharpton or (Insert wicked preacher here) is in on the money? Have you never heard of the [World Council of Churches?](#)

They along with 1000's more are instructed on what to teach and how and what date. Long story short they are wicked as the day is long. You have no spiritual foundation thus your house of life that you live shall fall.

The other nations are in one agreement that is to keep you asleep because as soon as the 144,000 of us Israelites wake up we go home.

Take a look at this!

Genesis 15:13-14

13 And he said unto Abram, Know of a surety that thy seed shall be a **stranger in a land that is not theirs, and shall serve them; and they shall afflict them four hundred years;**

14 And also that nation, whom they shall serve, **will I judge:** and afterward shall they come out with great substance.

Do you see that?! That sisters and brothers gives me hope that all these troubles and suffering is not for nothing. You still don't get it? Here let me paint a picture.

We got off the boats here in 1619 correct?

The Scripture says we would have to serve these heathens for 400 Years Right?

400+ 1619 = 2019

2019 = **FREEEEEDOM and I aren't talking Brave heart.**

The Year 2019 give or take some years because they messed up our original calendar but still that is TIME SERVED. Hold on brothers and sisters turn back to the laws statutes and commandments so we can go home. The wicked is about to be judged and finally we can say "Free at last Free at last thank God Almighty free at last".

I know you are tired but you have to believe me when I tell you Israelites are waking up all around the globe these are the end times. The Most High keeps his promises like the verse says he will judge these nations for their sins all at once.

In verse 67 goes into hardships day and night. Even when we used to pick cotton in the hot ass sun we used to wish for rest. We used to sing Negro spirituals to bide the time. Massa used to love it when he sang of our homeland and what we lost.

At night the oppressors used to take advantage of our women and DARE our men to stand up to say something. The damage can be fixed but it will take us breaking away from the traditions of man.

Today more and more men are becoming effeminate and no longer know what it means to be the man of the house. No longer do we wish to learn what the Bible says about making a real man. You now cannot walk the streets anymore in unity because our men have been programmed to hate their own.

When will we stop the genocide of our own people? My mind hurts when I sit back and think on all the destruction that we have done to our own selves much less the heathen. You see he has a good excuse he is programmed to do what he does. His soul doesn't even know better. You however suffer from Americoon Syndrome in other words Stockholm Syndrome.

You are an Israelite and you need to be proud of it. You are no longer hidden let your light shine. You have been chosen if you are reading this to wake up and help your people, because the end is near.

But I know some of you are still pondering, what is the next 100,000 video on YouTube or World Star. Some of you have skimmed through all this and didn't even read the simple one month trial.

The Most High said this

Hosea 4:6

6 My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children.

I am not talking the strength of street knowledge. (NWA)

I am talking the Strength of The Most Highs Laws (Malachi 2:7)

This concludes this curse you fit these curses that we are reading about the Bible isn't a fairy tale book it's your history time to learn it.

The Book Of Deuteronomy 28:68

68. And the LORD shall bring thee into Egypt again with ships, by the way whereof I spake unto thee, Thou shalt see it no more again: and there ye shall be sold unto your enemies for bondmen and bondwomen, and no man shall buy you.

Curse of Trans-Atlantic Bondage

There are plenty of documented videos and information that will explain how the Israelites were in bondage in Egypt and this curse on the surface looks straightforward to someone who's just learning, but we will hammer this out and you will know beyond a shadow of a doubt who you are.

I know some of you reading this skipped all the way to here and that is fine but those of you who read all these curses I have some additional information for you.

The first thing you need to know is that THE ALMIGHTY did this to us for our stiff necked behavior. To break down this scripture properly you will need your Bible.

Let's start with Egypt. Egypt in this verse is not talking about the landmass. It is talking about another word remember the Bible self-defines itself.

Exodus 20:2

I am the LORD thy God, which have brought thee out of the land of Egypt, out of the **house of bondage**.

As we taught before you read the Bible precept upon precept. Now you see that it means house of bondage. In other words **SLAVERY**, which is the proper understanding.

Now if you go back to this curse it reads like this.

And the lord shall bring you into **SLAVERY** again with ships. Now you have to think how many times did the Israelites go into slavery in actual Egypt? Once that is all they never went back. This means The Most High is talking about a different slavery. A prophecy that didn't happen in Moses time, but it did happen.

Before we dive into this we need to establish because I know what you are thinking in the back of your head especially you Egyptologists. "Are we not all Africans and didn't Africans sell each other into slavery"?

Would you sell your momma into slavery? NO you would not no matter how wicked she might be so they did not sell their own people. Now that I made the statement, let me prove it. First I will prove it in the Bible.

Exodus 11:7

But against any of the children of Israel shall not a dog move his tongue, against man or beast: **that ye may know how that the LORD doth put a difference between the Egyptians and Israel.**

You see that? We look like them but they aren't us even archeology says we are not the same. God even says not even a DOG shall move his tongue against us. He was talking about the other nations (Heathens). Now let's get some scholarly reinforcement.

Zondervan's Compact Bible Dictionary:

Ham – The youngest son of Noah, born probably about 96 years before the Flood; and one of eight persons to live through the Flood. He became the progenitor of the dark races; not the Negroes, but the Egyptians, Ethiopians, Libyans and Canaanites.

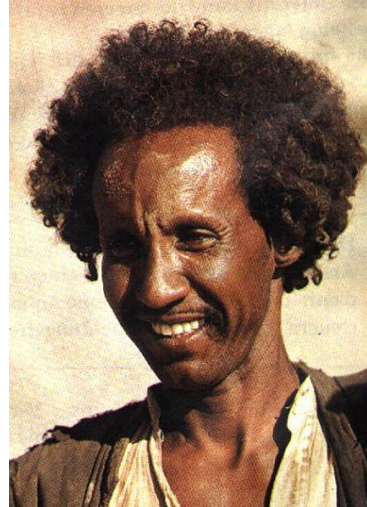

Are you getting the picture now? We look like them but everything else is different. We are not African we did NOT come from Ham we came from Shem. They know a secret that I have been trying to tell you for 68 pages and they hope you stay sleeping.

NEGRO

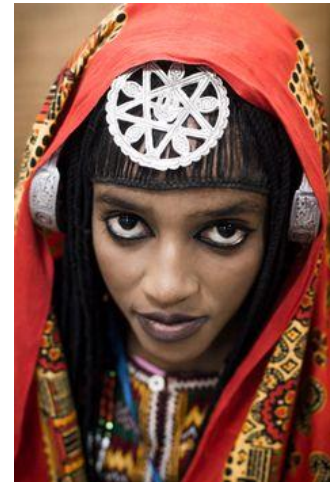

Real Egyptian

Real Ethiopian

Real Libyan

The Africans knew damn well who they were selling into bondage to the Europeans. Arabs also did this madness to us this is why I cannot figure why anyone that is of the 12 tribes would follow all these man made religions.

Let's not get simple now The Israelites were scattered throughout the 4 corners of the globe, you trace your lineage through your father's line. Some of us due to the curses do not know our true father because he left but don't fear that is a curse also.

If your soul screams for justice over the horrors we endured then you most likely are an Israelite. If you still aren't sure keep the laws statutes and commandments and Jesus and the angels will sort it out in the end.

Million dollar think tanks have done exhaustive research on this subject debated it until their ear's and mouths bleed. After all the dust is settled you are NOT African.

Negroes lived in Africa but you are not a home born. Just like you live in the USA

but that is not where your heritage is from, no your history is much greater and THEY know it.

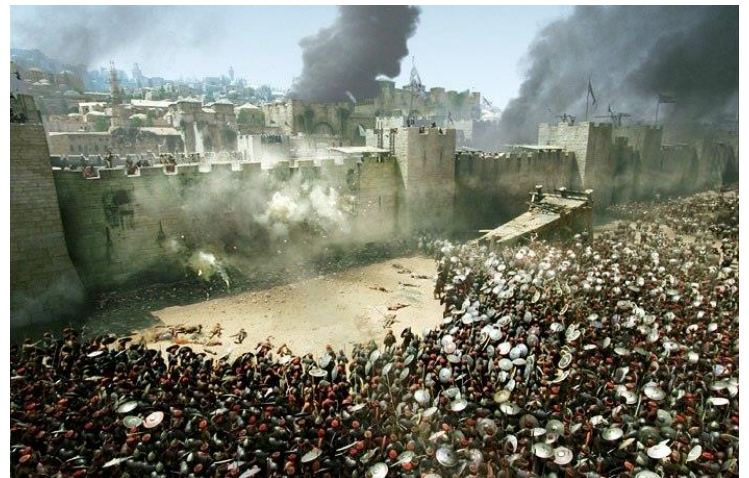

Now that that is settled let's move on, and on to some meat in the Bible. As you are coming to realize the Bible is FULL of prophecies some have come true already and some not. We are now going to go into one of Christ's predictions so we can see that what the Romans did to us was prophesied.

We are going to answer one of the first questions I had when I first came into the truth. "How the hell did we get into Africa if we are from Jerusalem?" You are going to learn that prophecies that come true are called **HISTORY**.

Luke 21:21

20 And when ye shall see Jerusalem compassed with armies, then know that the desolation thereof is nigh.

21 Then let them which are in Judaea flee to the mountains; and let them which are in the midst of it depart out; and let not them that are in the countries enter thereinto.

22 For these be the days of vengeance, that all things which are written may be fulfilled.

23 But woe unto them that are with child, and to them that give suck, in those days! For there shall be great distress in the land, and wrath upon this people.

24 And they shall fall by the edge of the sword, and shall be led away captive into all nations: and Jerusalem shall be trodden down of the Gentiles, until the times of the Gentiles be fulfilled.

This is why I love the Bible it's a true book this happened as documented history. In the year 70AD this came to pass. Jesus warned us this would go down and man did it. Now does history back up the script? Take a look!

From Babylon to Timbuktu

(Book pg.84)

“In the year 65 BC the Roman armies under General Pompey captured Jerusalem. In 70 AD, General Vespasian and his son Titus put an end to the Jewish state, with a great slaughter...many outrages and atrocities were committed against the residue of the people. During the period from Pompey to Julius, it has been estimated that over **1,000,000** Jews fled into Africa, fleeing from Roman persecution and slavery. The slave markets were full of black Jewish slaves.

Rome cut through us like a hot knife through butter and we fell by the sword famine and worse, and yes we were hung on crosses. In verse 22 you see clearly that prophecy had to be fulfilled. We had to pay for our disobedience of our forefathers.

We ran and took only what we needed and we fled SOUTH through the mountains because we could not go north Rome came from that direction.

We ran into what is now known as Northern Africa fleeing for our lives. Some of us made it some of us didn't and got carried back into Europe and other surrounding countries. Here is some more history you will never see in your schools.

(Book pg.86)

The pagans and the Romans attacked the

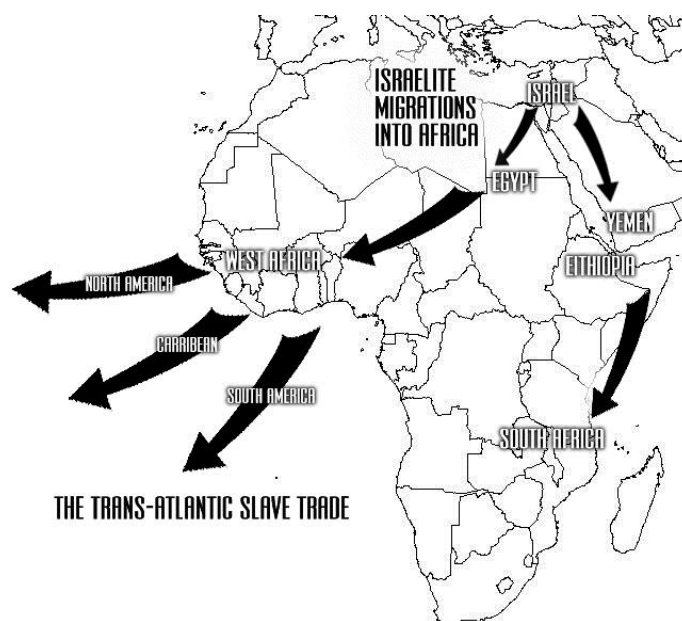

Jews indiscriminately, without mercy. As a result

of this merciless attack, many Jews fled to those parts of

northwest Africa known as Tunisia, Algeria, Morocco, and

Mauretania. Many other Jews fled to the areas where Rome

did not have any jurisdiction.

Rome perused us like a master hunter relentless and thoughtless. The Most High sent this terror to us and we had to bear the burden. This is why when we get the kingdom what do you think The Most High is going to do to these heathens?

Those of us that made it south spread-out and we thought we were safe, because we blended in. We were wrong. We had to run again further into the south and west of Africa and the Hamites did not like that one bit.

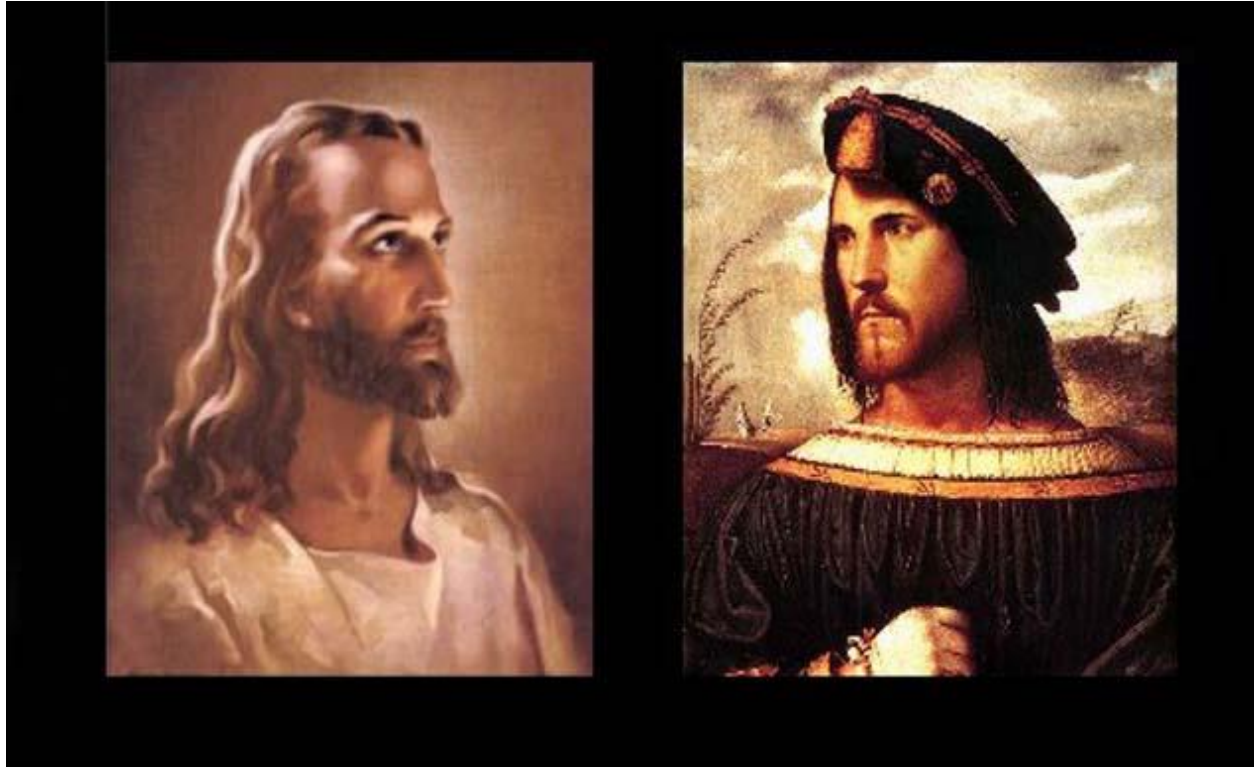

We settled in the west coast of Africa for a time we even had a kingdom or 2 and we owned the Dark Ages the Byzantine Empire was ours. And the ones that went to Europe, Rome, and other countries became gladiators...yeah not Russell Crowe.

Wars with the surrounding African tribes was vexing so when the Brits came down to the west coast of Africa and were going to take real Hamites as slaves the kings in the area gave us up instead for guns, liquor and other goods. They were all too happy to get rid of us. Remember to the naked eye we look alike but they don't have our flavor and strength.

And you guessed it that is your Trans-Atlantic Slave Trade, which is again prophecy made into history. Thus making us go into slavery again as a nation with SHIPS like it says in Deuteronomy 28:68.

This is the reason why the first generation of our scholars and craftsmen that landed we killed after they were used. We always had our history and laws with us as a people they took it all and rebranded you a "Nigger".

Then when Rome got a hold of our book they repainted their likenesses and their history to cover ours. When we went into slavery we then were given this demon.

This man is Caesar Borgias he was the pope's son. A rapist Pedophile and slept with his own sister numerous times. This is why you hate your own people to this day because of the programming of Willie Lynch and this Christ. This image was painted around 1450's Google it LOL we are in 2015 this is easy stuff.

Christ along with all the Israelites are black unto the ground. I know that might break grandma's heart but it's the raw truth. You cannot serve 2 masters as it is written.

It also says in the scripture we would not see our homeland again. If that is the case because we have not been back there since WHO is that in the land today?

Briefly we will talk about who is there because it's important to realize that someone is lying and it's NOT us. In verse 24 in the book of Luke it tells you "Jerusalem will be trodden down by the gentiles till the time of the gentiles be fulfilled.

It's being trodden down as I am writing this there is no peace in our homeland and there will not be till we return. As a matter of fact the ones you see there now with the weird looking hats and curly Q's are not even Jews they are Khazars (Roman Converts in other words Esau).

Neither one of them is supposed to be there but after Rome did what it did we left everything so others moved in. They never even set foot in Israel until 1948 you do the math. How can someone be on the lineage of the promised seed when even their DNA reject's them?

Enter the truth of the fake Jews;

The Bulan Converts

In the year 740 The Khazarian King, King Bulan, decided in order to protect themselves against attack, the Khazarian people must convert to one of these faiths, but which one?

If they converted to the Muslim faith they would risk attack by the Christians and if they converted to the Christian faith they would risk attack by the Muslims. Prior to this thought of conversion they were strong advocates for shamanistic rituals

and pagan worship much like the Egyptians of old. They held a debate between the Christians and the Islam faith and both quoted the Bible.

The king was confused by this because if both of them quoted the Old Testament why not hear the “Jewish” people out.

(Remember now this is not us these are romans who had our Bible). With the king satisfied in the debate with the Jewish scholar he converted his entire kingdom. Also they took the law of Circumcision.

This is how they were able to use our book to become us. The world knows this but they won't say because they send billions to those fake Khazars all the while they know the real Jews are still in bondage in USA, Brazil, Ghana, and they are all BLACK.

Khazars were never:

- Sold on slave auction blocks.
- Children are given to another people.
- They do not want for ALL things like Deuteronomy 28:48 says.
- If you ask them what tribe they come from they always claim Levi. But the tribe of Levi are the Haitians for the most part and I never seen Jewish people speak French.
- They make their own clothes and they have their own farms. In addition they have missiles.
- They fit 0 Prophecies except one. Christ said they are the Synagogue of Satan. (See Rev. 2:9 and 3:9)

It's you brother and sisters it's always will be about you and it always was. You have been the victim of the cruelest form of Identity theft on the planet and everyone owes you.

You are begging your enemy for reparations but you don't know that the EARTH is made for you? The Sun, the Moon, and the stars are a sign that The Most High never abandoned us.

We abandoned him..... Get your Bibles out this is important. You must over stand this point. You shall learn what kind of agreement we made at Mt. Sinai and learn how deep this rabbit hole goes.

Jeremiah 16:10

10 And it shall come to pass, when thou shalt shew this people all these words, and they shall say unto thee, wherefore hath the LORD pronounced all this great evil against us? Or what is our iniquity? Or what is our sin that we have committed against the LORD our God?

11 Then shalt thou say unto them, Because your fathers have forsaken me, saith the LORD, and have walked after other Gods, and have served them, and have worshipped them, and

have forsaken me, (Islam & Christianity Buddha etc.) and have not kept my law;

12 And ye have done worse than your fathers

Now here is the connecting precept that will give you total clarity why The Most High is still upset with us till today.

Exodus 24:7-8

7 And he took the book of the covenant, and read in the audience of the people: and they said, all that the LORD hath said will we do, and be obedient.

Then this happened.....

8 And Moses took the blood, and sprinkled it on the people, and said, Behold the blood of the covenant, which the LORD hath made with you concerning all these words.

And it was a wrap we made a **Blood Covenant**, the creator of heaven and earth.

When that blood hit our foreheads it was time to we were in a blood in and blood out agreement. This is why the law was never destroyed; I don't care what your preacher says.

This is why Christ had to come to become the sacrificial lamb so that now we can have grace. Through his death we as Israelites gained a chance to come home. Time is running out Grace is almost over.

Let me explain this more clearly using a scripture if the law was done away with why does the book of Baruch say this?

Baruch 4:1

1 This is the book of the commandments of God, and the law that endureth for ever: all they that keep it shall come to life; but such as leave it shall die.

How long is forever? Never ending god doesn't change so his law doesn't either. Let's get one more in Revelations.

Revelations 14:12

12 Here is the patience of the saints: here are they that keep the commandments of God, and the faith of Jesus.

There is no running around it we made an agreement, and we have to keep it all but animal sacrifice. The laws are not hard you have never been taught them. There are practical, health, financial, Civil, Social, Family, and more laws to help you. You just never read them.

Your pastor does tell you about one law that is Tithing Christ is the high priest now not the Levites and tithing was NEVER money. That's right he lied about that too if he demands tithing drop him a head of lettuce in the plate.

I will show you one last thing before I close out. There is a major event about to take place and you need to be aware. Just like with Moses in the times of old. We will have to go into the wilderness again this time with Christ. Also The Most High is going to make a new Covenant with us.

Hebrews 8:8-10

8. For finding fault with them, he saith, Behold, the days come, saith the Lord, when I will make a new covenant with the house of Israel and with the house of Judah:

9 Not according to the covenant that I made with their fathers in the day when I took them by the hand to lead them out of the land of Egypt; because they continued not in my covenant, and I regarded them not, saith the Lord.

10 For this is the covenant that I will make with the house of Israel after those days, saith the Lord; I will put my laws into

**their mind, and write them in their hearts: and I will be to them
a God, and they shall be to me a people:**

And this is where it will take place.....

Ezekiel 20:34-35 (READ THROUGH TILL 38)

***34. And I will bring you out from the people, and will gather
you out of the countries wherein ye are scattered, with a
mighty hand, and with a stretched out arm, and with fury
poured out.***

***35 And I will bring you into the wilderness of the people, and
there will I plead with you face to face.***

Now, I didn't post all the way through 38 but it goes into that there will be wicked Negroes and sisters and evil Israelites that make it to the wilderness with us and will be made example of. We will have a new agreement and we shall be with our king.

The new covenant for sure will have the laws in it that we currently have and probably some new ones. Christ is coming you need to be ready we are in the last days. I will be glad to see you made it out of darkness into the glorious light which is the truth.

Prepare yourself.

The battle is NEAR.
